

73

PELMEL

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial statements. This includes not only sales and purchases but also expenses, income, and transfers between accounts.

The second part of the document provides a detailed breakdown of the accounting cycle. It outlines the ten steps involved in the process, from identifying the accounting entity to preparing financial statements. Each step is explained in detail, with examples provided to illustrate the concepts.

The third part of the document focuses on the classification of accounts. It discusses the different types of accounts, such as assets, liabilities, equity, revenue, and expense accounts, and how they are used to record and summarize business transactions.

The fourth part of the document covers the process of journalizing and posting. It explains how transactions are recorded in the journal and then posted to the ledger accounts. This process is essential for maintaining the double-entry system and ensuring that the books are balanced.

The fifth part of the document discusses the preparation of financial statements. It outlines the steps involved in calculating the net income, preparing the income statement, balance sheet, and statement of cash flows. It also discusses the importance of these statements in providing a clear picture of the company's financial performance.

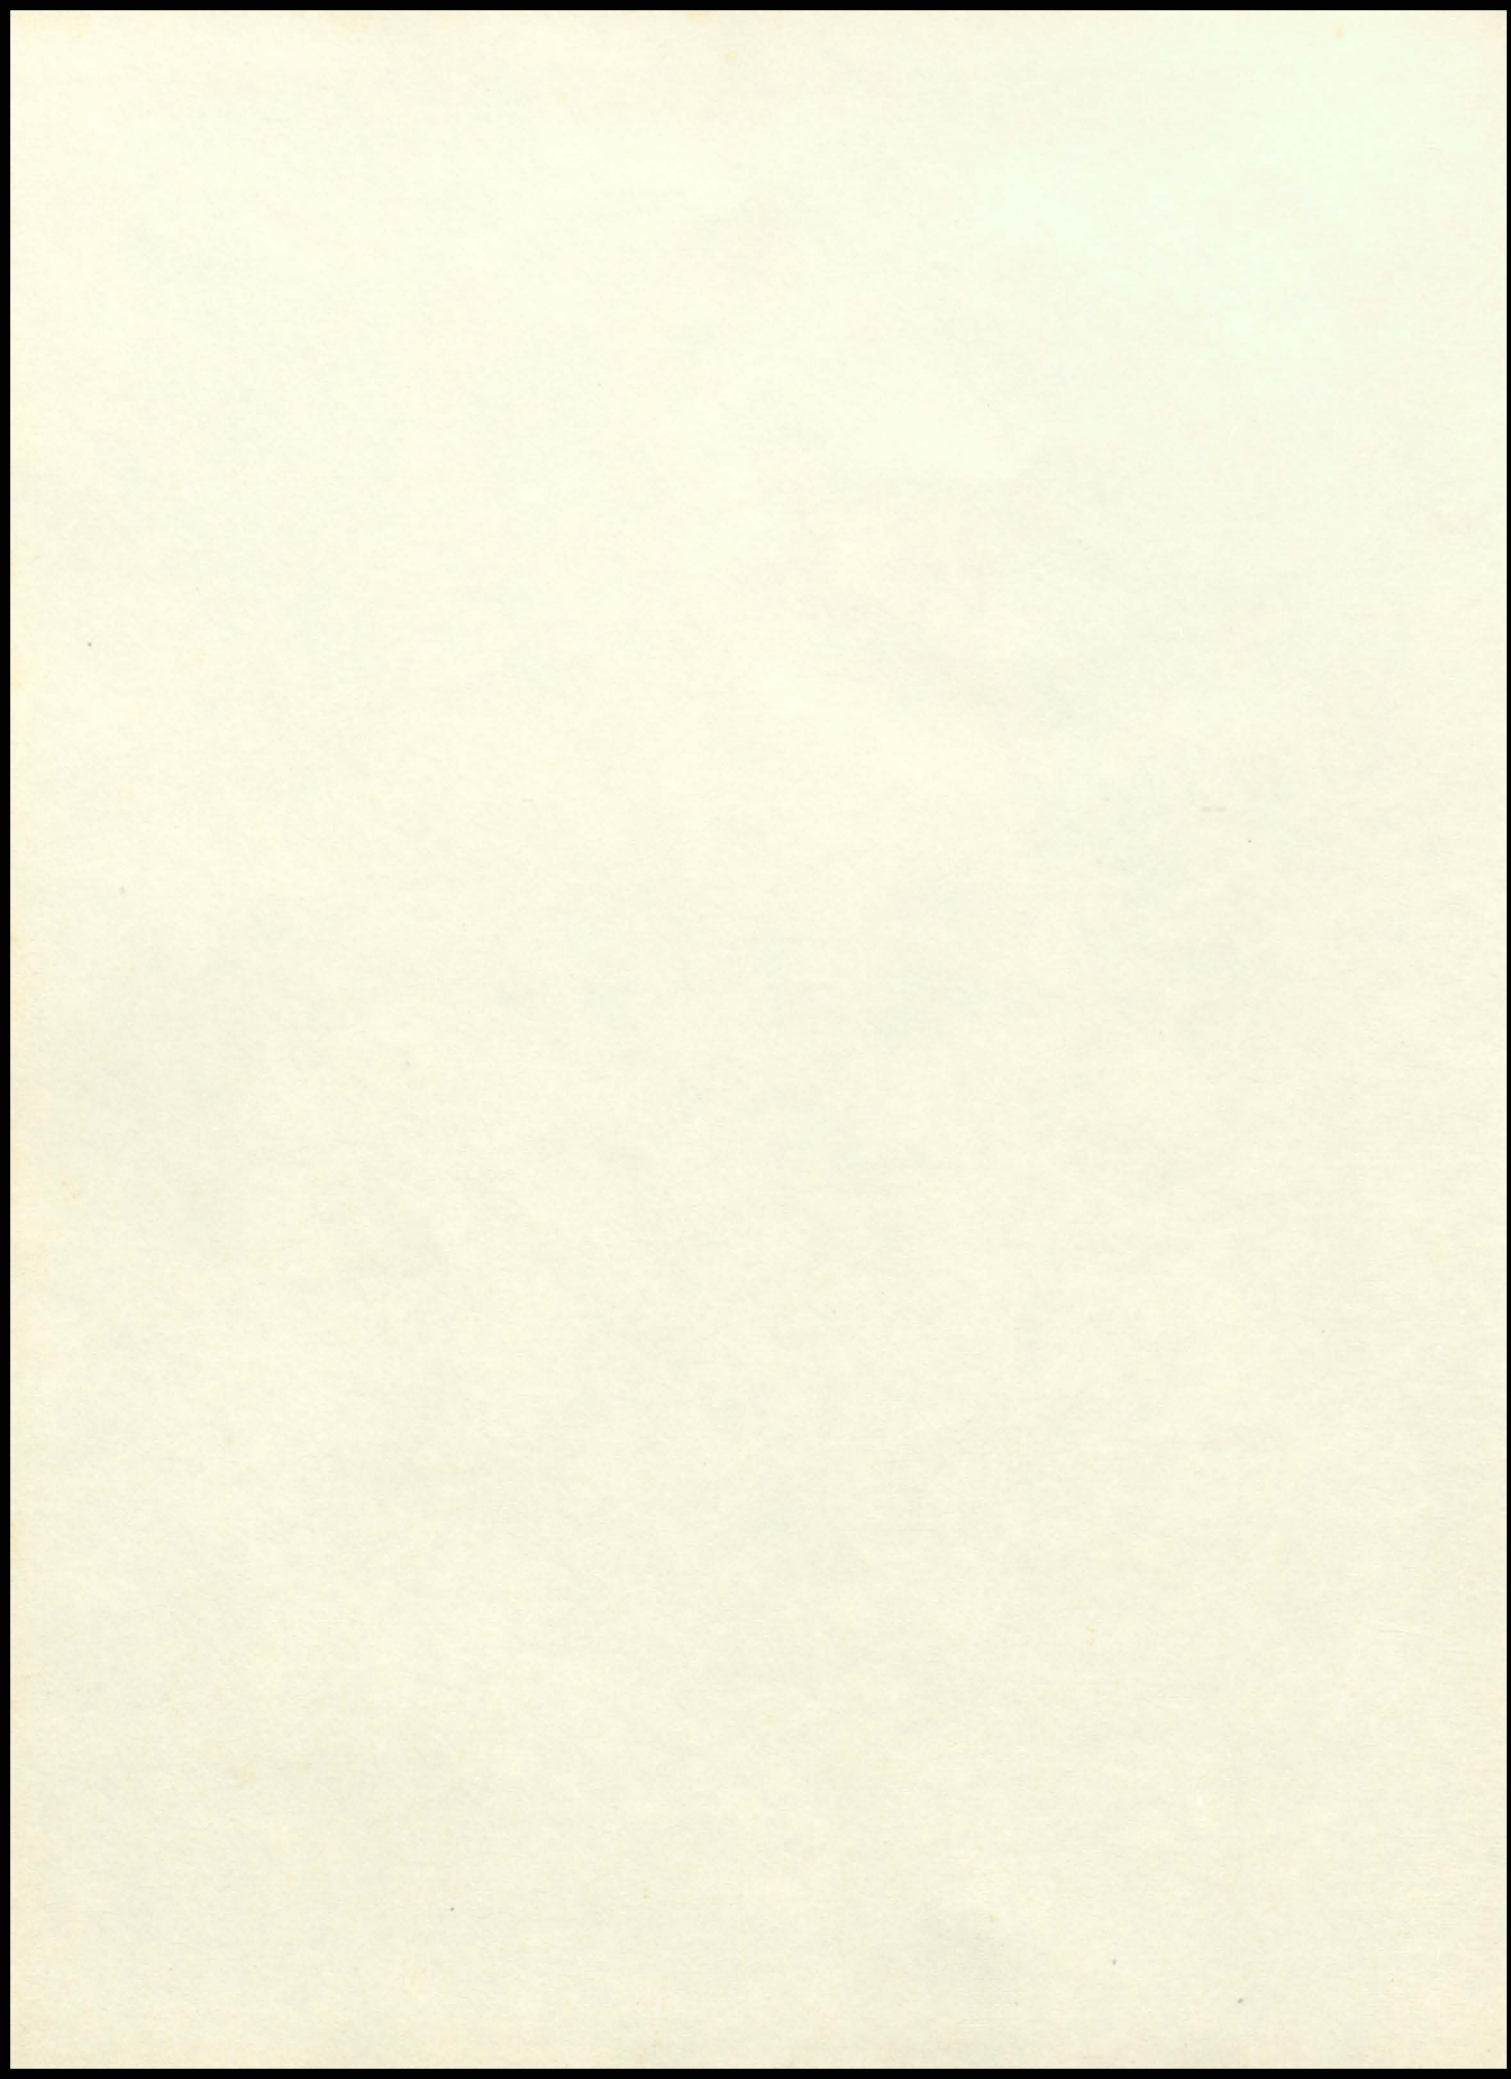

The sixth part of the document covers the closing process. It explains how the temporary accounts (revenue, expense, and dividend) are closed to the permanent accounts (assets, liabilities, and equity) at the end of the accounting period. This process is necessary to reset the temporary accounts for the next period and to update the equity account.

The seventh part of the document discusses the use of adjusting entries. It explains how these entries are used to record accruals, deferrals, and other adjustments that are necessary to ensure that the financial statements are accurate and comply with the matching principle.

The eighth part of the document covers the use of T-accounts. It explains how T-accounts are used to visualize the debits and credits for each account and to ensure that the books are balanced. This tool is particularly useful for identifying errors and understanding the flow of transactions.

The ninth part of the document discusses the importance of internal controls. It outlines the various measures that can be taken to prevent and detect errors and fraud, such as segregation of duties, authorization, and regular audits.

The tenth part of the document covers the use of spreadsheets in accounting. It discusses how spreadsheets can be used to automate many of the accounting processes, such as journalizing, posting, and preparing financial statements. This can significantly reduce the time and effort required to maintain the books.

This Is Our Story . . .

THE 1973 PELMEL

*Pell City High School
Pell City, Alabama*

ROY E. MANN, Principal

TROY J. TAYLOR, Assistant Principal

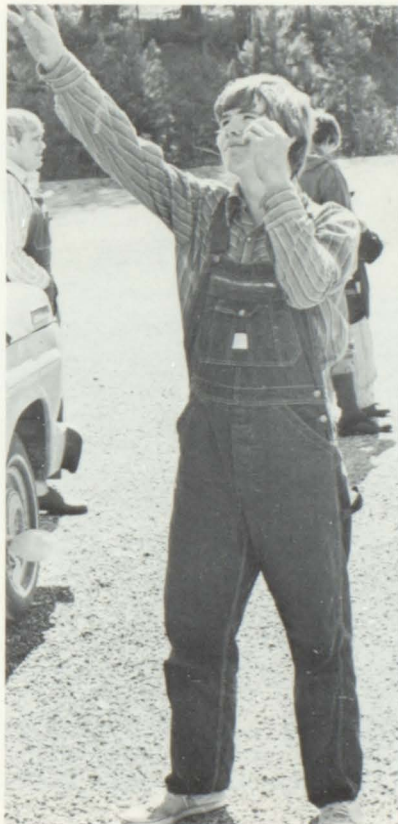

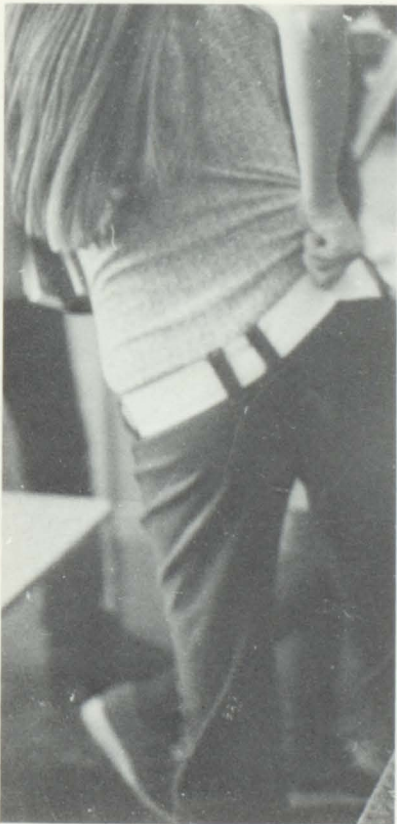

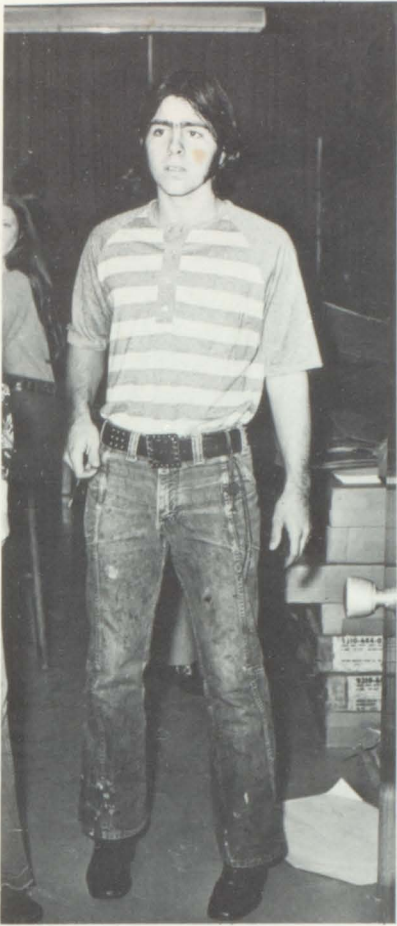

Co-Editors: WANDA SKELTON
WANDA CASTLEBERRY

Sponsor: FAYE WHITTLE

Fads — 1973

Fashion has really changed! Everything from hair styles to clunky shoes is seen around here. Smocks, toboggans, blue jeans, patches, and baggies! Wow! We got it all together!

Registration

The day arrived! Registration was the signal for the beginning of school and with it came the usual mixed emotions - grief for the end of the summer, joy for the reunion of friends, and anticipation for a brand new school year!

and Opening Days

*The Heat and Monotony of
Summer's End*

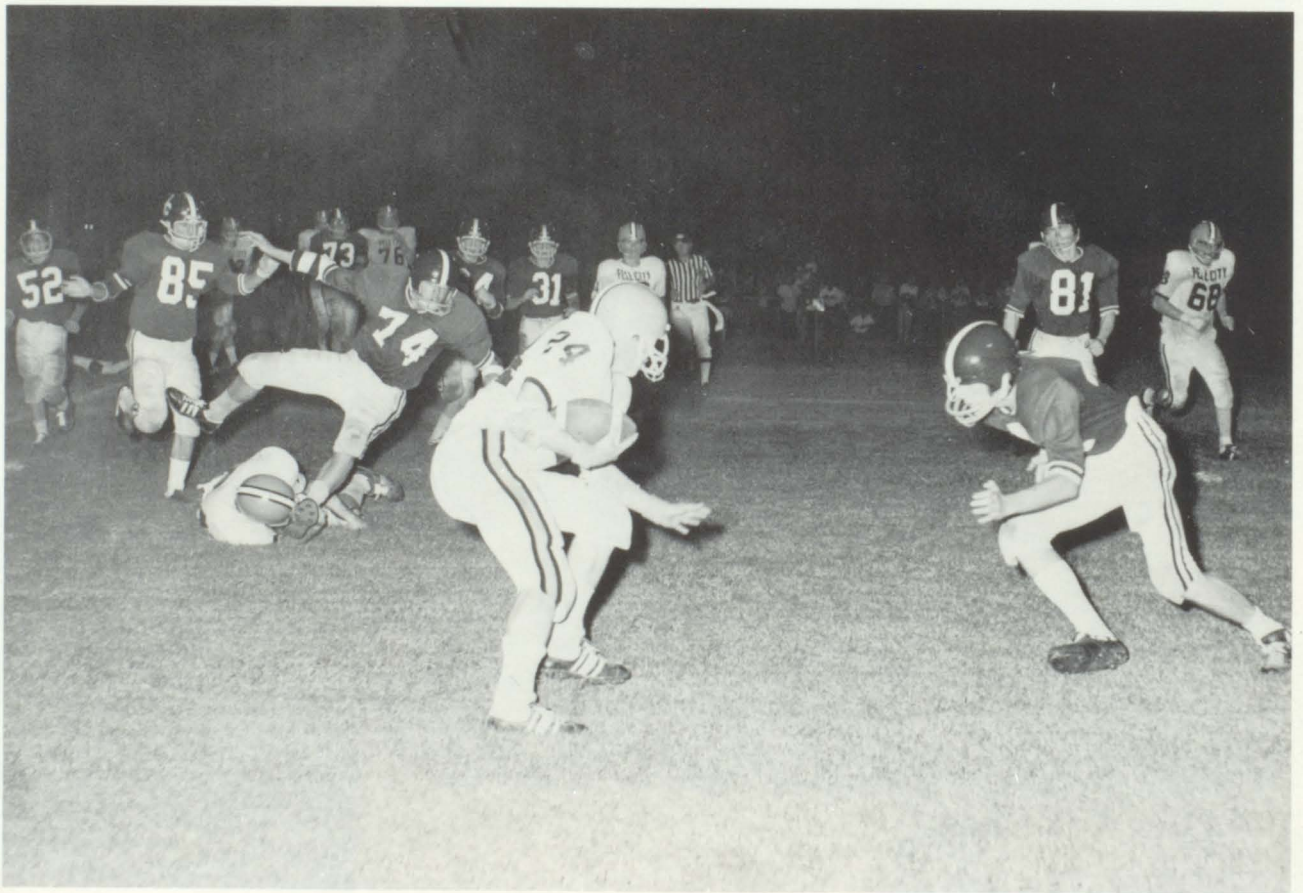

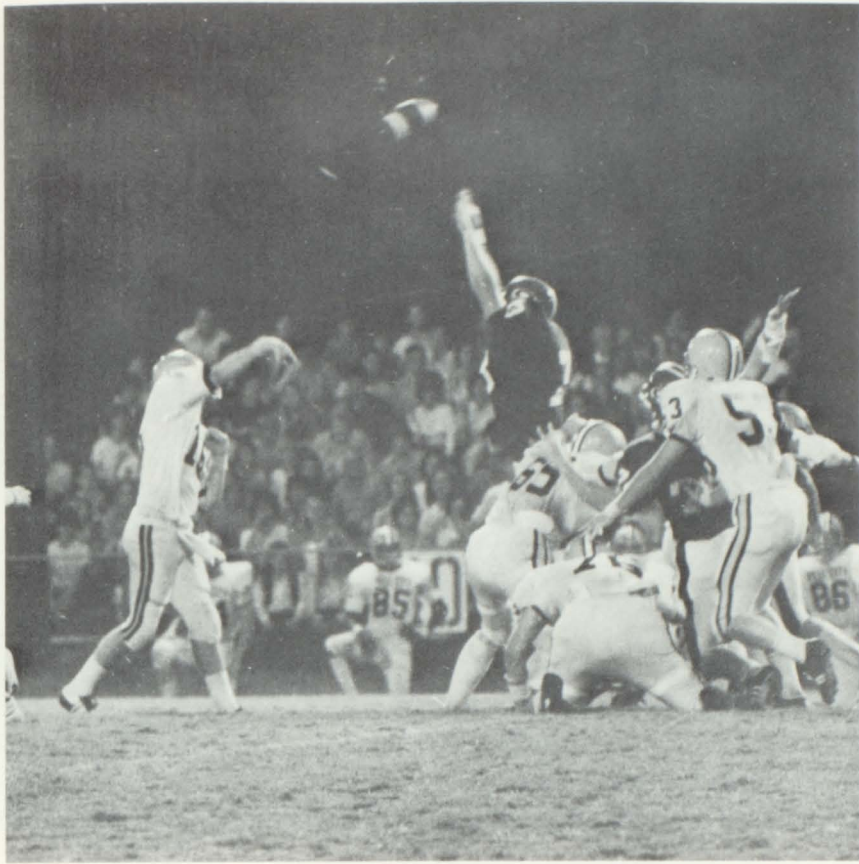

*Familiar Teachers and Break —
— School Has Started Again!*

Odenville 40-18

The 1972 season started out great with the Panthers winning their first game at Odenville. David Ledlow, Lawson Bradshaw, Tim Coshatt, and Kerry Joe Foster made one touchdown each, with Milton Fomby making two. This opening win had everyone looking forward to a great season.

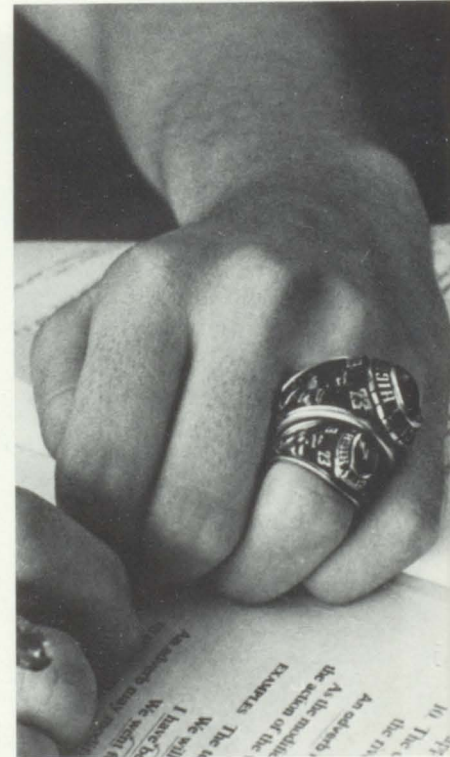

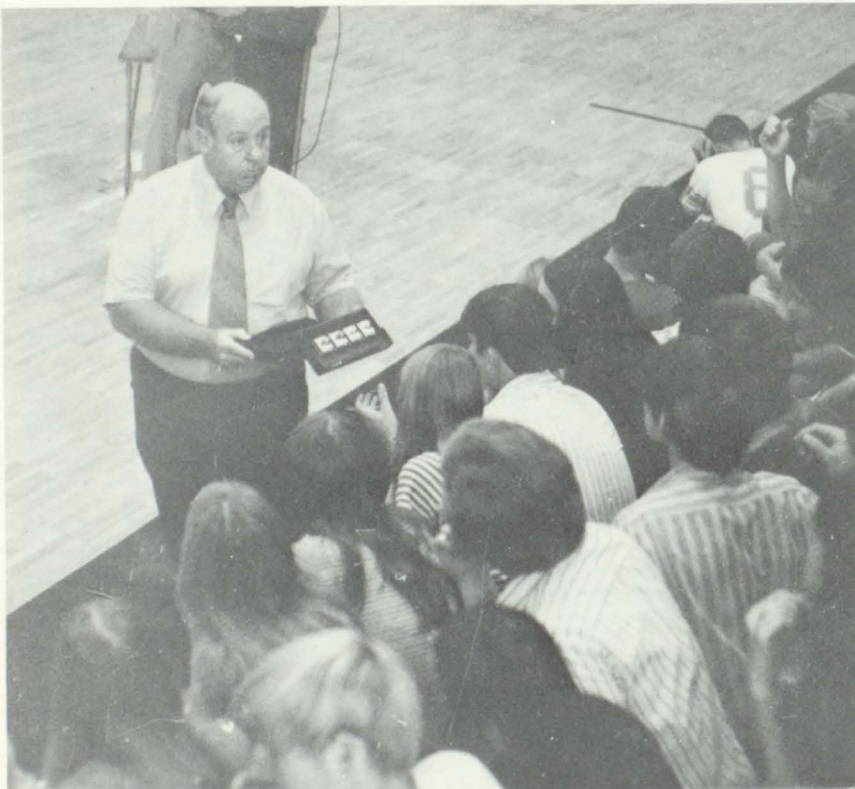

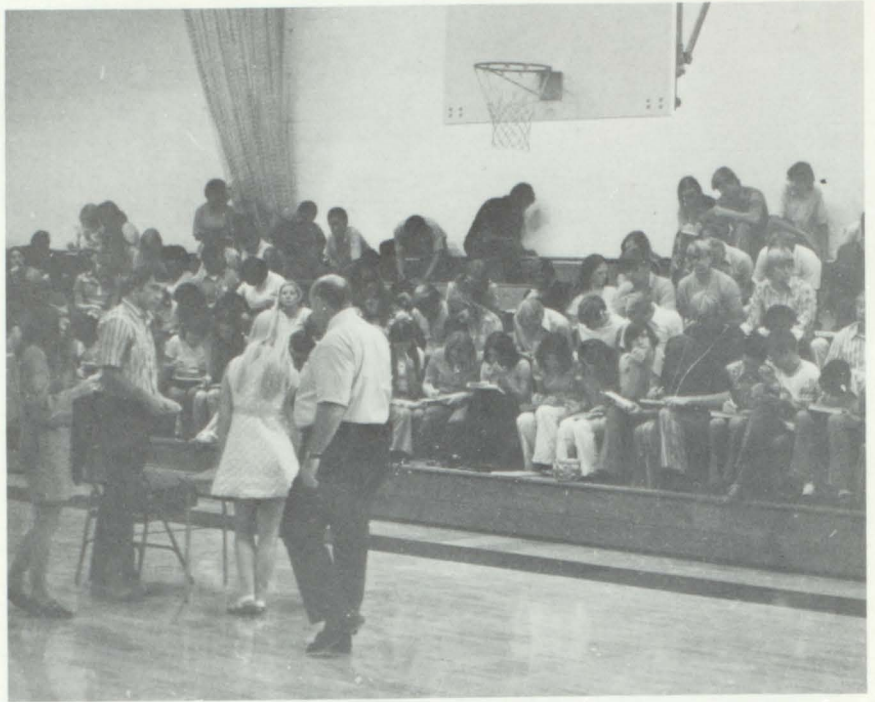

Sylacauga
0-13

This year the Panthers met the Aggies in Aggie territory. They put up a good fight, but Fate seemed against them as they could not place the ball over the goal line. The defense held the line well and the game ended with a score of 0-13.

September 12, 1973

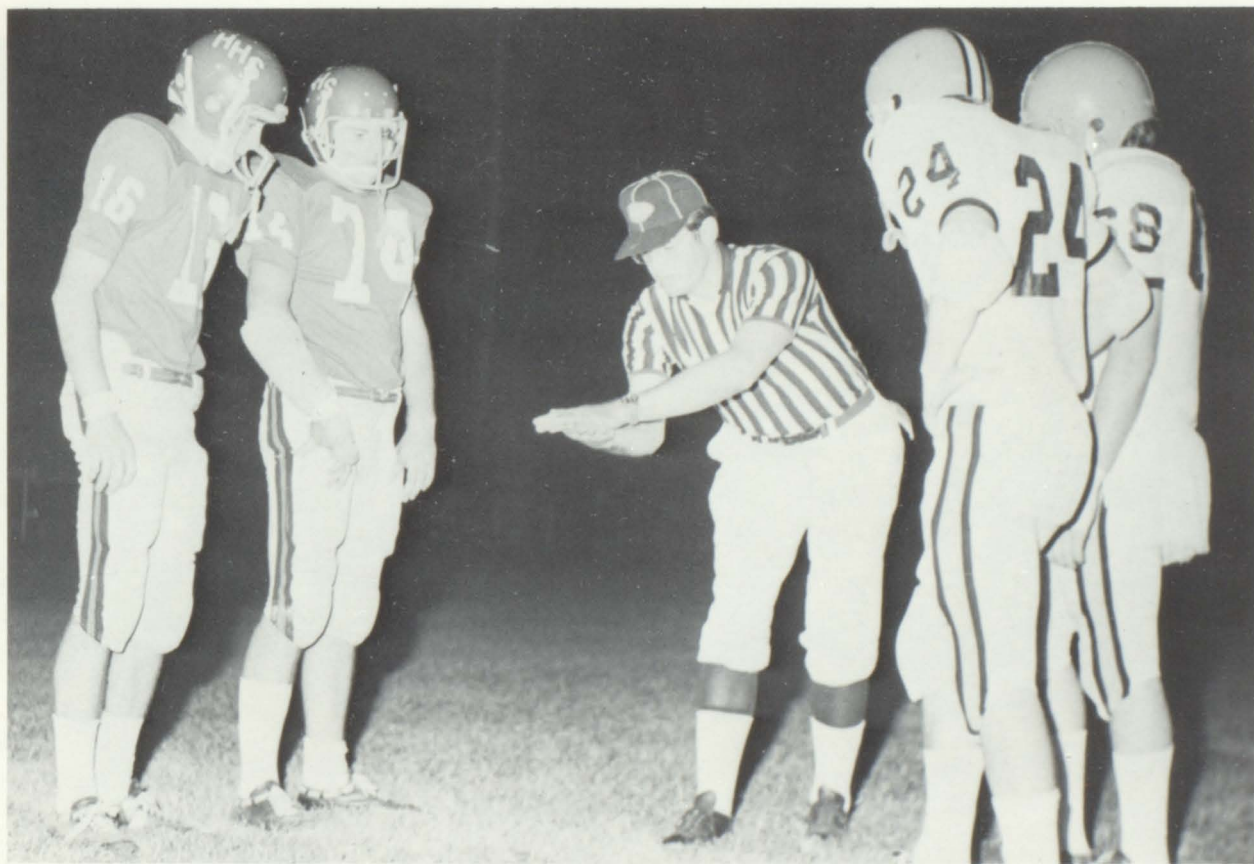

Like any ordinary day but very special to the junior class! We finally got to order our senior rings! There were so many styles that it was hard to choose, but everyone eventually had to. We could really feel the years that day - just ONE more to go!

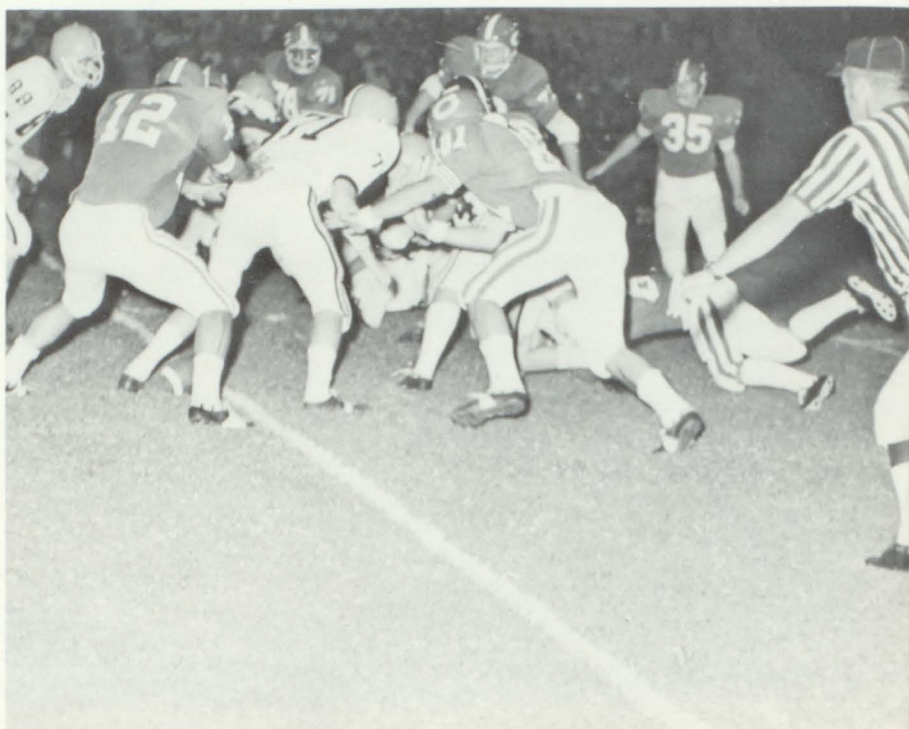

Roanoke
19-6

The Panther's first home game proved to be exciting as the Panthers came out on top with a 15 point lead. The ball was carried over the goal line once by Coshatt and twice by Fomby.

Childersburg 12-6

Pell City High journeyed to Childersburg to put up a furious fight. It was a tie game with Ledlow scoring the first Pell City touchdown. Everyone was on edge. - With only 4 seconds left on the clock, Childersburg was within field goal range. Pell City rushed their attempt and blocked it. Then, out of nowhere, came Russ Cox with the ball, carrying it 90 yards for the winning touchdown! What a way to end a ballgame!

*Give
A
Hoot—*

*Don't
Pollute!*

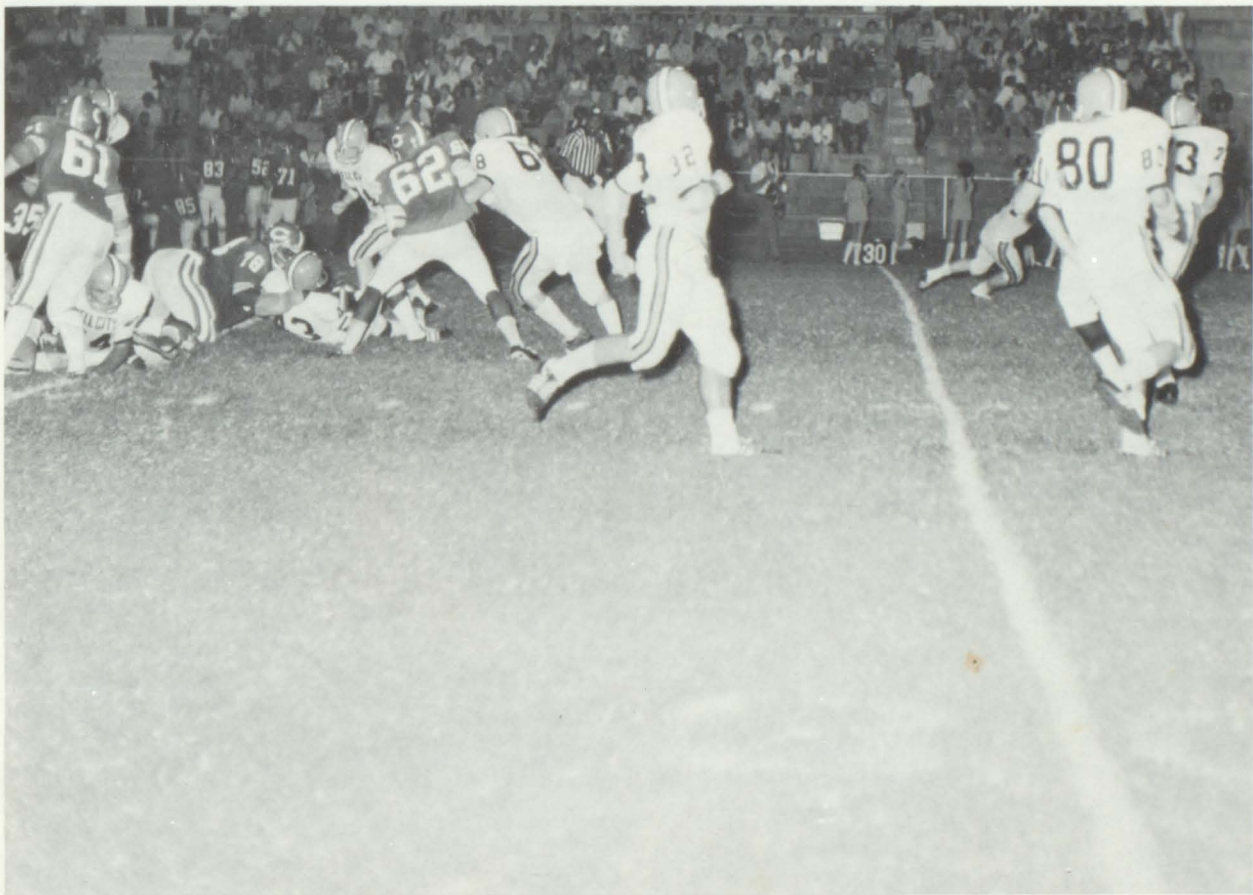

Remember the chaos and bewilderment caused by the photographer not showing up the day club pictures were to be made??? However, the photographer, Chris Perry, did show up in time to take football, cheerleader, and band pictures. There had been a mix-up in the days the pictures were to be made. So everyone went home and washed out their best clothes to wear again the next day! Oh well - THAT'S LIFE!!!

Lincoln 31-35

Because of the rivalry between Pell City High School and Lincoln, the game was very exciting. Pell City came into the game ready to win but fought to no avail as Lincoln came out on top, 35-31. Scoring for Pell City were Tim Coshatt with 2 touchdowns and Milton Fomby with 3.

B.B. Comer
6-13

When Pell City met B. B. Comer on home territory, it seemed as if nothing could stop them. The Panthers put up a good fight, with Kerry Joe Foster making the only Pell City touchdown. However, Comer managed to come out on top with a score of 13-6.

*Miss
Homecoming*

SHEILA GOLDEN

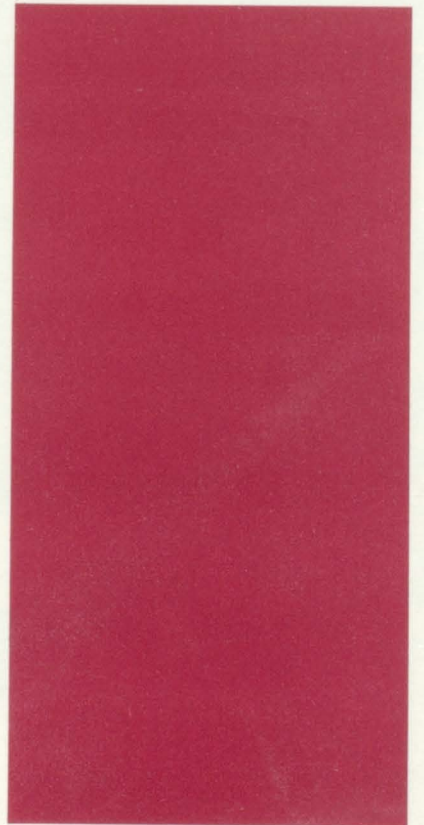

Winning float
Junior Class

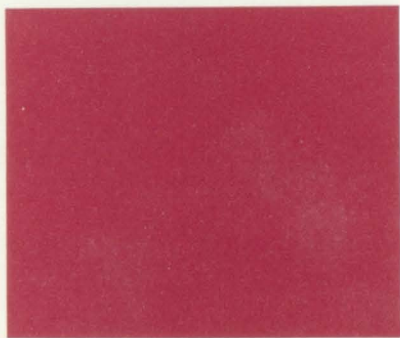

*Homecoming
Scenes*

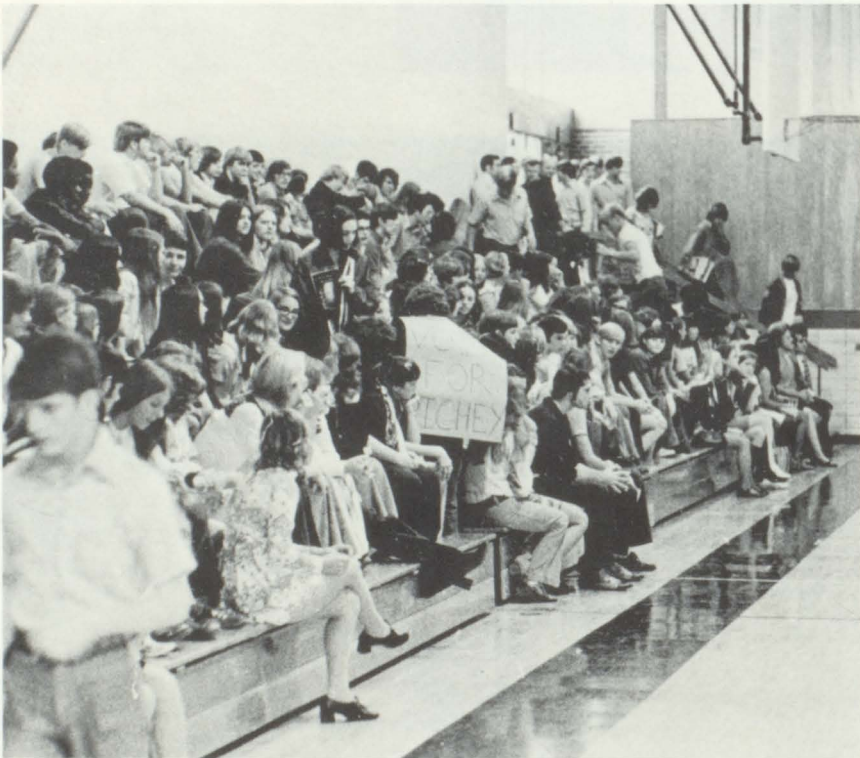

Rita Andrews and Brenda McCoy, Miss Homecoming alternates, added loveliness and charm to the Homecoming Parade. The Senior float with the slogan, "Kills 'Em Dead," won second place in the float contest, and the Sophomore float with the slogan, "Teeing Off To A Victory," won the third place honor. The Sophomore float, was appropriately dedicated to the memory of Frankie Funderburg who left inspiring impact on his class and the school as a whole.

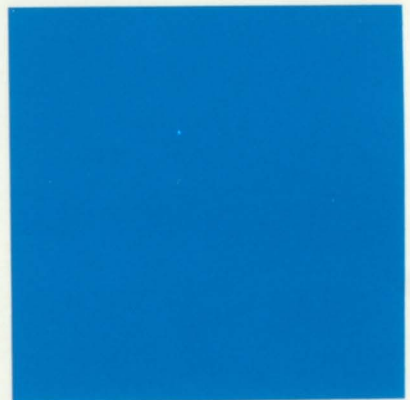

Lovely contestants, adoring supporters, excited students, and onlooking spectators add to the festive spirit of Homecoming.

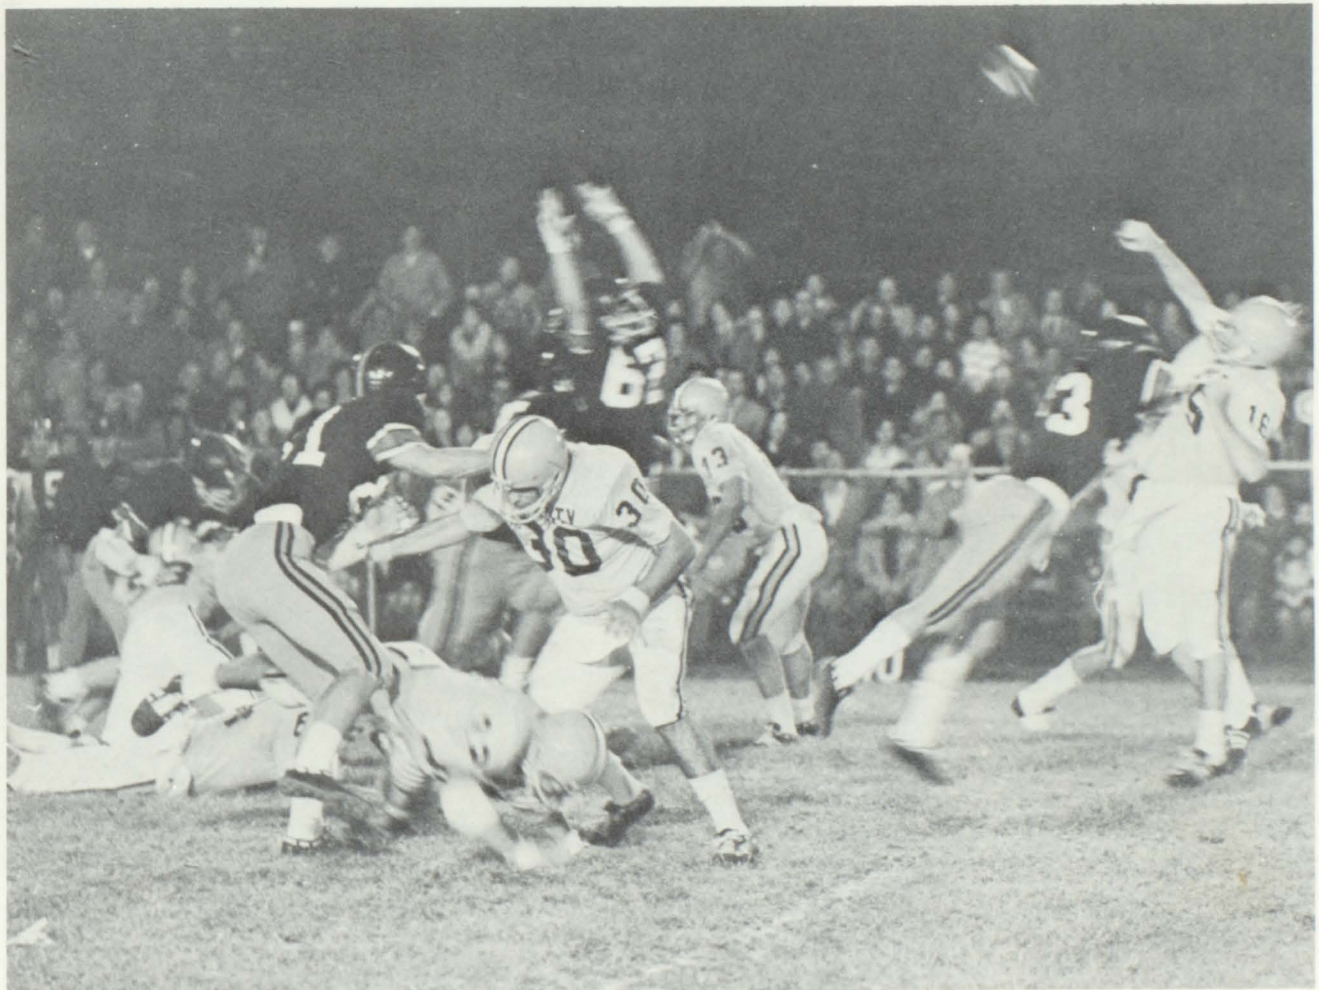

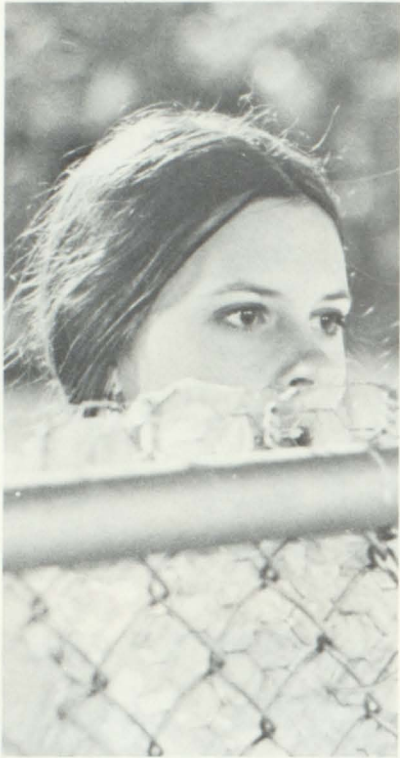

Oxford *0-25*

The Pell City Panthers faced one of their toughest opponents for their Homecoming game. During the first quarter, it looked as though the Panthers were going to be able to hold the Yellow Jackets, when neither team could put a score on the board. Then in the second quarter, the Jackets were able to put a score on the board twice and led 13-0 at the half. The third quarter looked much like the first quarter but late in the third quarter, Mike Henley went over once again for another touchdown. The Jackets scored again in the fourth quarter. The Panthers never gave up, but the clock ran out with the score 25-0 in favor of Oxford.

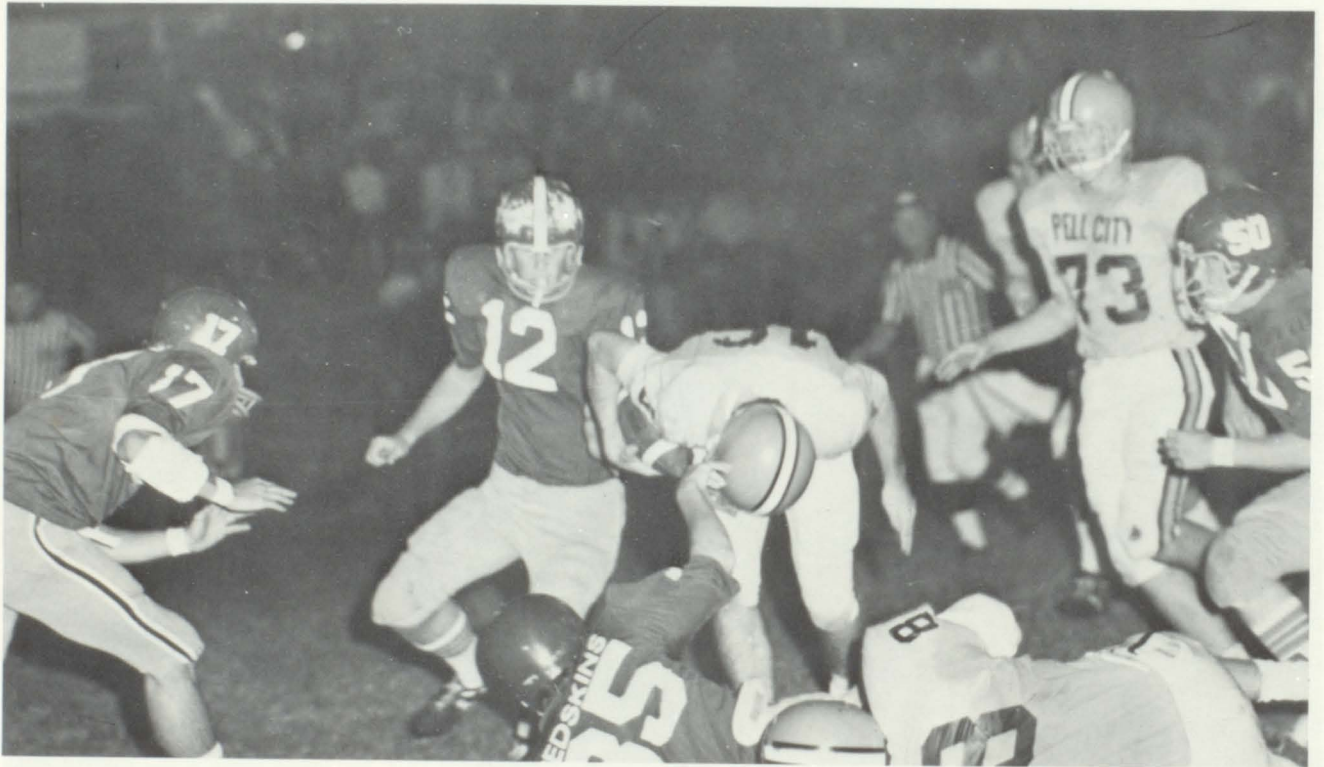

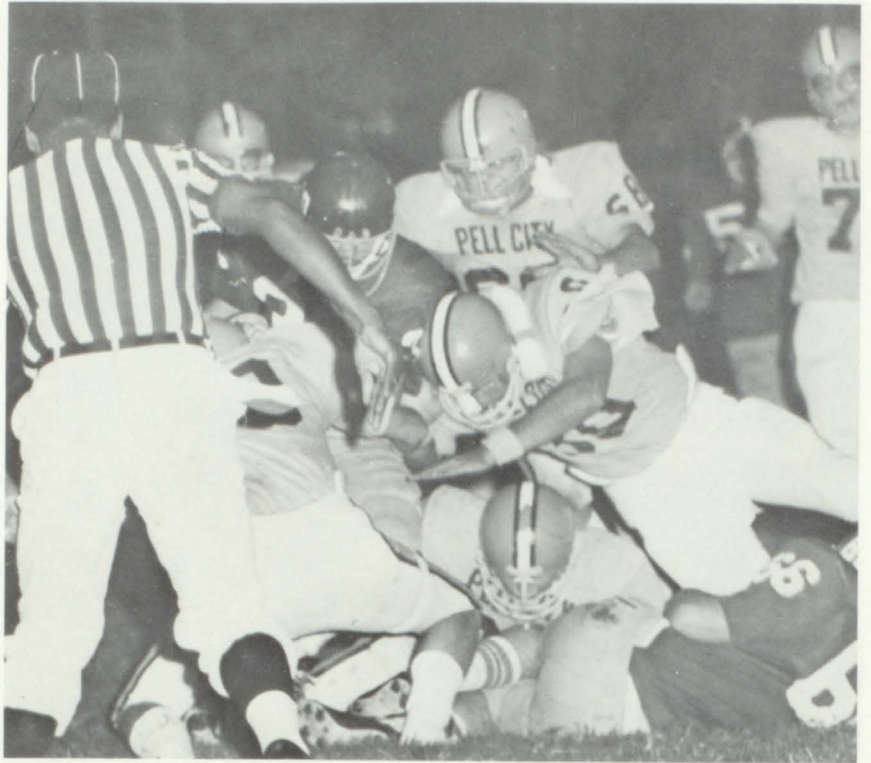

The Homecoming half-time activities occurred on the coldest ballgame night Pell High experienced. The selection of the three semi-finalists - Sheila Golden, Senior; Rita Andrews, Junior; and Brenda McCoy, Sophomore - had been made earlier in the week by popular vote of the student body. Now came the last minutes of excited anticipation before the announcement of Miss Homecoming - Sheila Golden!

Oneonta 7-21

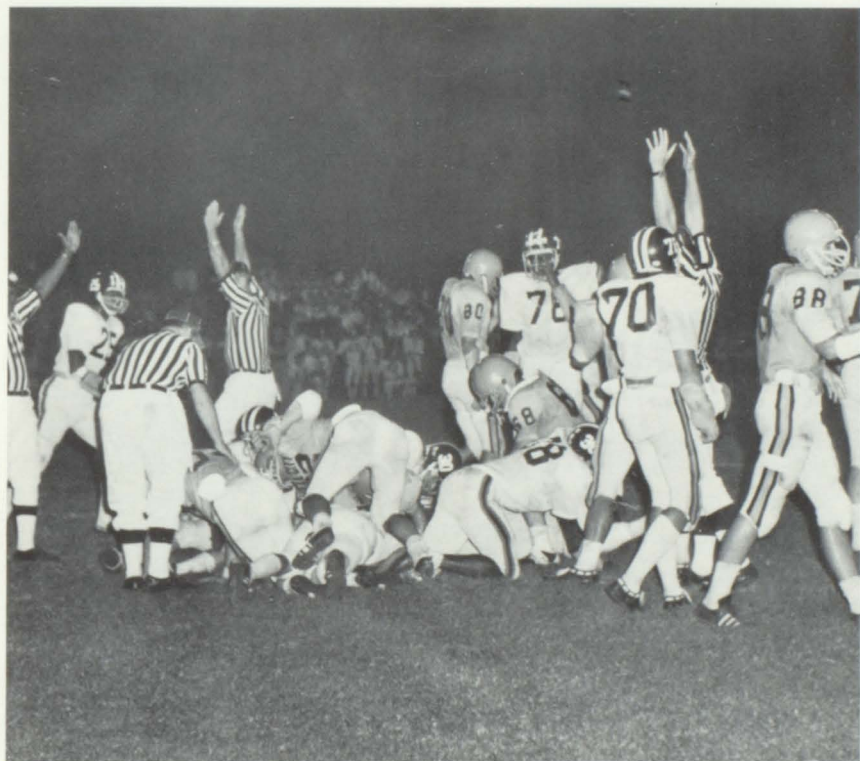

The Panthers lost a tough one to Oneonta. Rain cancelled out the game Friday night, causing it to be played on the following Monday night. Quarterback David Ledlow went over for the score by the Panthers. Kerry Joe Foster kicked for the extra point. However, Oneonta came back with three touchdowns later in the game, ending the ballgame with a 14-point lead over Pell City.

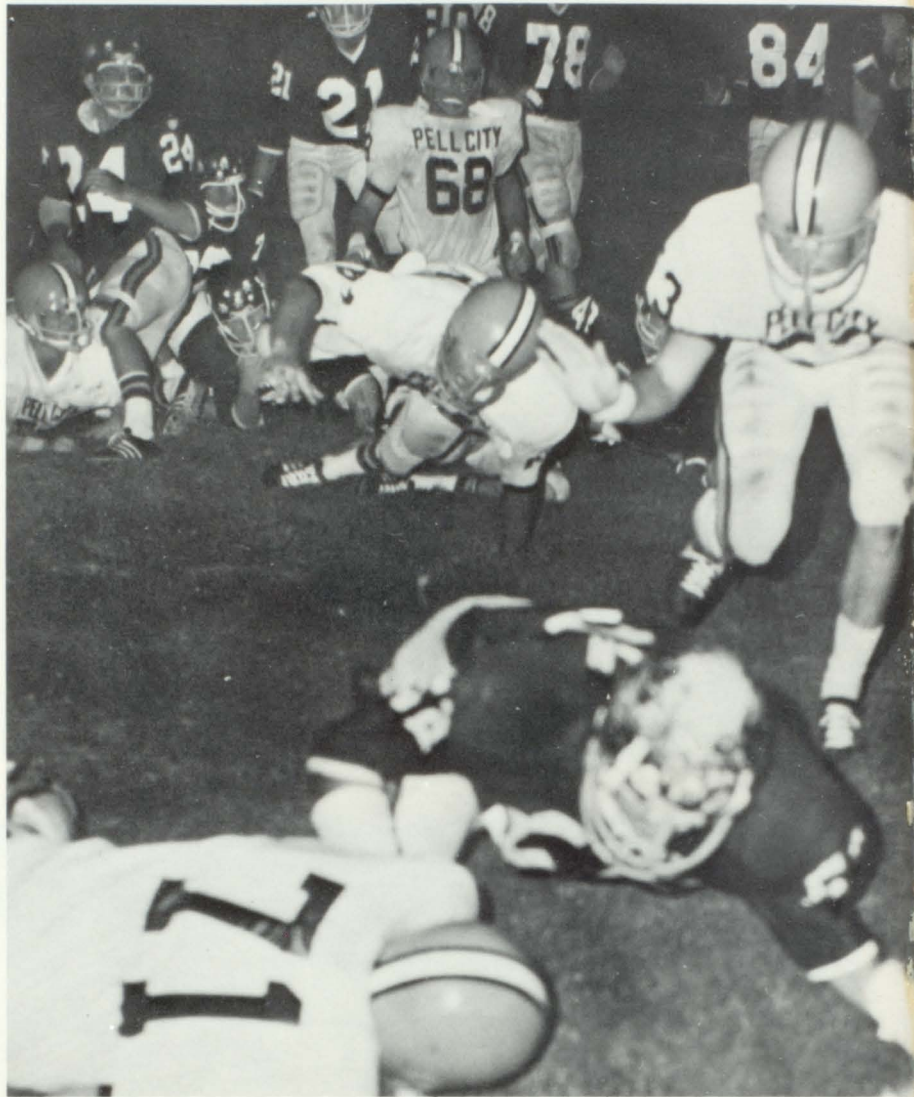

Thompson *0-14*

Pell City met Thompson on Thompson's playing field this year. The Panthers seemed to have fate against them as they could not quite get the ball over the goal line. Thompson scored twice, the first on a 60-yard run and the second on a recovered fumble. So, the game ended with Pell City 0, Thompson 14.

Athens *20-41*

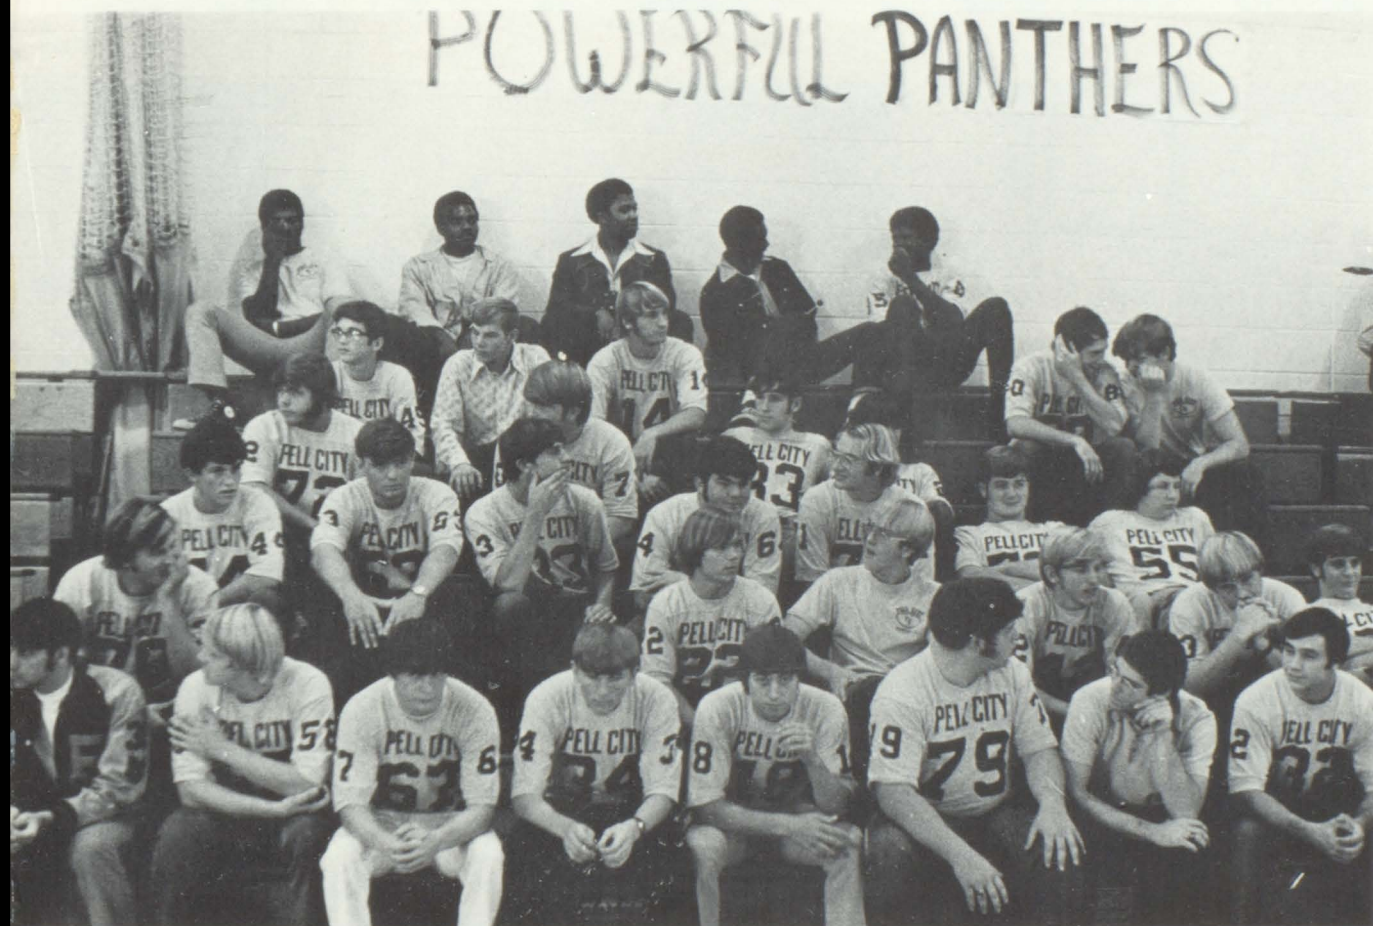

The last game of the season was played against the number one team in the state, Athens. Athens scored twenty-one points in the first quarter, making it look rough for the Panthers. However, the Panthers showed what they were made of as they came back and made three touchdowns against Athens. The first was by Tim Coshatt, the second by Kerry Joe Foster, with Foster kicking both extra points. The third was also scored by Tim Coshatt after Robert Dorough recovered a fumble on Athen's 11-yard line. However, Athens managed to score twenty more points and the game ended the season with the score 41-20, in favor of Athens.

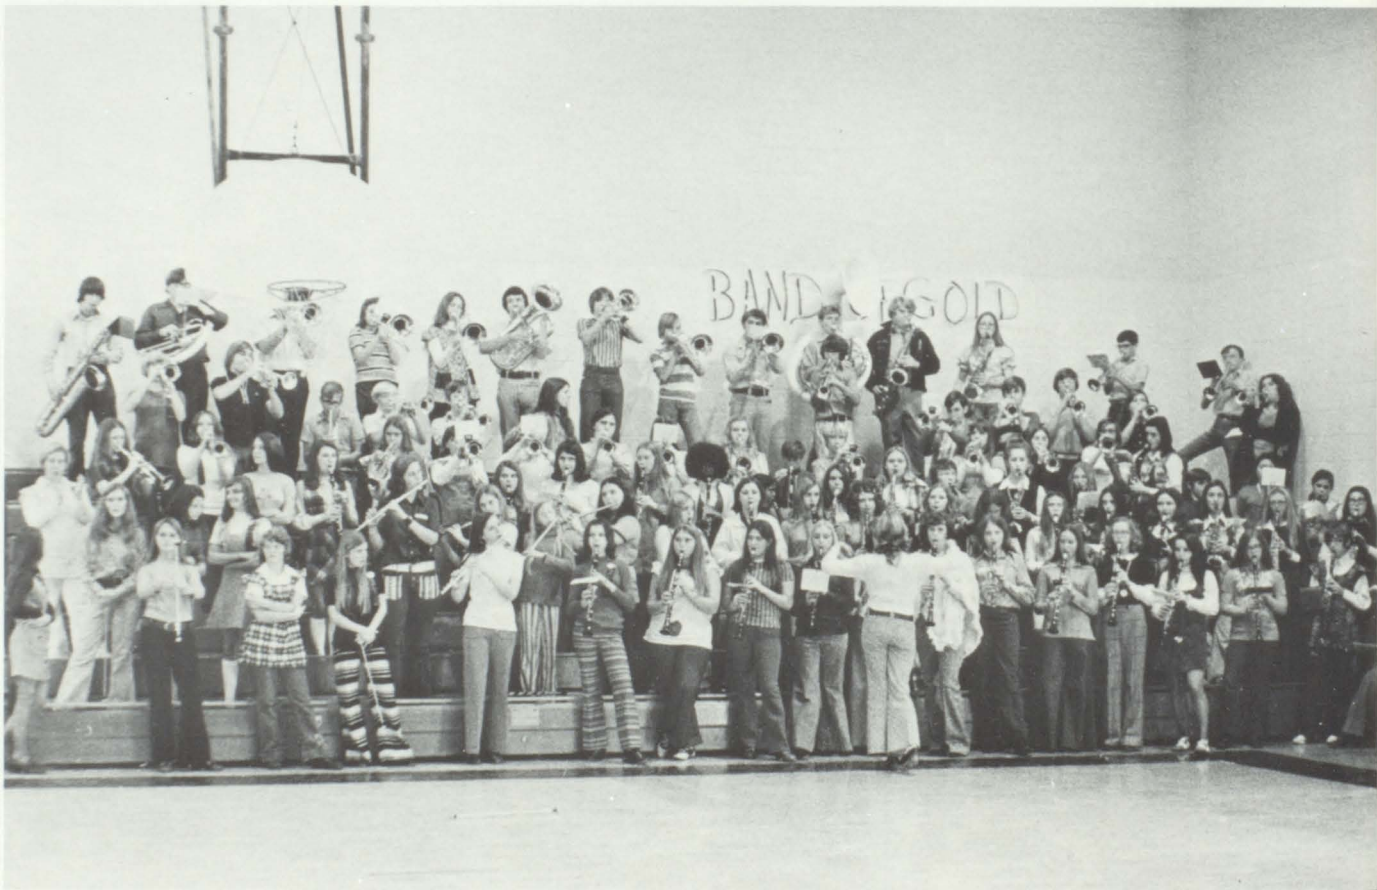

Oh!! Those Pep Rallies!

POWERFUL PANTHERS

Big Team — Go!!!

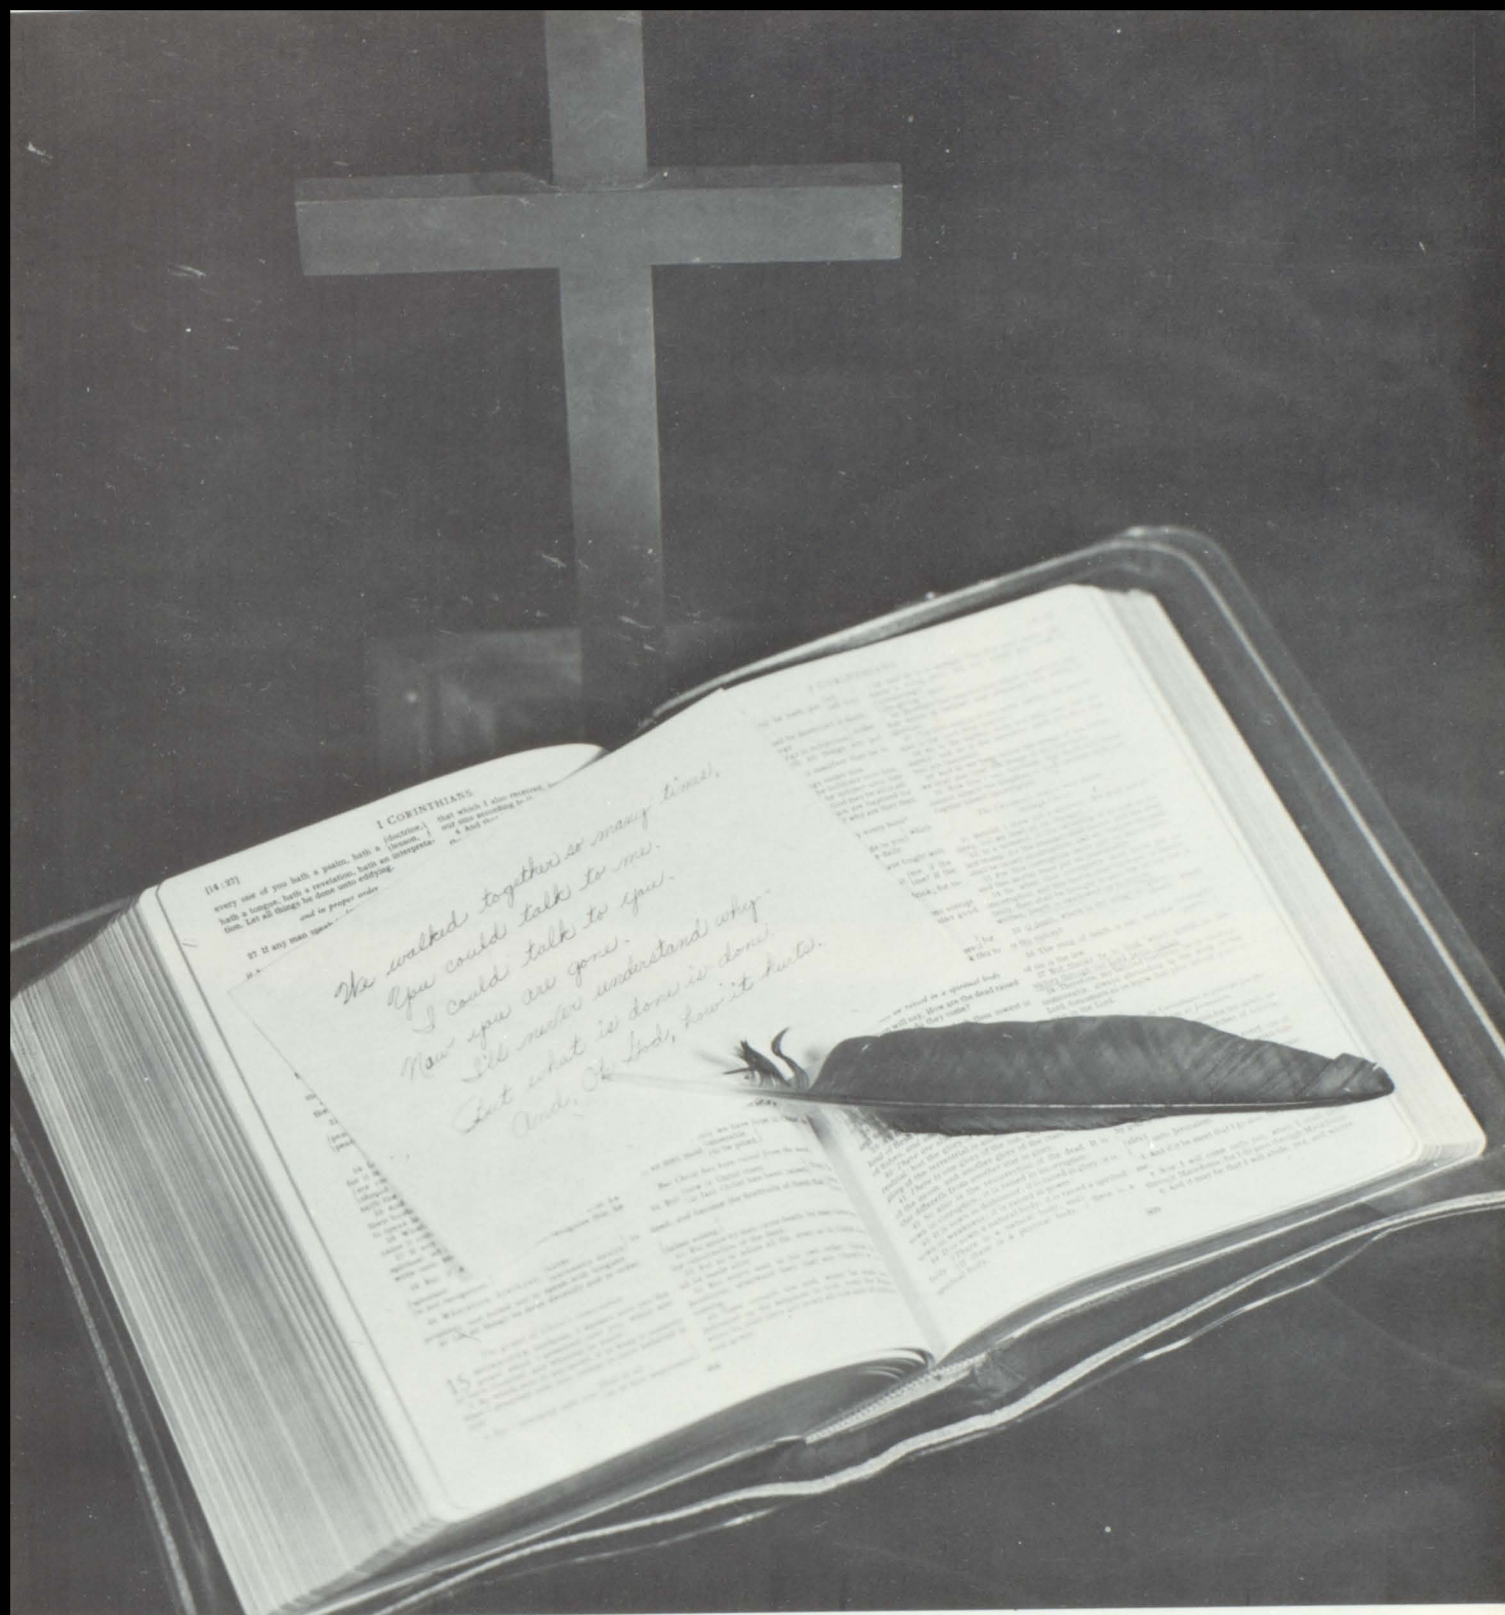

The spirit was really at a high point at the pep rallies this year as the classes and the band members competed for the coveted spirit stick. The spirit of the crowd was also aroused by spirit pep talks and skits. Even the D. A. R. got into the picture the day they presented a replica of all the flags that have flown over the United States since 1776, to Mr. Mann and the school.

ARE YOU AFRAID TO STAND UP FOR WHAT YOU BELIEVE? These young people aren't! Every morning, at about five till eight, a group of Christian young people met in the lunchroom in order to "get the day started off right." A scripture passage was read and prayer was given, often times with a discussion on what the scripture means and how we can apply it in our daily lives. If you were not a part of these devotionals, then you missed one of the most rewarding experiences during the school year.

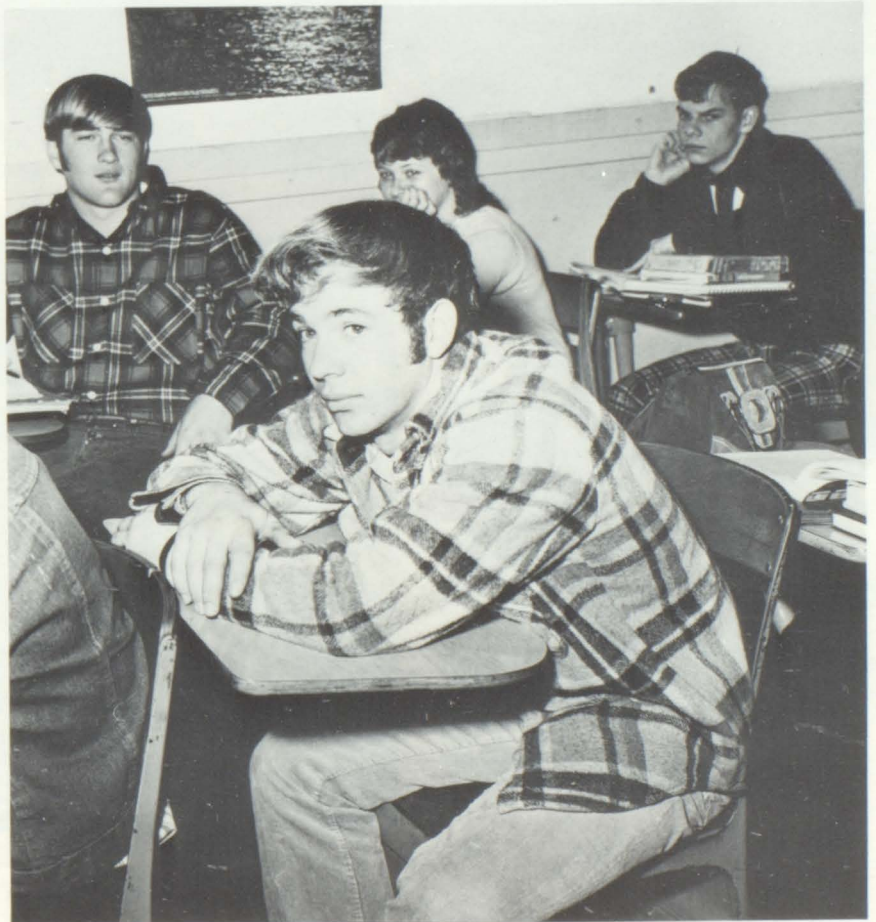

As sorrow and tragedy touch the lives of Pell High Students through the loss of close friends and loved ones, the pages of life reveal that these friends are remembered with great appreciation for the friendship, inspiration, and love they gave to all.

Term Paper Torture

It was term paper time again! With the help of Mr. Lee and the library assistants, the Seniors, during the first part of the year and the Juniors, at the end of the year, LIVED through the research of their many topics.

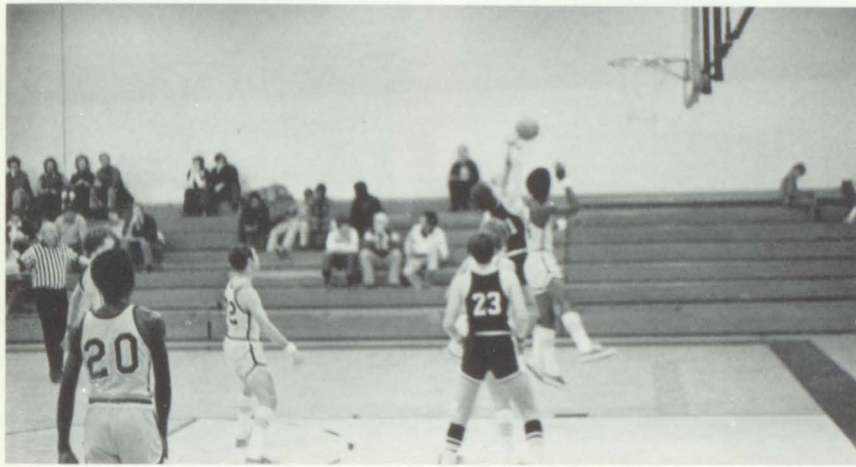

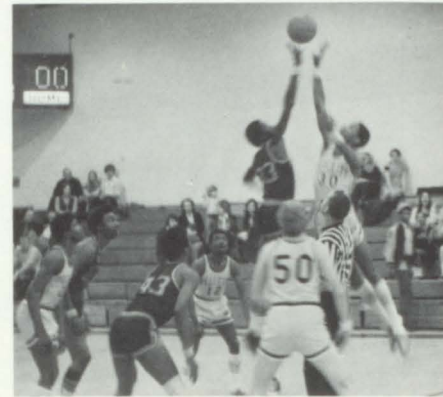

Caught in the Act!

Make That Point!

The season for the varsity team proved to be very disappointing for them as well as the student body. They put forth a lot of effort and spirit and won many games but the absence of fans can ruin a game for anyone. Come on and show the Panthers we're behind them!

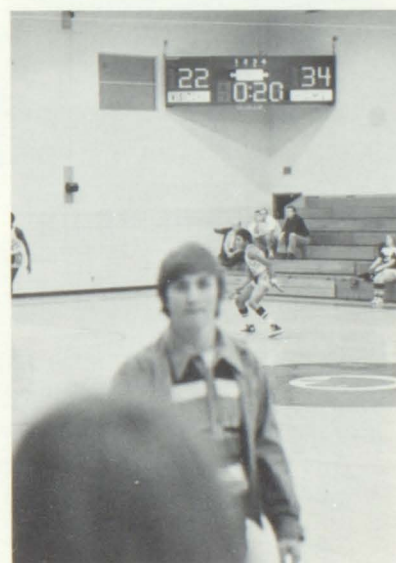

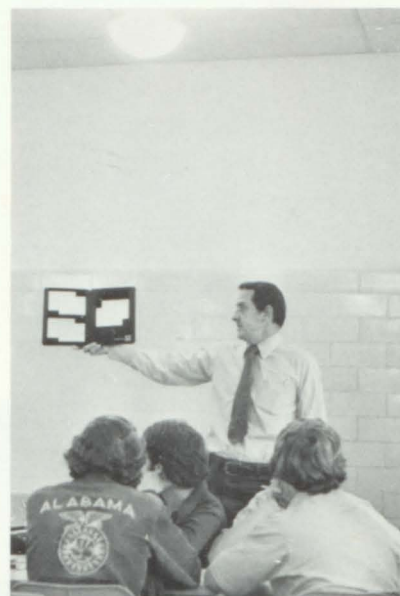

RIGHT ON for the B team!

This year our sophomore boys really hustled with the ball and came up winners in the County Tournament. Next year's season ought to be Out-a-Sight!

Seniors Order Announcements

Who are my closest friends and relatives? This was a thought that went through the minds of the Senior Class about four months before graduation as they ordered their graduation announcements. The number of announcements ordered ranged from just a few to over a hundred. Along with the invitations, several people ordered a Senior Memory book, which most of them will cherish for the rest of their lives. Just hate to see it come to an end!

A New First! — I-D Cards

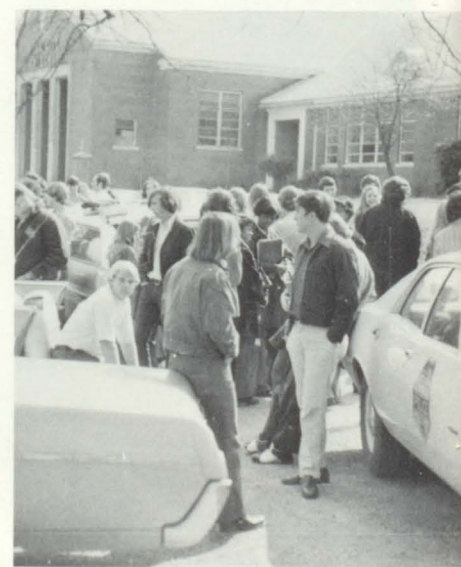

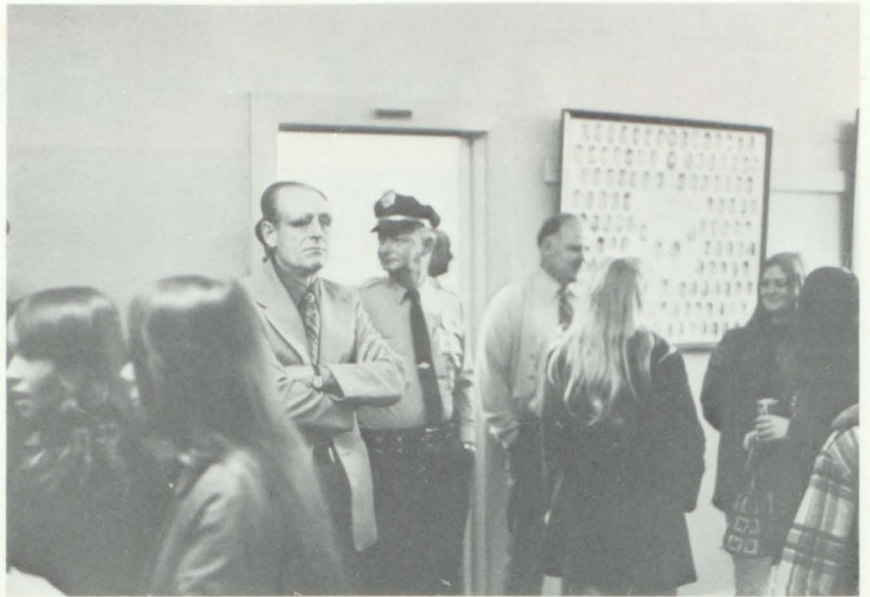

I. D. CARD - WHAT FOR?

For the first time at Pell City High School the students from the Freshman class to the teachers got an identification card. This card had a small photograph of the person with the subjects he was taking and the year he was to graduate - supposedly! Nevertheless, the card will be used to get into ballgames at a student price along with possible library and other uses, in the future. Everyone, including Mrs. Whittle, seemed to "get into the picture!"

On February 15, when John Kent Lonergan answered the phone in the outer office, he was told by an anonymous voice that a bomb had been planted in the school and was set to go off within the hour. Within 1 min. there was no one left in the building except police officers and school officials, who searched the school but found no evidence of the reported bomb. Everyone was relieved that the bomb threat was over, but disappointed to return to the usual routine of school.

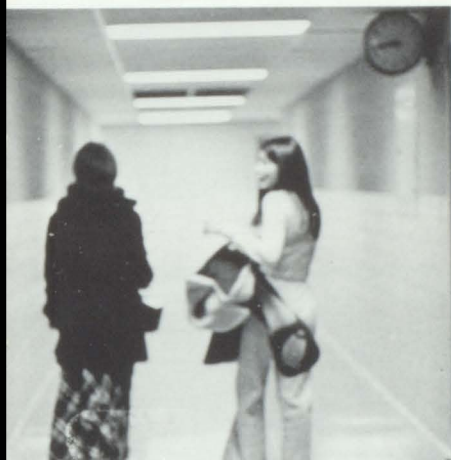

Students Attend Math Fair

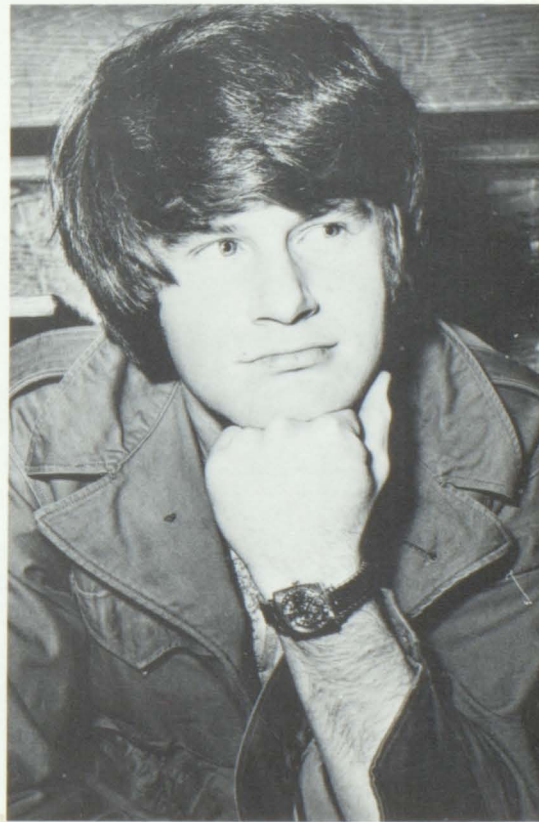

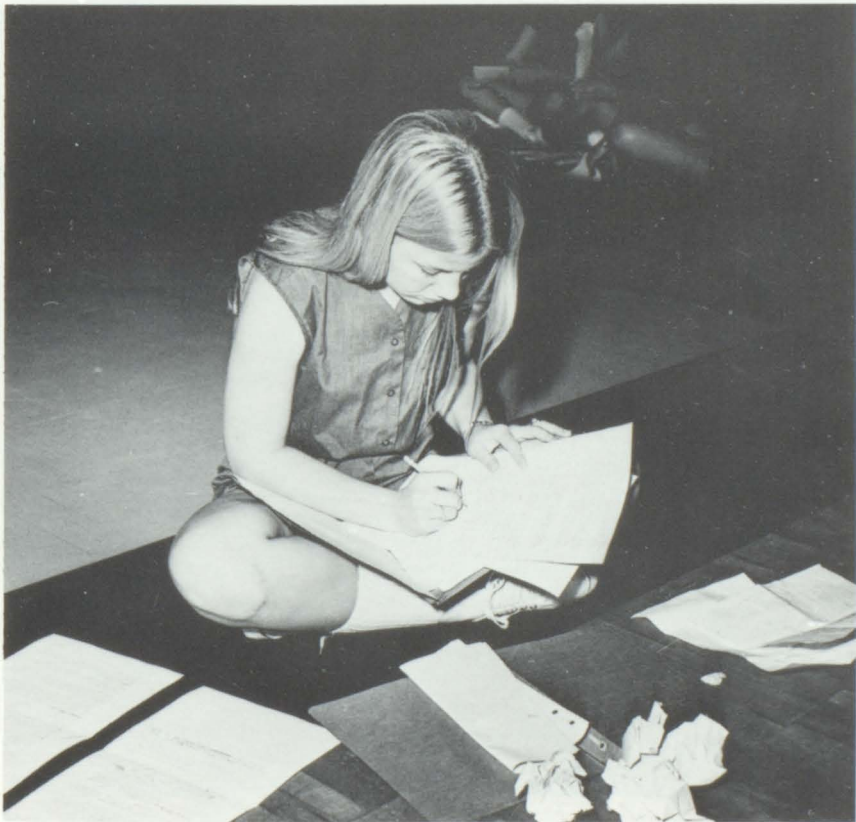

WE TRIED, BUT WE COULDN'T DO IT!

One fateful Saturday afternoon eight PCHS math students, led by their faithful teacher, Mrs. Martha Weeks, went to participate in the annual Math Tournament held at Samford University. Four of the students were team members but all eight took tests in various buildings. Those participating as team members were Susan Worthy, Colleen More, Susan King, and Cathy Layton. John Haynes, Angie Humphreys, Russ Cox, and Cindy Price also took the tests. None of our representatives were favored with honors but we have to give them credit for trying!

*That's
What
It's
All
About*

THE PRICE IS RIGHT !!

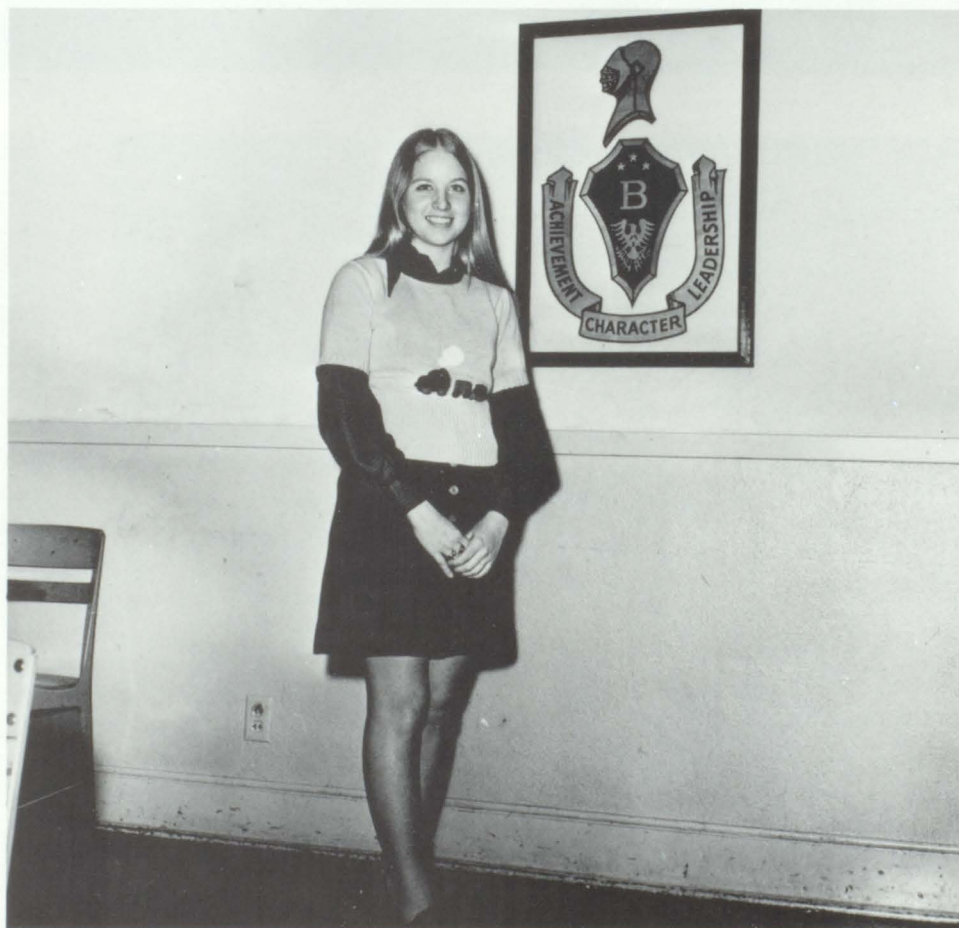

CINDY PRICE

for

Secretary - Treasurer

Alabama State Beta Club

For the last several years, the Beta Club at Pell City High School has been saying that they were going to join in the life of the Beta Club Convention. They have not been able to do this for the past few years because only the officers had been able to go. This year, however, the entire membership of the club was allowed to go. The club voted unanimously to nominate Cindy Price for Secretary of the Beta Club for the coming school year of '73-'74. Posters were made and handouts printed to urge people to vote for Cindy. She did an excellent job in giving her speech at the Convention. Even though Cindy was not elected, she made a good showing and finished in a close race.

Beta Club Celebrates 25th Anniversary

On November 27, 1948, the first Beta Club at Pell City High was organized, with Miss Marie Tuck as sponsor. This year the 1973 Beta Club celebrated the twenty-fifth anniversary of the club at Pell City High School. A special meeting was planned, inviting Miss Tuck back as guest speaker for the meeting. Other former sponsors and teachers who were invited were Miss Niomi Lee, Mrs. Faye Whittle, Miss Bea Alexander, and Mrs. Margaret Mongold, junior high sponsor, along with Mr. Mann, principal, and Mr. George Eden, Superintendent of Education. After Miss Tuck spoke on "Being a Beta," honor cords were presented to senior members. Then there were refreshments for everyone.

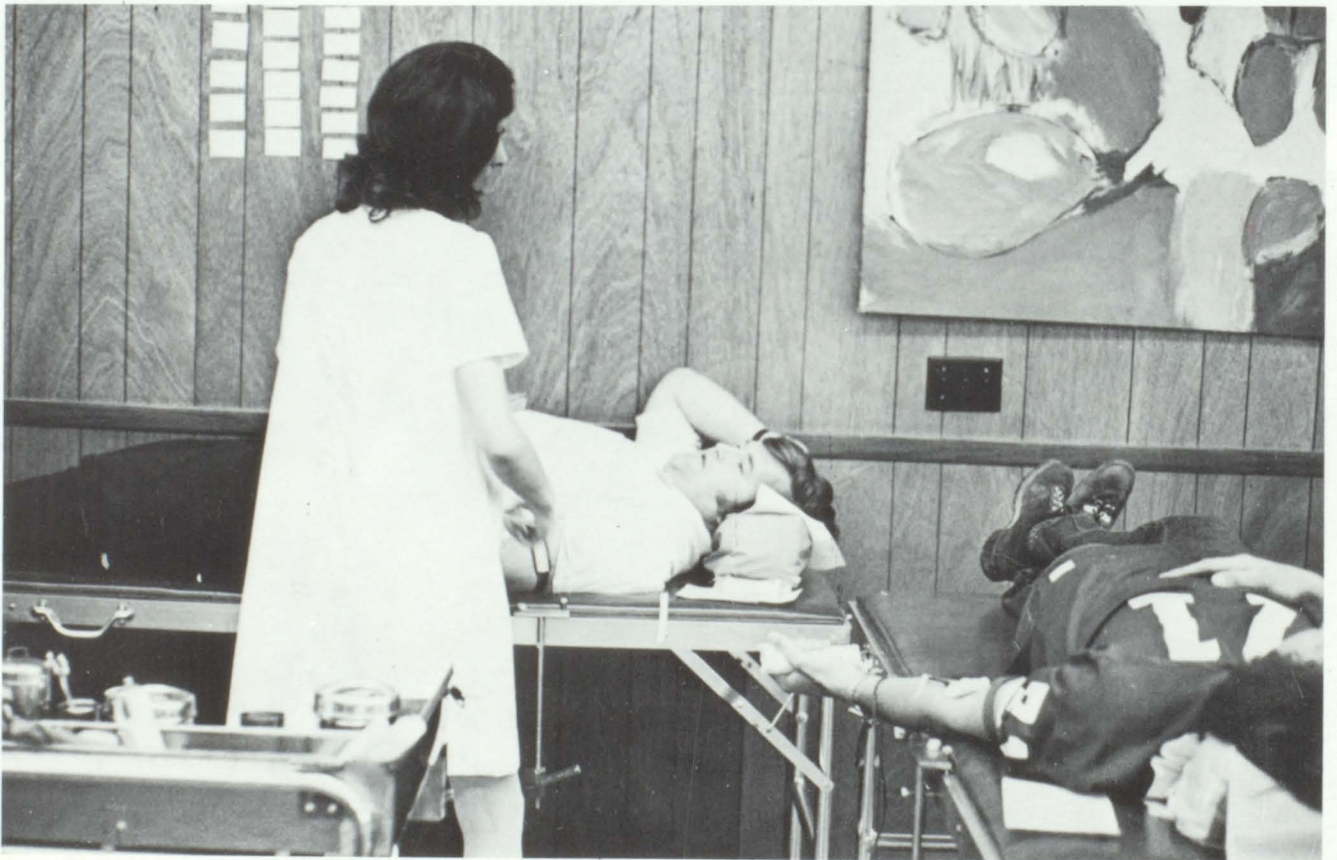

On Thursday, April 22, the Quarterback Club held its annual football banquet at Pine Harbor Marina Restaurant. There was good food for all and then the general excitement as the trophies were given out. This year there was something special - when the players presented Coach Rich with a check. Roger Youngblood received Most Valuable Lineman; Tim Coshatt - Most Valuable Back; David Rhoton - Best Scholar Athlete; and Robert Dorrough - Sportsmanship.

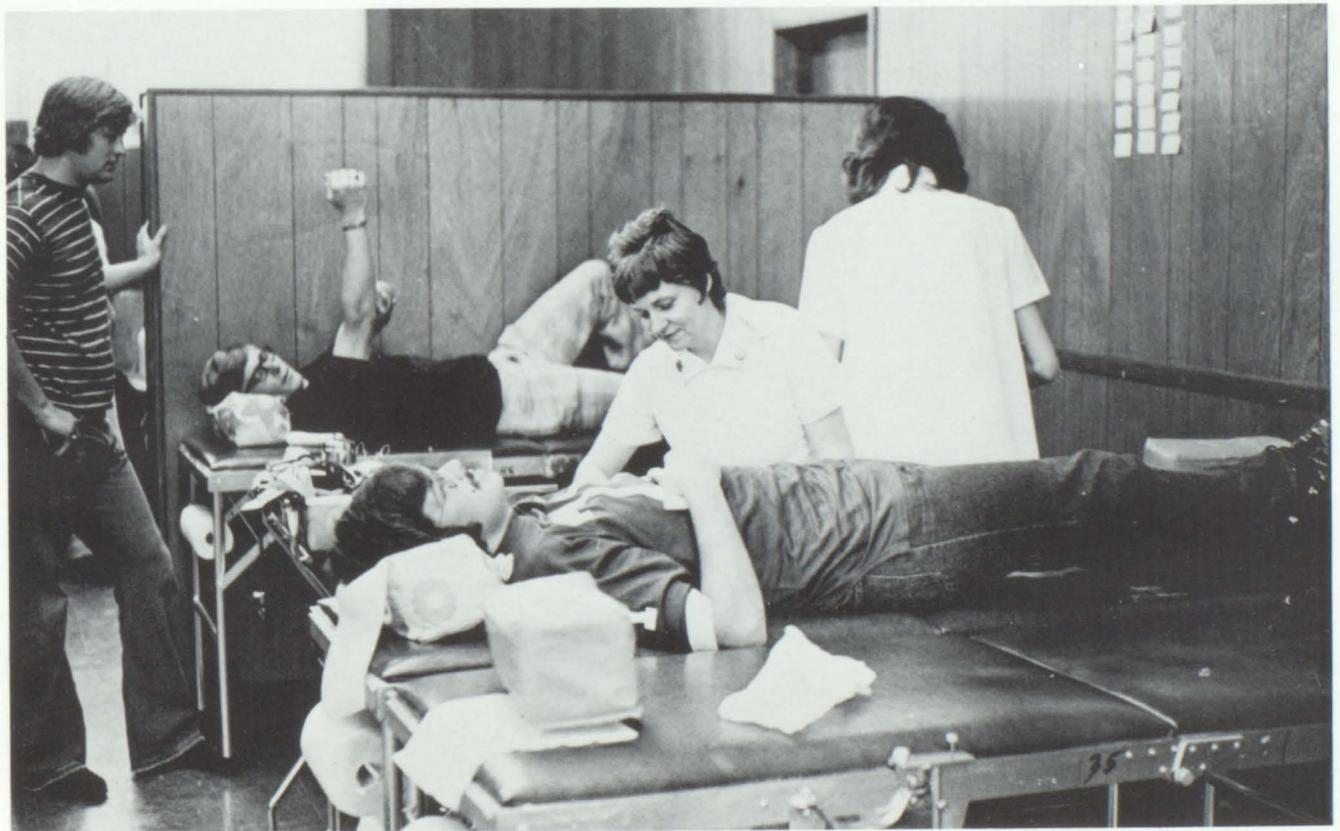

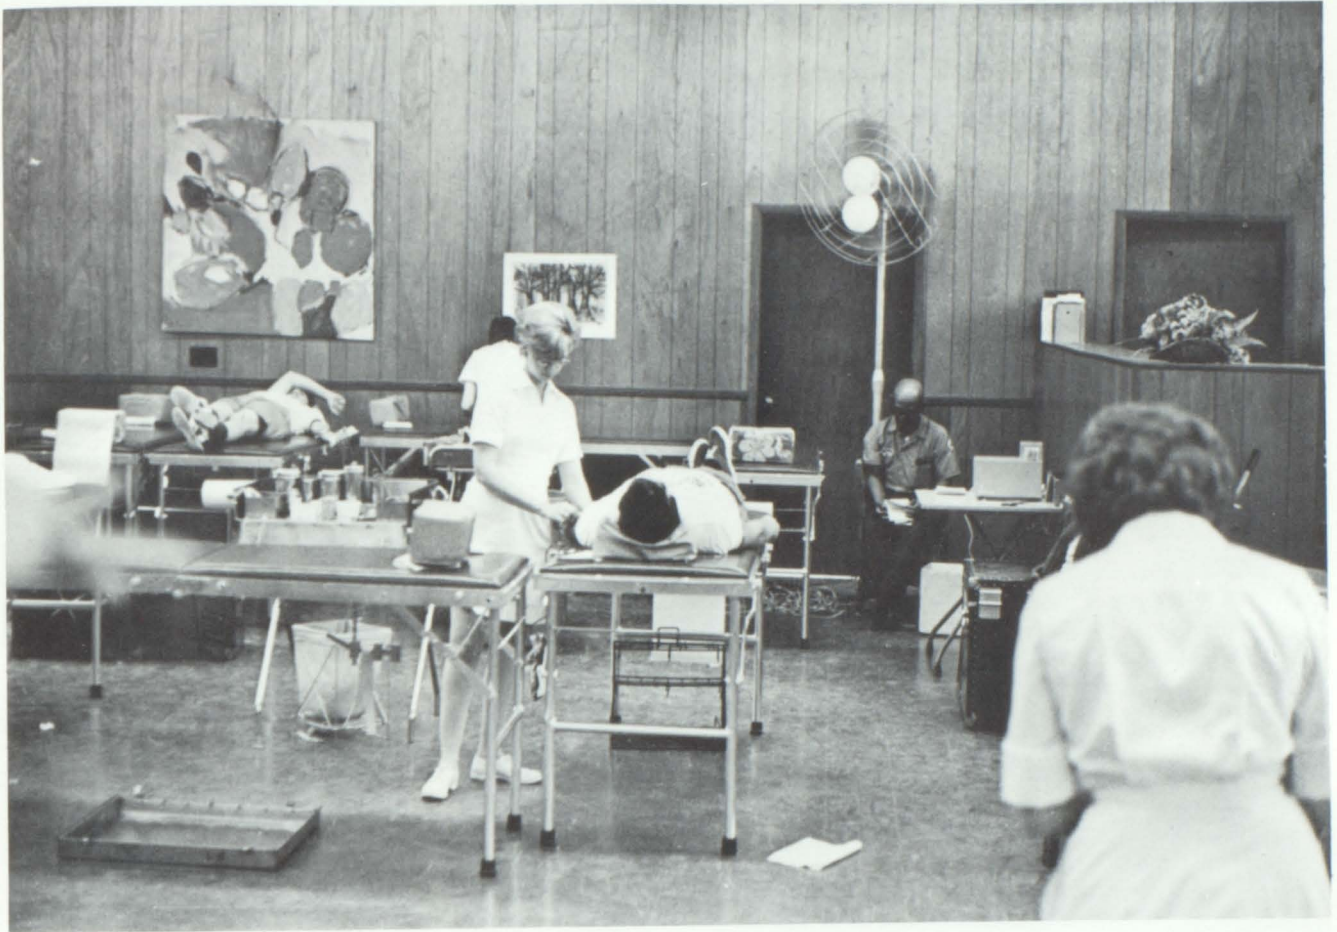

The Pell City High School Beta Club sponsored its annual blood drive on Wednesday, May 2, in the high school library. Blood drive chairman - Charlotte Tharp, along with Assistants - Johnny Gregg and Cindy Owen, worked long and hard to make this year's drive a success. Enthusiasm for the blood drive was aroused, at least around school, when it was announced that a person eligible to give blood could leave school immediately after giving. There was a flood of young people willing to give blood even before the drive officially began at noon. The response to the drive was good as there was over a hundred people who offered to give, many of which were turned down because of health reasons. The drive closed out at six o'clock with 76 pints of blood collected.

In order to be a well-rounded woman, wife, and mother, a girl must learn the basics of sewing, cooking, child care, and home management. These were taught to all the girls in the home economics classes of Mrs. Curry and Mrs. Fore. This year the girl voted as Miss F.H.A. was Jeri Lockridge, her alternates being Dawn Turner and Betty O'Neal. Lynn Hipps, winner of the Betty Crocker Award, ranked highest on the Betty Crocker Test in order to receive her award. Each of these girls exemplify the future homemakers of America.

Jeri Lockridge

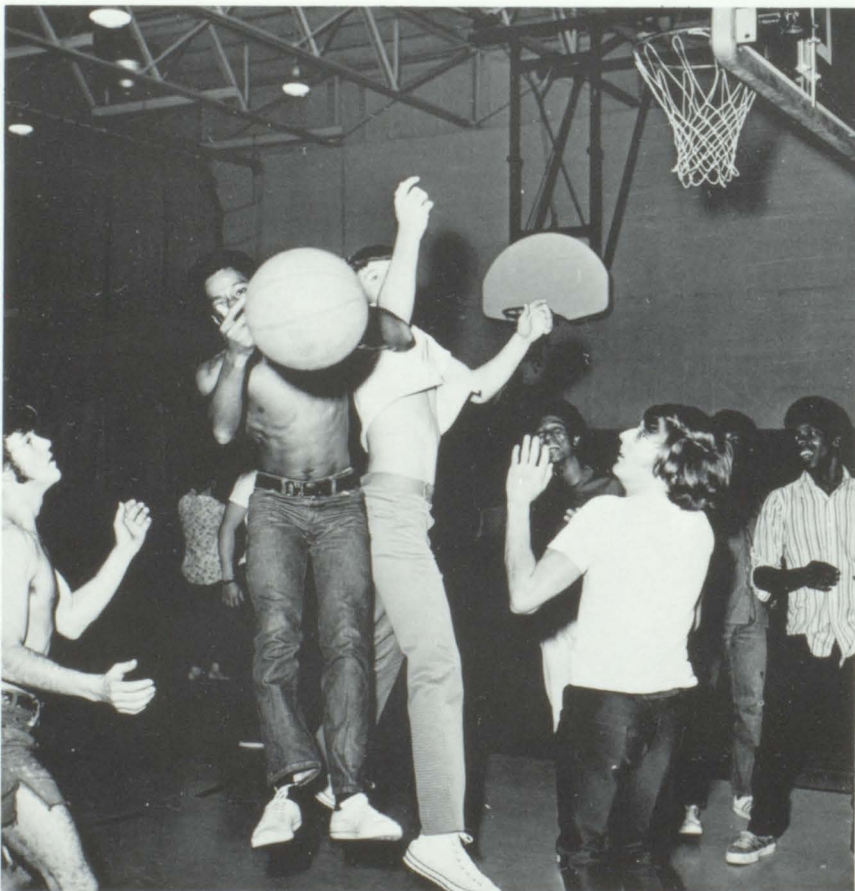

Dawn Turner and Betty O'Neal

*Activity of
the Mind*

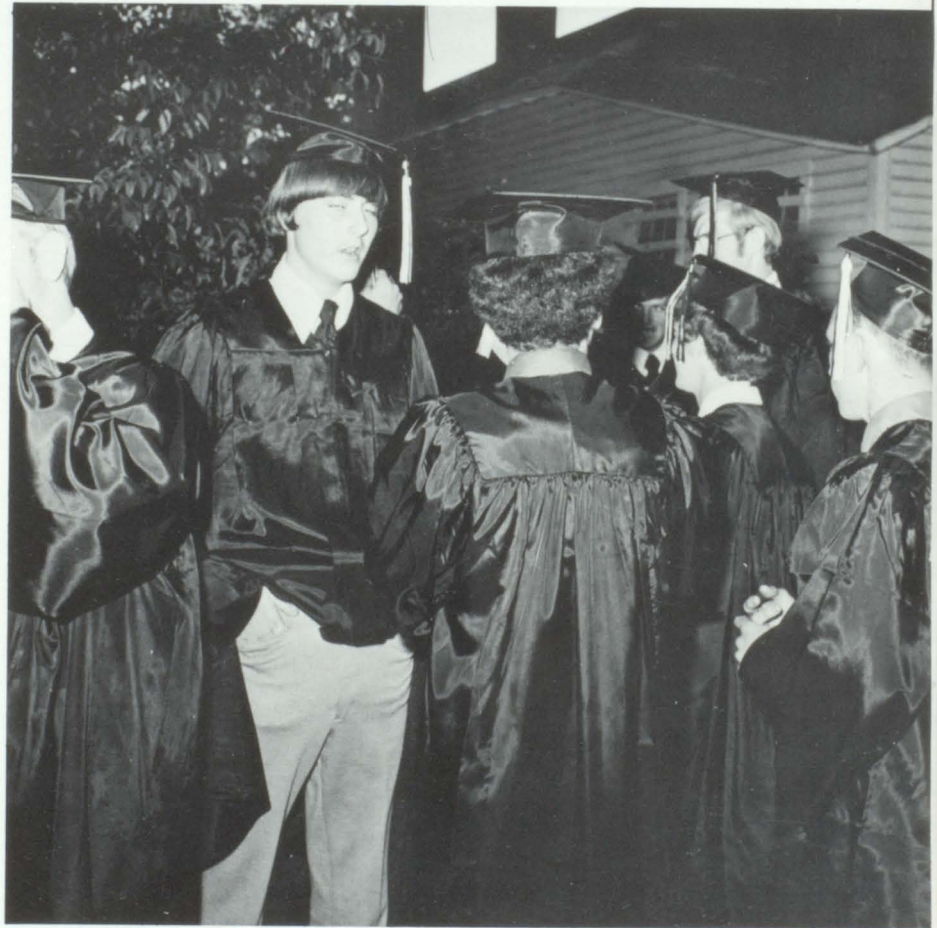

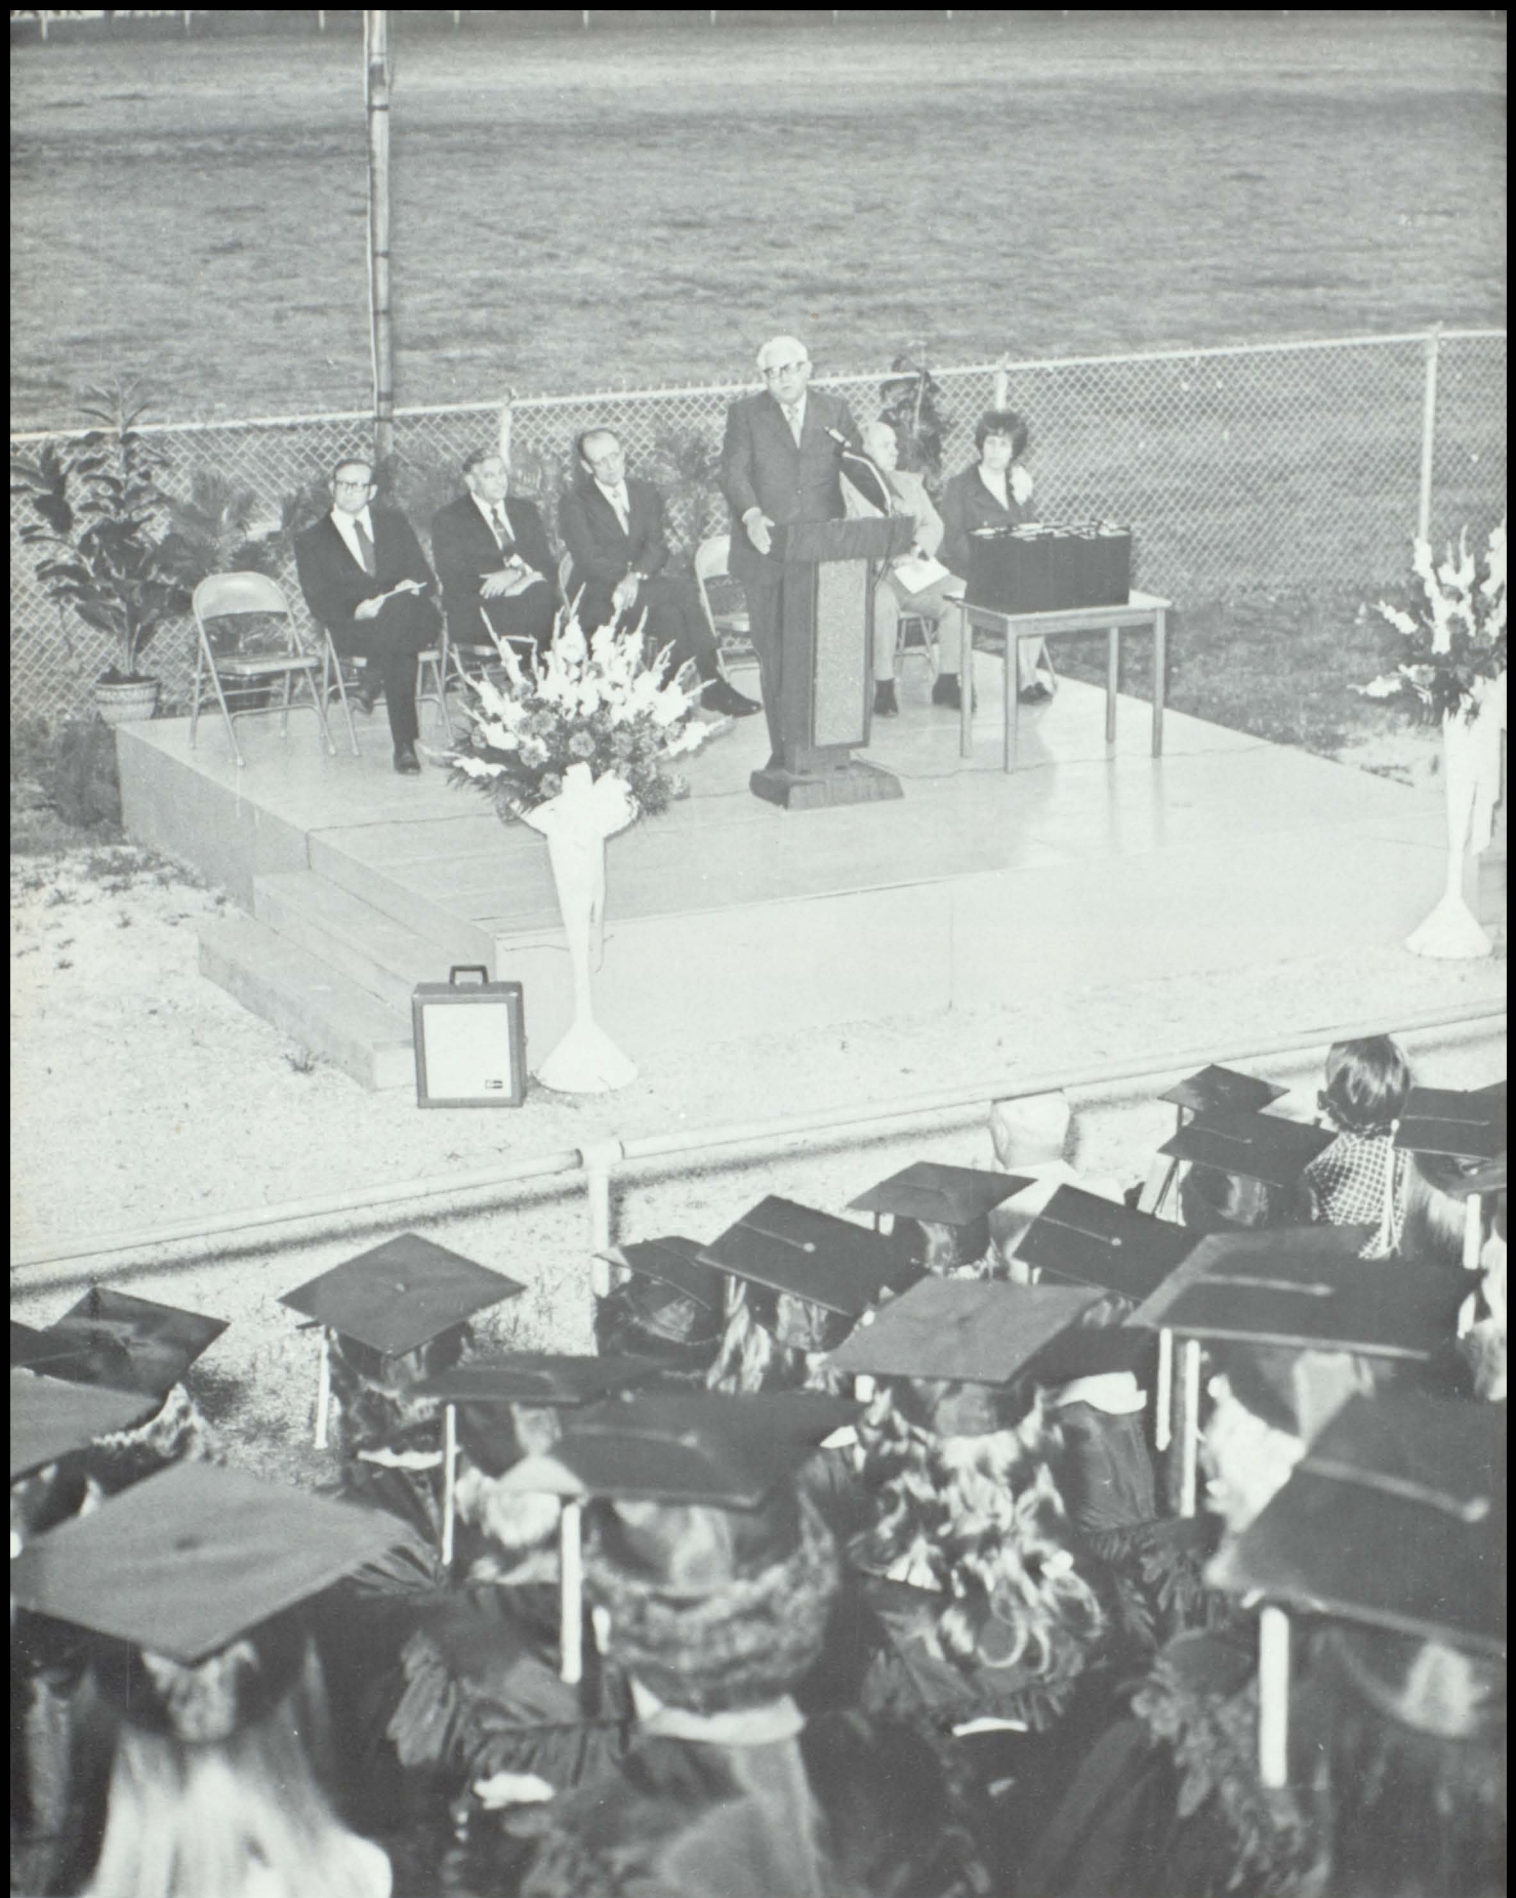

Part of Graduation is the payment for senior rings, invitations, cap and gowns, etc...

But, the more important part is the Memories it brings of good friends and good times while in school, especially your Senior year.

"We Carry A Complete Line Of Parts."

Smart young folks.

They just joined Avondale Mills. And they have some big opportunities ahead of them. Because Avondale is on the grow.

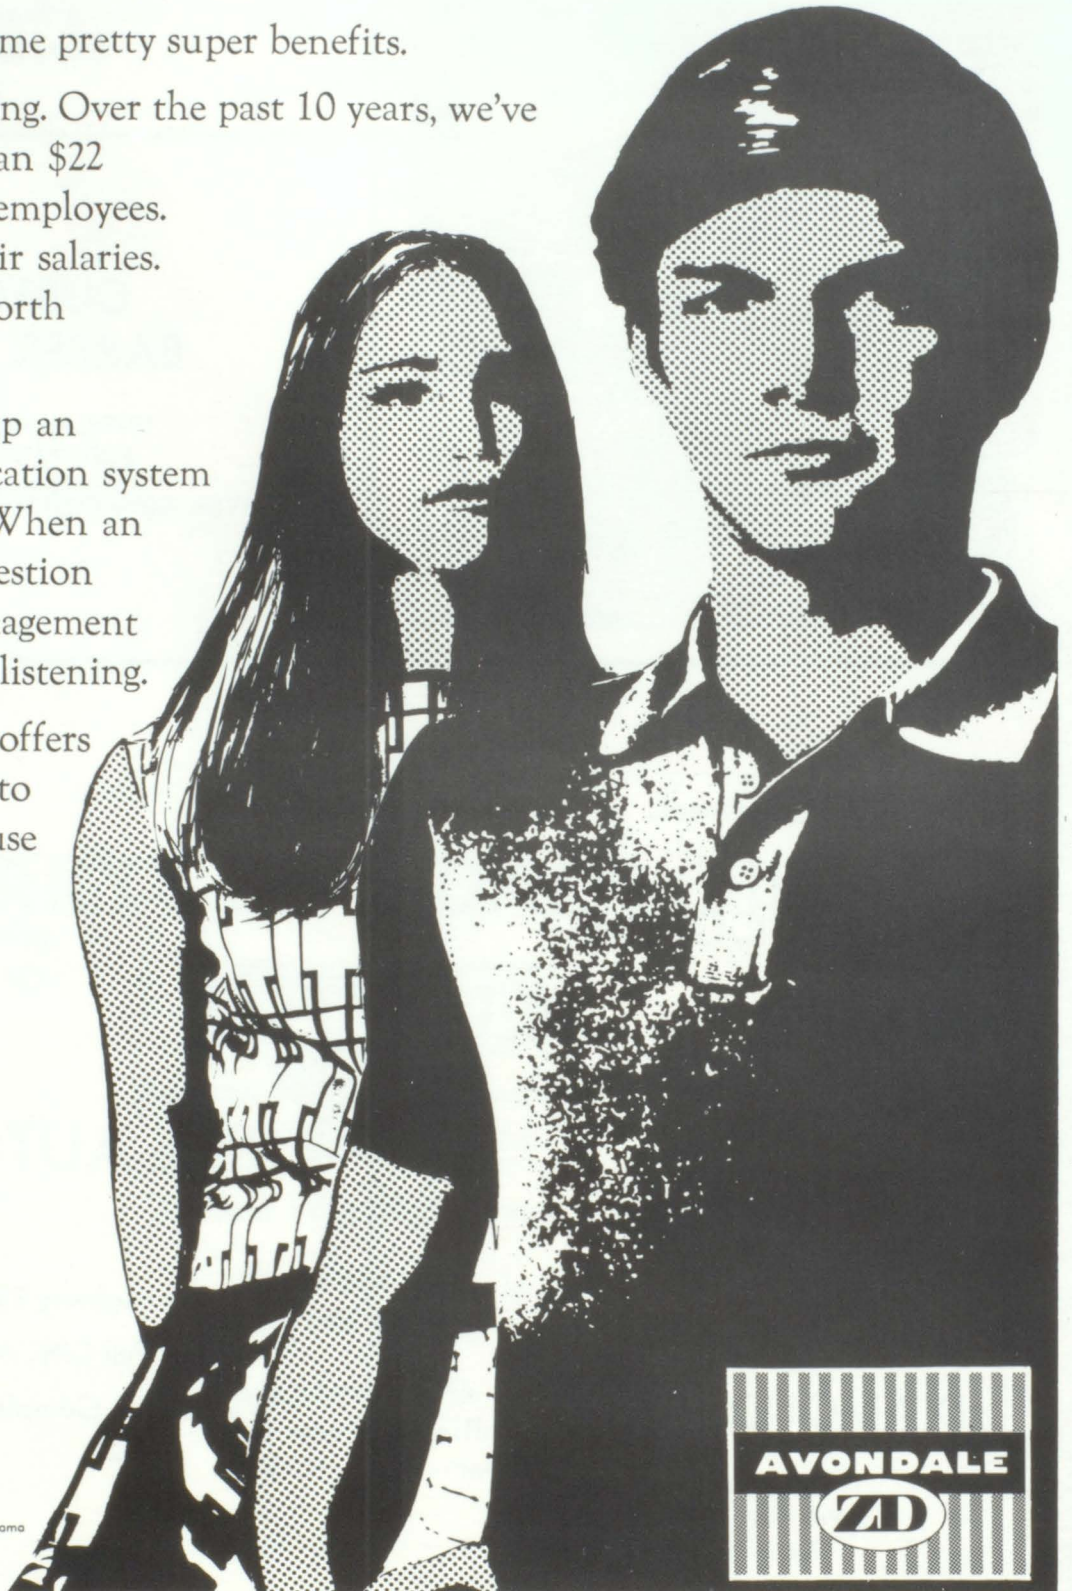

We stay on top of what's new and exciting. And we think young. So there's always a place with us for a young person who wants to go somewhere.

And we offer some pretty super benefits.

Like profit sharing. Over the past 10 years, we've distributed more than \$22 million among our employees. Over and above their salaries. That's something worth thinking about.

And we've set up an employee communication system that really works. When an employee has a suggestion or a complaint, management does some serious listening.

Avondale Mills offers great opportunities to young people. Because we think young. Like you.
