# In Memoriam

COACH ALEC WATSON

Many persons come and pass by, yet few have a profound effect on those around. A quiet serenity within his circle, Coach Watson taught by example and deed that which he believed to be real to human nature. To GIVE and to BE INVOLVED was just as much a part of his life as breathing is to existence. The battle of life was lost but NOT his example to students and peers because he truly lived the game of life, proving "It matters not if we win or lose but how we play the game." (Grantland Rice)

To search our feeling and acknowledge sorrow, truly it was better to have known both the sorrow and the loss than never to have known Coach Watson.

 Vice-President: Joe Paul Abbott  
 Secretary: Loo Scott  
 Treasurer: Susan Lonergan  
 (Not shown)

Student Council Officers are active in more ways than Student Government activities. Danny Howell, President, and Joe Paul Abbott, Vice-President, were active in football; Loo Scott, Secretary, among other activities was a majorette; while Susan Lonergan, Treasurer, was a member of the color guard and also a candidate for Miss Homecoming.

The Student Council was instrumental in spearheading the youth activities for the St. Clair County Cripple Children's Drive.

#### DAYS OF HAPPINESS AND PRIDE

In February the Band played before judges at Gadsden State Junior College where they received three "yeses" for an excellent performance which made them eligible for state competition. On Thursday, April 15, they went to Tuscaloosa where they competed for honors against other district winners from across the state. The Pell City High School Band received a rating of "Two" which is an excellent rating. Here the band is shown in one of many rehearsals.

## Senior Favorites

JUDY HENDERSON, ROBERT CULPEPPER

The PELMEL Staff is sorry that lack of space prevents having pictures of the track and golf teams and the awards won by our players. However, we are proud to list the accomplishments.

In their first meet the track team came in third. Reggie Peavy placed first in the broad jump, jumping 21' 7 1/2". Reggie also placed third in the 440 dash. Placing fourth in the 440 was Donald Allen. In the 100 yard dash, Reggie and Terry Young placed first and second, respectively, and in the 220 it was Reggie and Terry again.

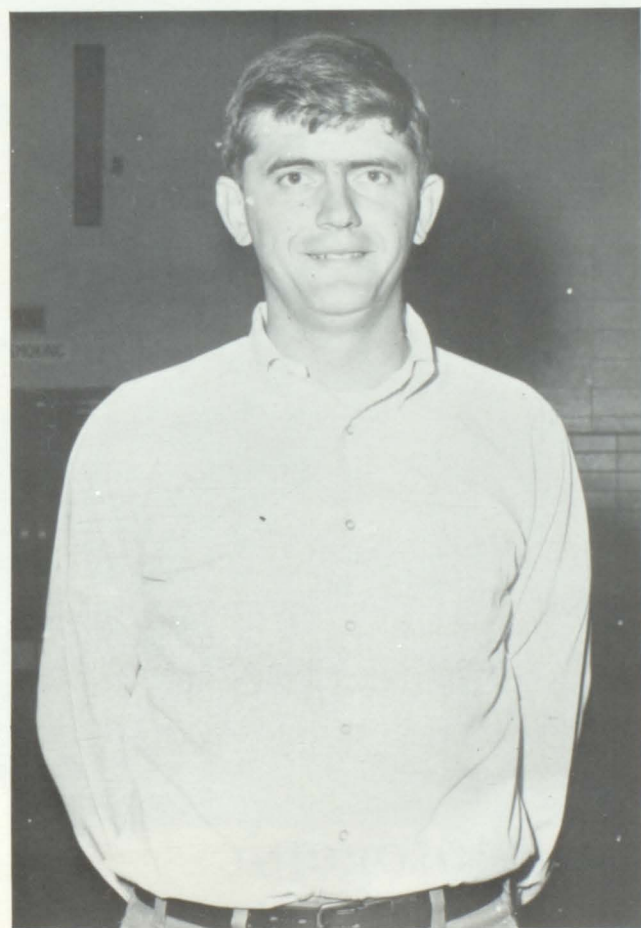

Running in the two-mile division, Lynn Taylor placed fourth. Reggie also placed second in the 180-yard low-hurdle division.

On April 14th another meet was scheduled. Reggie won first in the 100-yard dash and 220-yard run and placed second in the broad jump. The team won first place in the 880-yard relay, second place in the 440-yard relay, second and fourth in the low hurdles. Don Pike also won fourth place in the mile-run.

Other members of the track team are Don Pike, Ricky Ensley, Gene Smith, Gaston Williamson, Ronnie Roberts, Mike Utter, and Charles Baggett. The team is coached by Mr. Mason.

The golf team consisted of Marx Henderson, Steve Sutherlin, Al Jordan, Keith Kilgroe, and John Haynes. The team beat Childersburg High School team twice. The golf team is coached by Mr. Pate.

Tressa Hampton

Loo Scott and Clarke Skelton were selected by secret vote of the Faculty to attend the Alabama Conference on Citizenship in Montgomery. Circuit Judge, Richard Emmette, and Chairman of the Joint Chief's of Staff, Admiral Thomas, were speakers.

Reggie Peavy, Danny Howell, Pete Yates, and Mr. Cooper proudly display the new flag to fly on PCHS ground. This flag, which has flown over the United States Capitol, was received through the courtesy of the Honorable John H. Buchanan, Jr., and the efforts of Mr. Cooper and the American History classes.

# A JOB WITH AVONDALE IS A SPECIAL JOB

(This editorial was written by J. Craig Smith, president of our company, for the Avondale Sun. We believe you will agree that a job with Avondale has much to offer if you are now ready to enter the business world.)

\*\*\*

A job with Avondale is a special job. The people who do these jobs are special people. There is no doubt in my mind as to the accuracy of both of these statements. These are some of the reasons. I list the first three in the order of their importance.

(1) Every member of our Retirement Trust has a vested interest in his or her job. This means that the individual cannot be involuntarily and permanently separated without adequate and provable cause. I am the one who must finally say whether the cause is adequate and provable. We also have an established and workable procedure which permits and encourages any individual who thinks he has been treated unfairly to bring the matter to my attention. It has been my policy in the past, and I will continue in the future, to resolve all reasonable doubt in favor of the individual. We have a degree of job security here second to none.

(2) We have agreed to pay the "going wage" in the industry for each job. After we have paid the going wage and met the other expenses of doing business, we set aside 5 per cent on the stockholders' investment. Anything we earn above 5 per cent, we divide half and half between the company and the members of the Retirement Trust. The part of our profits which has gone to members of the Retirement Trust since our profit-sharing plan started totals \$46,652,628, not counting the profit-sharing distribution which will be made for our year which will end August 31. In most years, this plan has resulted in our individual earnings being higher than those of any other textile employees in the world.

(3) We have a pension plan which provides that those persons who have been with the company twenty con-

tinuous years or longer and who are still with the company when they reach age sixty-five can retire on 50 per cent of their ending pay, including basic Social Security and the annuity purchased by our deferred profit-sharing fund. Most hourly paid individuals who retire under this program will get more than 50 per cent. If we can continue to add to our deferred profit-sharing fund, they will get substantially more. As long as the pension plan 1 is in effect, they cannot get less than 50 per cent unless they choose a plan that may make some payment to their beneficiaries or unless they choose early retirement.

(4) We have a vacation-with-pay program which provides that Retirement Trust members with 1 service unit through 3 service units receive 2 per cent of their total earnings as vacation pay. Members with 4 service units through 18 service units receive 4 per cent. Members with 19 or more service units receive 6 per cent. This plan applies to hourly paid personnel only. Those on the salary roll receive an equivalent amount of time off.

(5) Avondale has six paid holidays for members of the Retirement Trust. These are the individual's birthday, July 4, Labor Day, Thanksgiving, Christmas, and New Year's.

(6) Avondale Retirement Trust members receive full pay while serving on a jury, without deduction for the jury pay.

(7) Avondale has a group hospital and surgical insurance policy, a substantial part of the expense of which is paid by the company.

(8) The various mills close at staggered times during the summer so that the largest number of people may use Camp Helen, near Panama City on the Gulf coast. The charge that is made for the use of the camp covers a part of the expense of operation.
