Pell City High School

Pell City, Alabama

ALMA MATER

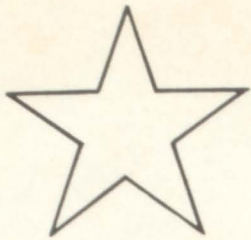

On the city's western border
Straight against the sky,
Proudly stands our Alma Mater
As the years go by.

Forward, ever, be our watchword!
Conquer and prevail!
Hail to thee, our Alma Mater,
P C H! .. All Hail!

Foreword

Bright as a galaxy of stars are the cherished memories of our Alma Mater. We have, therefore, used the star to symbolize the faintly-dimming past, the glimmering present and the shining future. The annual staff leads you through this year-book of memorable school activities through a pathway of stardust.

We extend our heartfelt thanks and deep appreciation to our photographer, Mr. Nick Cottis, and to our sponsor, Mrs. Whittle, for making another publication of the PELMEL possible.

Annual Aides

For years the North Star has been a guiding light; and no matter where one may be in our Northern Hemisphere, the direction north may be found by reference to the North Star. You, John C. Slovensky, have starred in such a role in our lives; therefore, to you, we humbly dedicate this edition of the PELMEL.

We, the class of '63, thank you for your sincere interest in our lives; for your search for the best in each of us and your insistence that we work toward a goal; for your ever-present smile and cheerful word as you hurry through our corridors; for the wisdom you impart in every facet of our lives; but, most of all, for being a friend in whom we can trust and confide -- a friend as dependable as the North Star.

Principal's Message

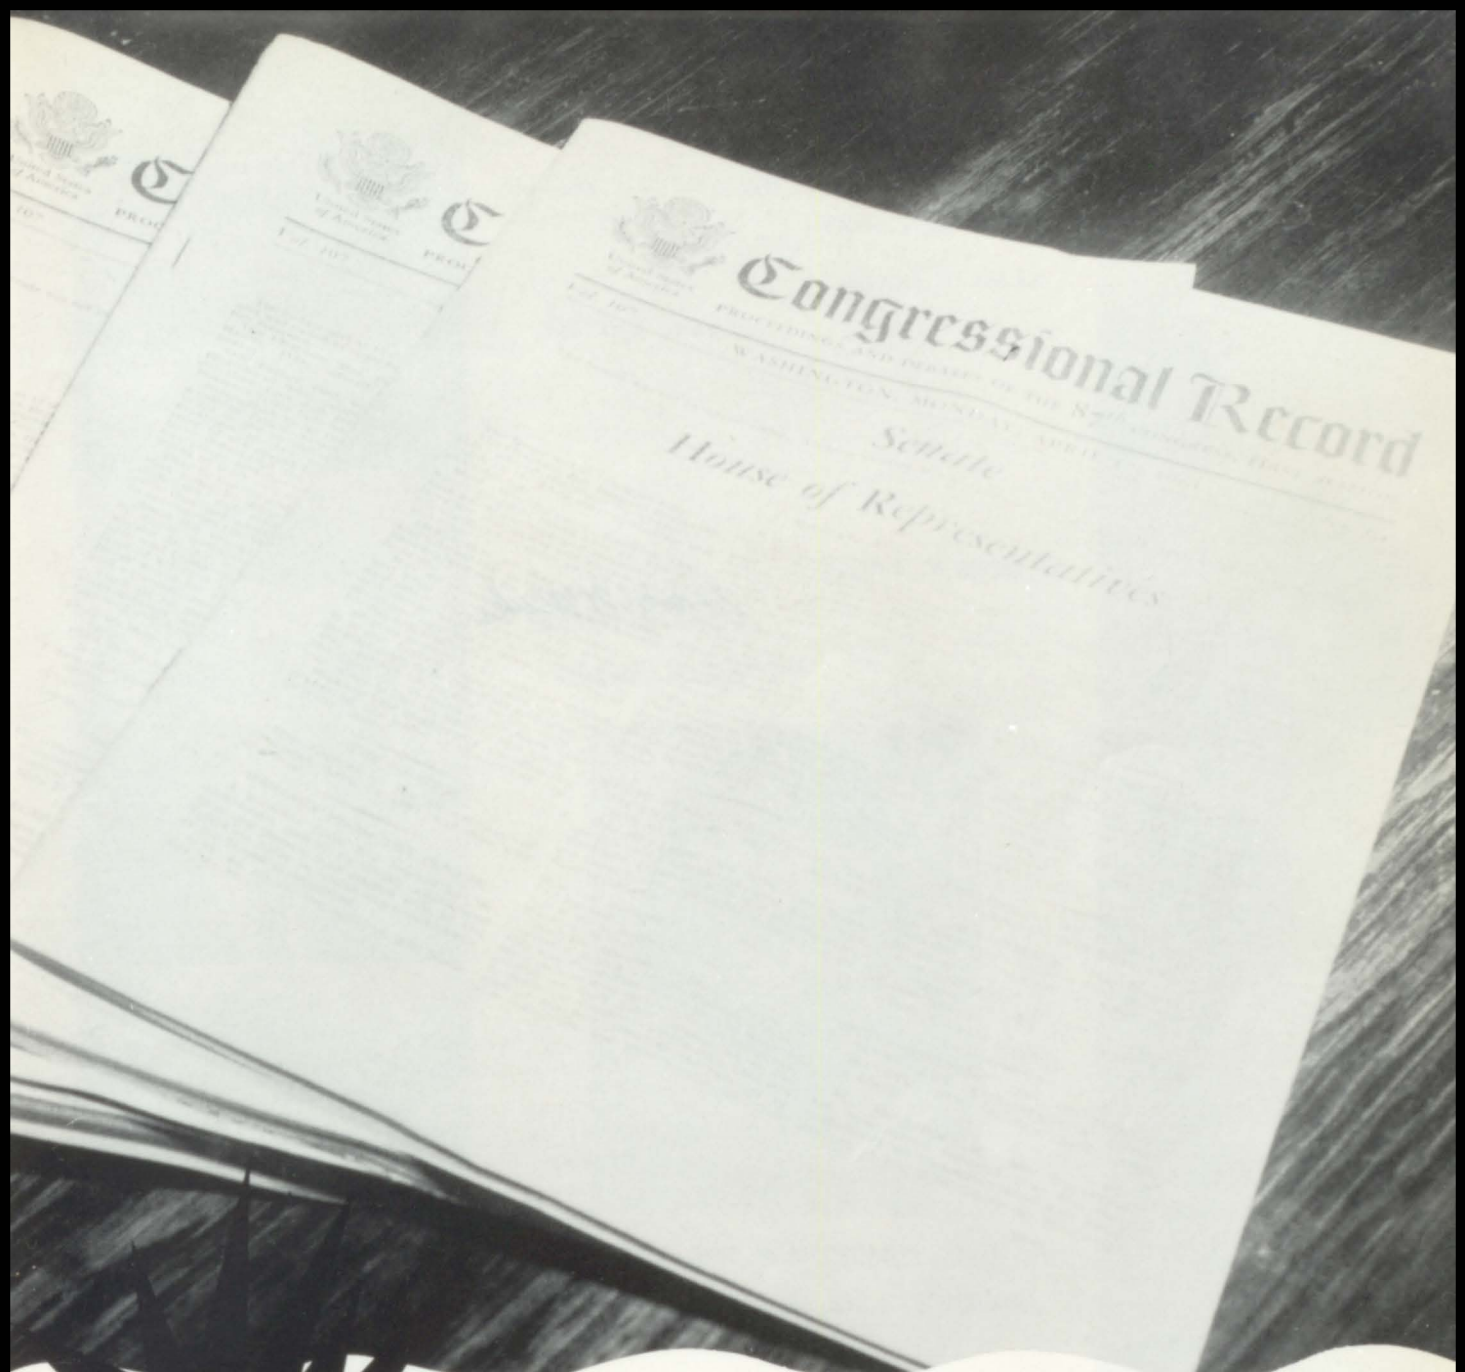

Dear Students,

For the past three years it has been my happy privilege to work with you in senior high school. During this time you and your parents have made sacrifices to keep you in school so that you might be able to meet a changing world and to adapt yourself to a changing world.

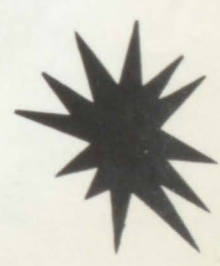

Education brings about self-realization and human dignity. To respect each other and to love God is the duty of every person. For the wonderful privilege of living in this age we should be thankful to God and should seek His guidance in our lives. May joy, peace, and happiness be with you every day you live.

For this wonderful P E L M E L we are deeply grateful to our annual staff.

Student Council President

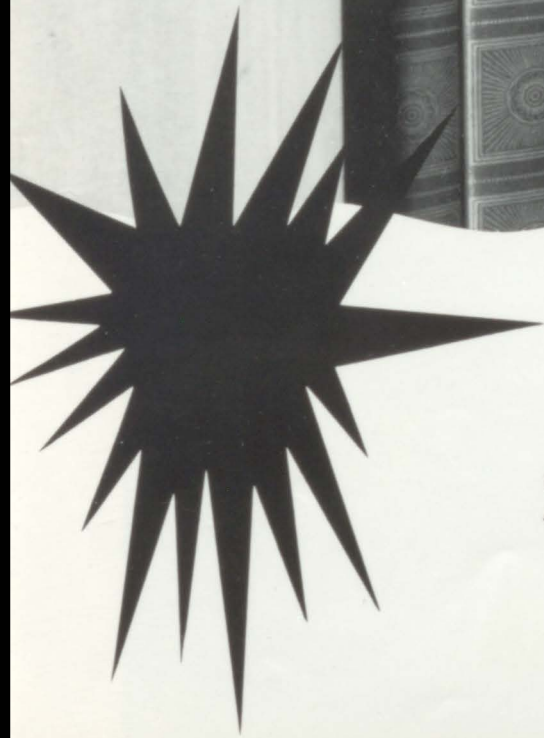

Dear friends, fellow students, and classmates,

During the past year I have had many memorable experiences serving as President of the Student Council. We have had wonderful co-operation from everyone connected with the school. Both the faculty and the student body have been inspiring in their attitude toward the projects of the school.

With the experience I have gained I know I can face the future better prepared for whatever is before me. I want to express my appreciation to everyone, for making this a happy and enjoyable year.
