MICHAEL STORM SELECTS MOST PHOTOGENIC

182 Popular young star who portrays the character of "Dr. Larry" on ONE LIFE TO LIVE graciously consented to select the Photogenic girls. His letter of congratulations to all of the lovely girls at PCHS is shown on the following page.

April 8, 1975

Dear Mr Whittle -

First of all let me say what a pleasure it was for me to have been asked to judge your first Photogenic contest - it has definitely been my honor - so, thank you.

I never dreamed that one school could have so very many beautiful young ladies! It was no easy task - albeit pleasant - to choose one, or even three, from the lovely selection you sent.

They all deserve applause - they were all quite photogenic. I have picked three and have enclosed them in the #2 envelope.

It has been a delightful task and, again, a great honor for me and I do most heartily thank you.

Please give my sincerest best wishes to the very photogenic ladies - all of them - and I hope to hear from you again soon -

Best wishes to all -

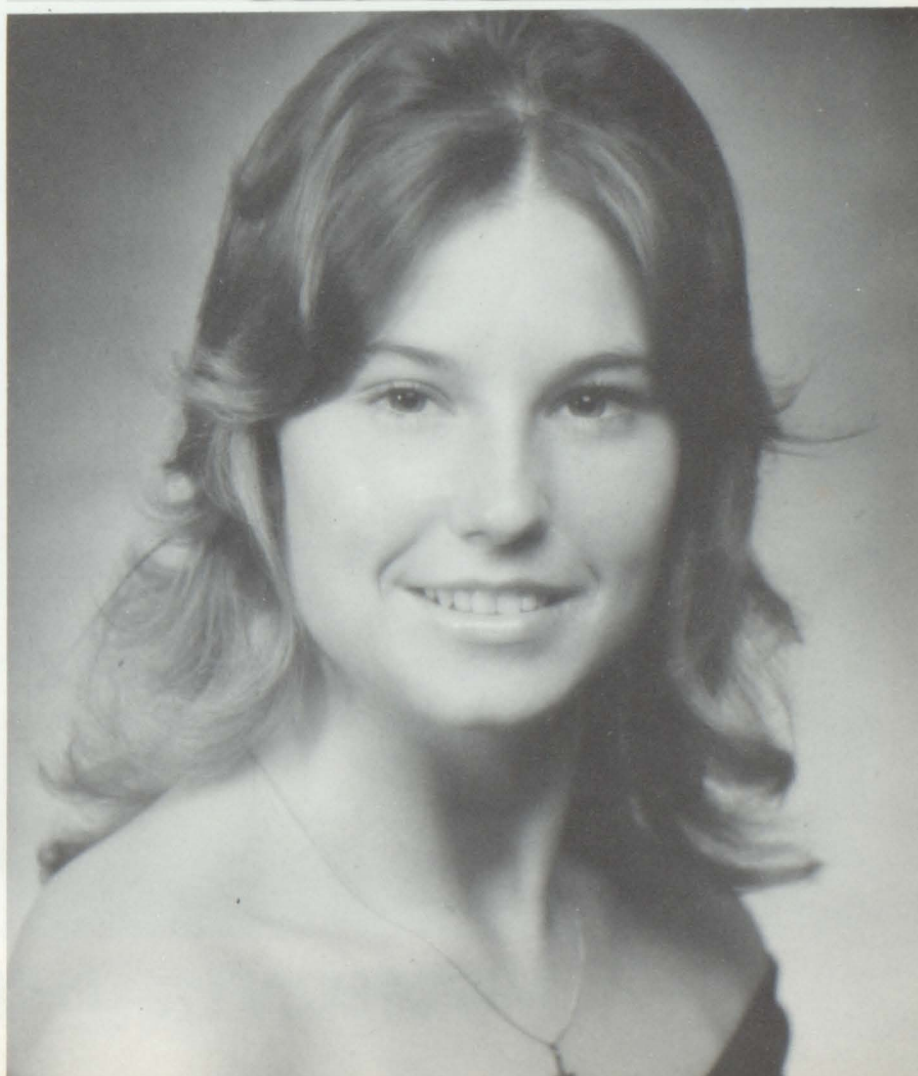

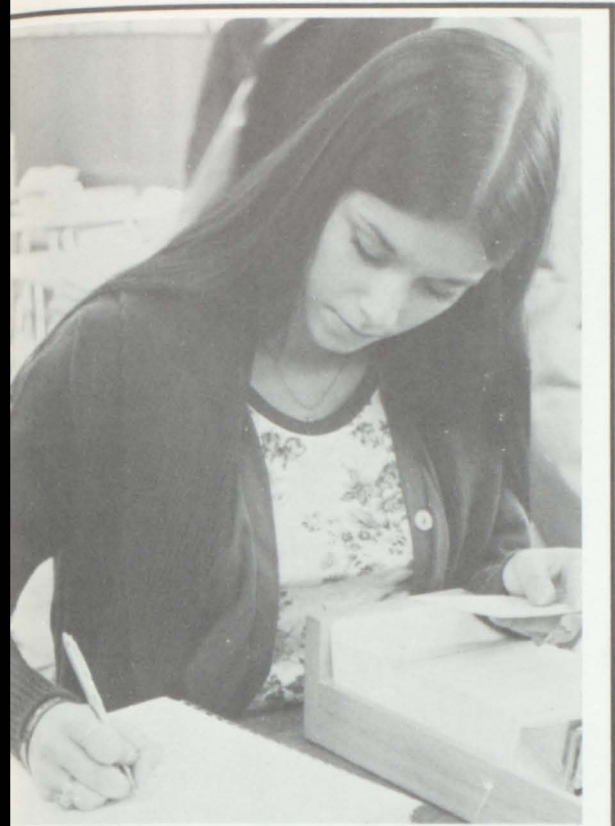

Sincerely

Michael Storm

YOUNG DEATH

It leaves behind the good and bad
And then again your Mom and Dad.
The friends and all that love you so
Wonder why you must go.

It leaves behind the smiles and tears
And then again the ugly fears
It breaks you free from worry and pain
But still the others feel the same.

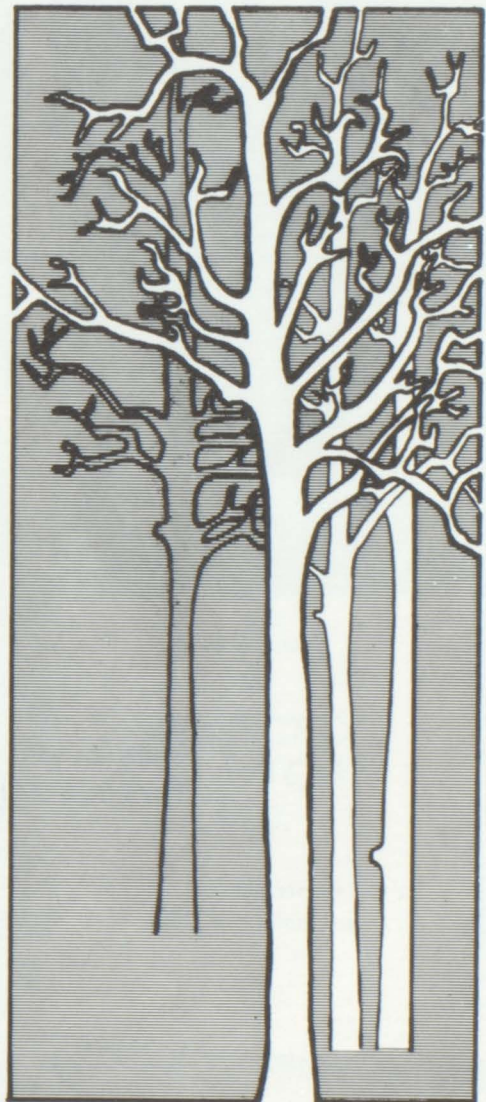

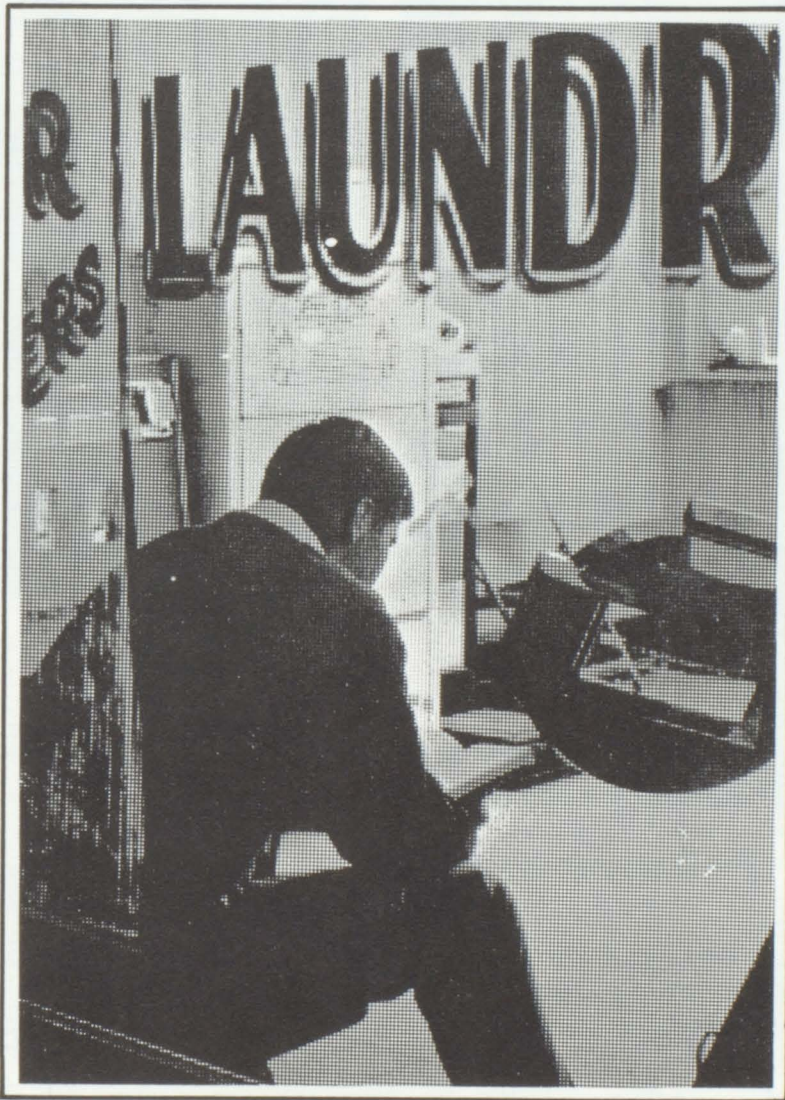

You know not why it happens to you
Could it be a puzzle or clue?
You love your life so very much
But now it's gone with just one touch.

We all will go sometimes, someday
For this is what our Maker did say
But why the ones so dear and close
Are the ones that depart the most.

Death will come and warn you not
So please be ready when it knocks
You've had the time for fun and laughter
But what about the "everafter?"
