

The image features a dark, textured background with intricate embossed patterns. On the left, there is a large, wavy, wood-grain-like texture. In the upper right, a decorative frame contains the year '1964' in a stylized, gold-colored font. Below the frame, there are embossed symbols of education: a graduation cap (mortarboard) and a rolled-up diploma tied with a ribbon. At the top center, there is an embossed vase or trophy. The overall design is elegant and celebratory.

#### FOREWORD

The 1964 PELMEL is a lasting tribute to our Alma Mater. The aim of the staff in the publication of this yearbook is to present a picture of our school activities, both regular and extra-curricular--classwork, club activities and sports--a story told in pictures of our work, our play, and our beliefs -- a story of a school dedicated to an intangible ideal that tomorrow's achievements are built on today's accomplishments. Thus we salute our school.

# Principal's Message

It has been a pleasure for me to work with you, the students of Pell City High School, this past year. You have worked diligently and have responded in an excellent manner to our total school program.

Your education at Pell City High School is a continuation of stepping stones to your future. As you continue your education, whether formal or informal, let me urge you to seek the truth, and to strive to exemplify high morals which will enable you to live a rich and useful life.

Roy E. Mann, Principal

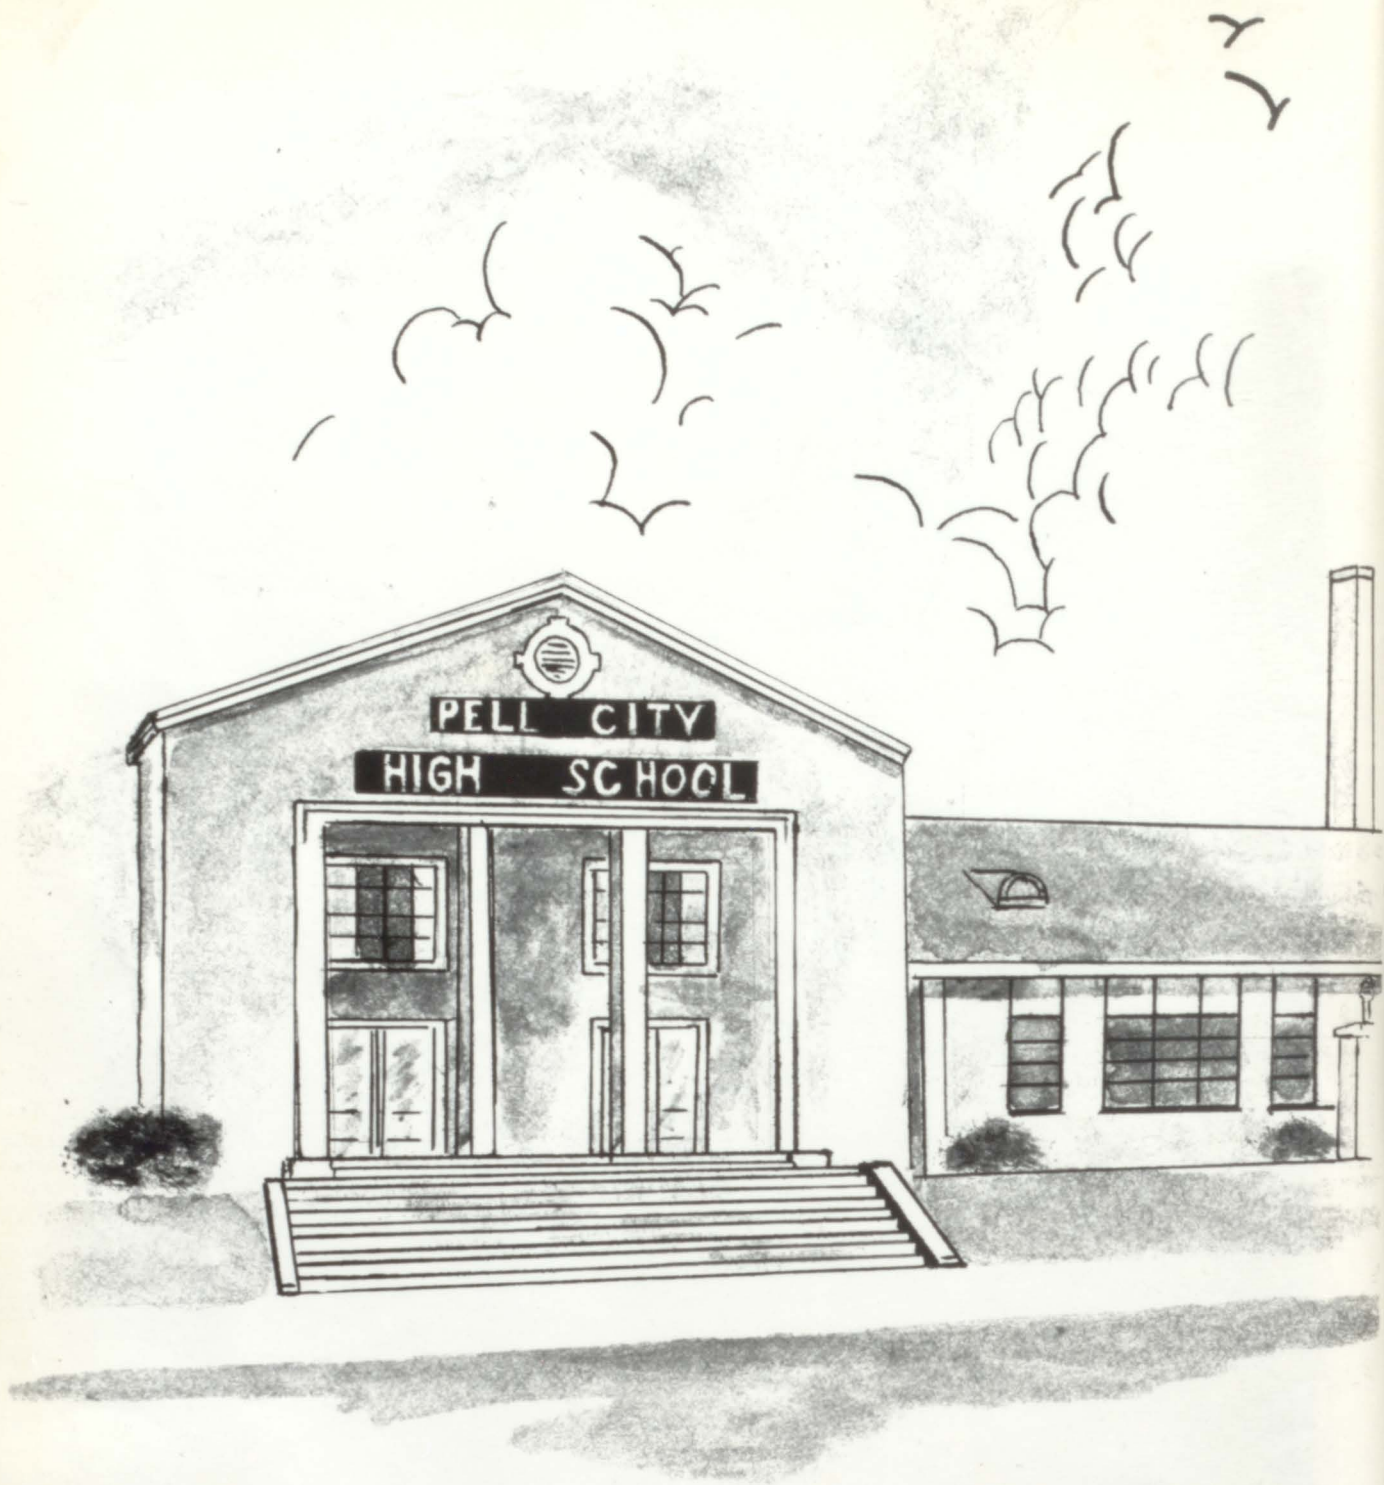

Jerry, you  
have been an  
inspiration. I have  
no doubt that your  
future will be filled  
I have only the confidence in your  
capabilities. Always in your friend  
Jaye Whittle

During the past two years there have been many times when we have needed help and guidance. It was during these times that we found we could always depend on Mrs. Whittle. Whenever we have needed advice she could always be counted on to give us wise counsel and the answers to our questions. She has taught us good citizenship, respect, and honor in addition to helping us gain unity as a class.

To you, Mrs. Whittle, we, the class of 1964, dedicate the PELMEL, in return for the priceless gifts of knowledge and inspiration you have bestowed upon us.

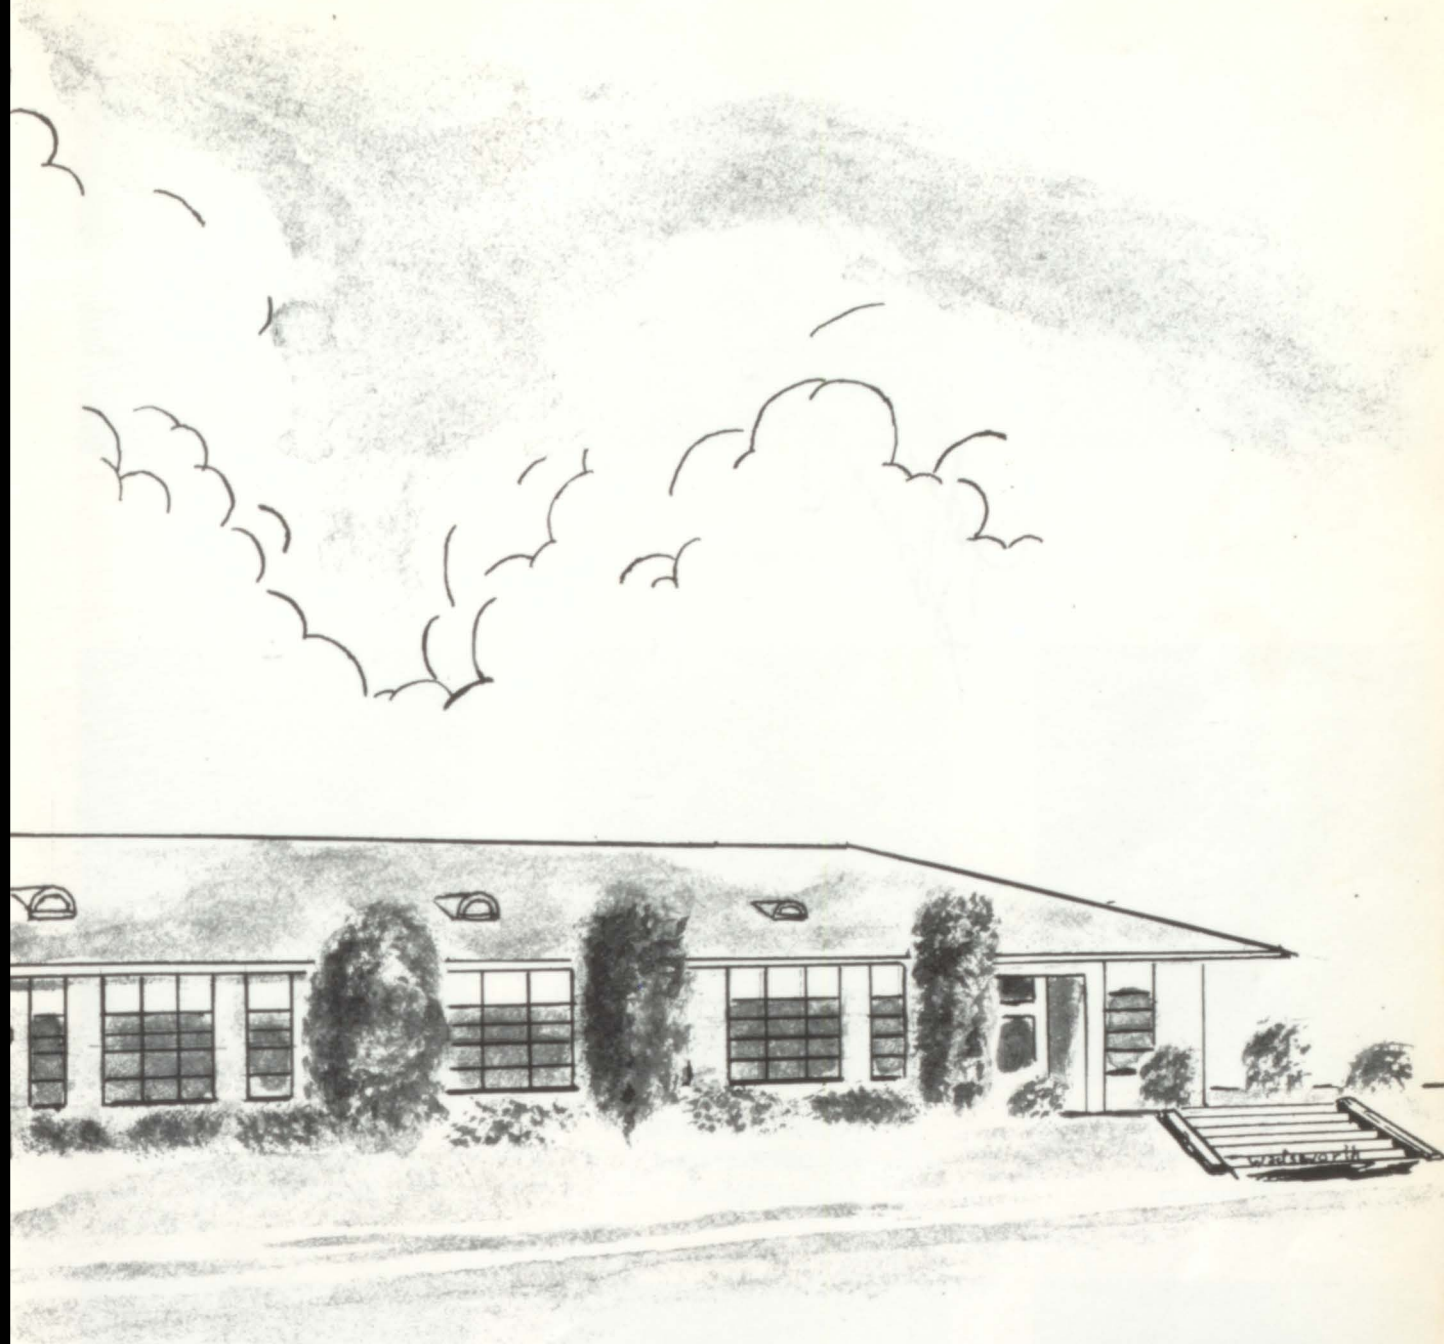

The PELMEL staff deeply expresses their gratitude for the guidance and support you have given, making this edition of the PELMEL possible.
