## Foreword

To the many people who have given of their talents and of their support, we say thanks. Your co-operation has made this "Zoo Parade" possible.

Memories are made by gossamer threads which connect us to our past. Your experiences, your friends, and even a part of you are all here lest you forget.

The 1961 Pel Mel is yours. You made it; we preserved it through word and picture.

Best of luck to a sweet girl who was in my P.E. Class. Lots of love  
Priscilla

The Class of 1961 proudly dedicates this Pel Mel to Miss Alexander. For many years she has served as teacher, class sponsor, and sponsor of the Future Teachers of America. Not only her unselfish services but her wonderful personality have been a great inspiration to all the students of Pell City High School. This is our way of expressing our gratitude and our sincere appreciation for all that she has done as a teacher, counselor, and friend.

"One more year of climbing up and down these stairs will do me in for sure."

To The Students of Pell City High School:

I would like to congratulate the annual staff for the fine work you have done on this annual and for the business-like attitude you followed in developing this annual. I am sure all students of Pell City High School will be pleased with your fine work.

It is my desire that the attitudes you have developed and the training received while in Pell City High School will enable you to live life to the fullest every day. Each person must live his own life in his own way, but a religious belief will help to overcome the heartaches in life. I hope that each of you will develop a sincere faith in God and an abiding trust in mankind. May God's blessings and mercy surround you in whatever vocation you choose.
