Volume 40
Pell City High School
Pell City, Alabama

From this circle of friends which has sustained us, strengthened us, and taught us the ways of life, we hesitantly unfold our wings to test the skills we have perfected. Being encouraged to develop our own particular talents within this charmed circle, we are prepared to fly without fear, to soar in all directions.

Contents

During the 88-89 school year, we had many activities such as pep rallies, prank fire drills, banquets, dances, conventions, football games, and assemblies which helped to mold us into responsible young adults taking us . . . IN ALL DIRECTIONS!!

Freshmen, Sophomores, Juniors, and Seniors move . . . IN ALL DIRECTIONS!!

Office referrals, detention slips, and A.E.P. seemed to be the guiding force used by the faculty to move us . . . IN ALL DIRECTIONS!!!

Camp champions, 21st in the nation, Regional Champions, pep rallies, football games, and basketball games took us . . . IN ALL DIRECTIONS!!

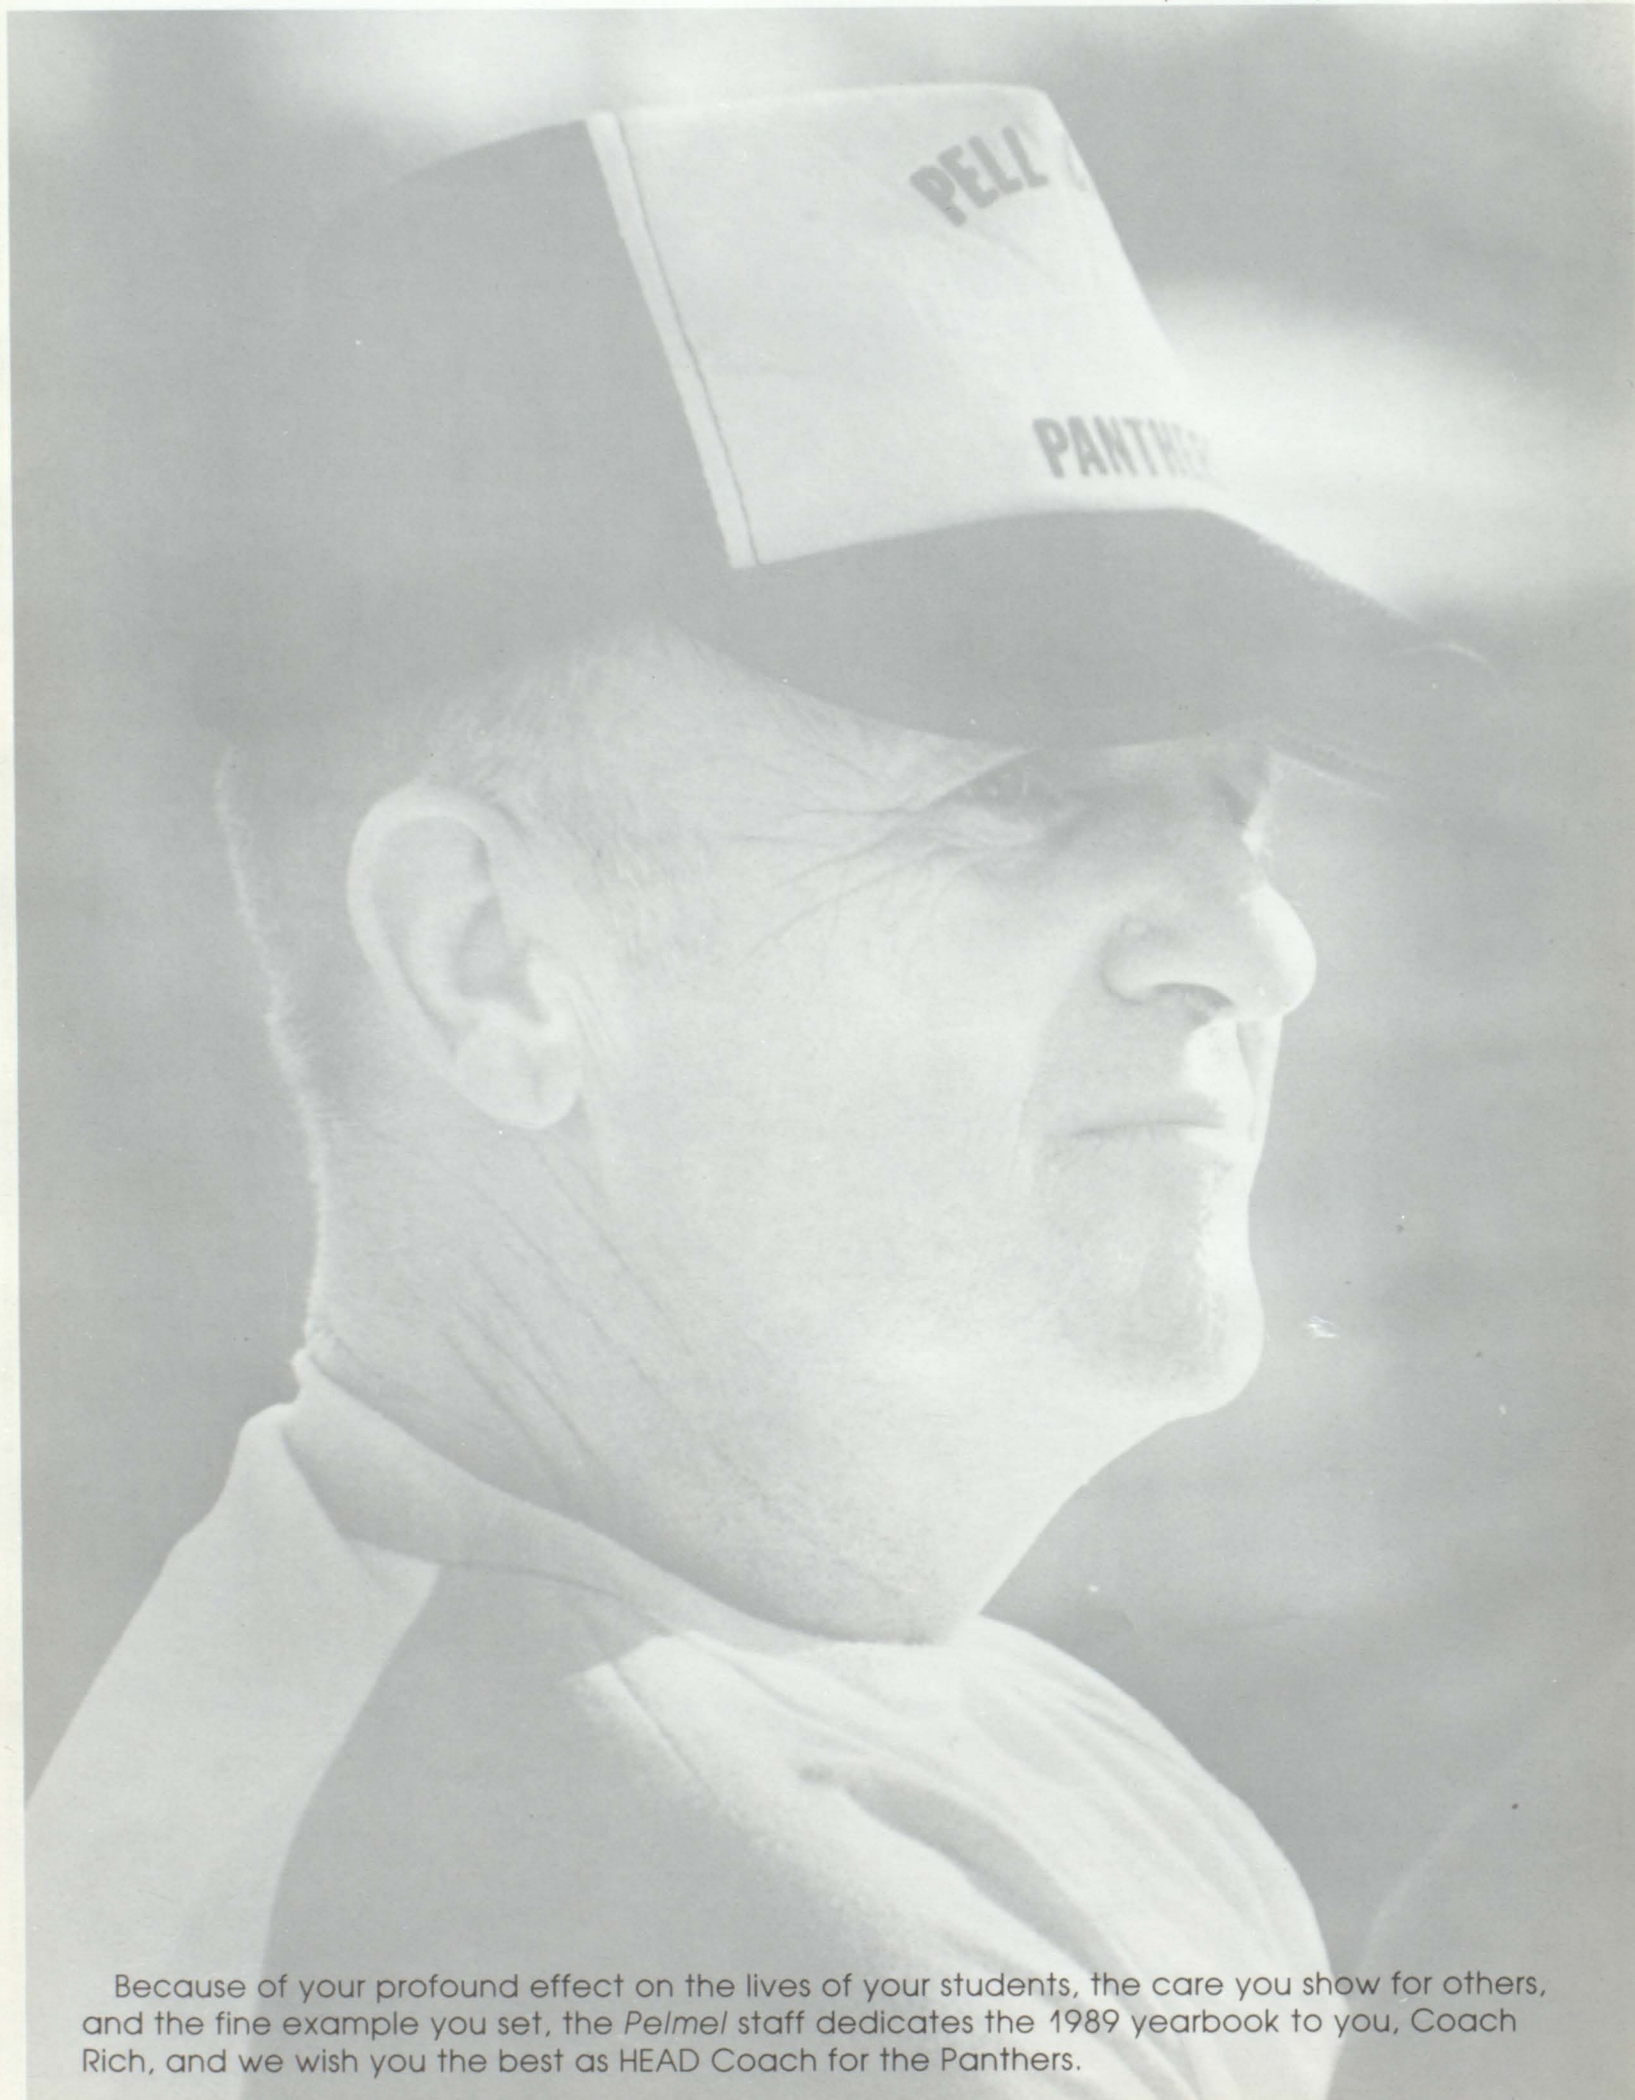

Serving our community, planning, leading and working together during A Club and B Club schedule taught us responsibility needed . . . IN ALL DIRECTIONS!!

The community of Pell City once again has supported our annual in order to help keep our memories alive. We appreciate their interest and will remember them as we go . . . IN ALL DIRECTIONS!!

Dedication: Coach Pete Rich

Because of your profound effect on the lives of your students, the care you show for others, and the fine example you set, the *Pelmer* staff dedicates the 1989 yearbook to you, Coach Rich, and we wish you the best as HEAD Coach for the Panthers.

RAYS OF LIGHT

As rays of light
We scatter in all directions
Knowing that innocence of youth
Will no longer be our protection
The faces grow old —
Though the pictures remain —
The faces of innocence and youth
Will never be the same
Because we are young-eyed —
Searching for what will be —
We are rays of light that
The world will use to see
We are a light for the world
And from a single source we fly
Spreading into the dark
To light a dawning sky
And though each ray of light
Again wishes to be one
We know that even in parting
Our unity cannot be undone
Spreading out on our separate ways
We are but a single segment of a light that shines —
A small, but significant part of forever
That will always be the class of 1989.

STUDENT LIFE

Pelmel

The *Pelmel*, is published annually by a staff of students that have shown a desire to serve the school and demonstrated an ability in both English and creativity, led by a faculty advisor. Staff members are expected to attend a workshop in the summer, at the University of Alabama, where this past summer they won first place in Theme Development. Throughout the year the *Pelmel* not only worked hard, but had fun in compiling your memories for the 1988-89

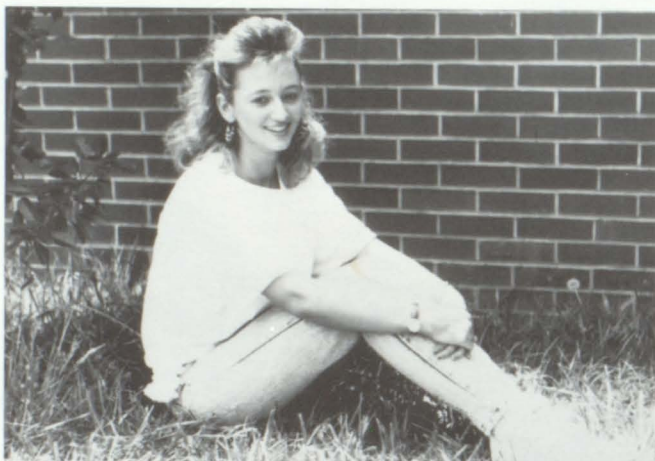

Direction.

Assemblies: Provide P.C.H.S. a Varied Outlook

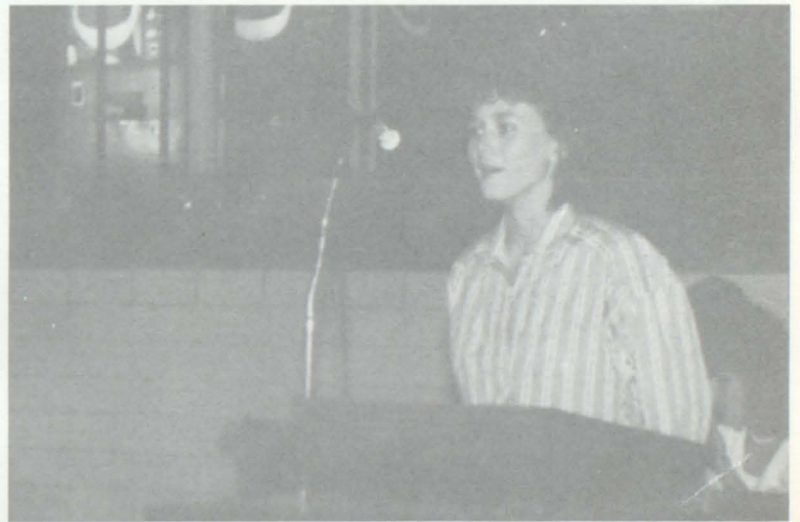

This year Pell City High School had many interesting assemblies. One was Harry Flaherty, a famous linebacker for the Dallas Cowboys. Mr. Flaherty talked to us about drugs and spiritual life. We also had a Christmas program, "The twelve days of Christmas."

The Beta and Junior Beta Club tappings involved the freshmen, sophomores, juniors and seniors.

This was the first year we had peer counseling. This program turned out to be very effective in our school.

Another was the Student Government Association (S.G.A.) speeches. The student body listened to each candidate and had a chance to vote on who they wanted to represent their school as S.G.A. president, vice president, secretary and treasurer.

As we close the year of '89' we can all remember the fun activities the P.C.H.S. student body has shared.

Homecoming: Panther Spirit Evident

Homecoming Week is a time to show your Panther Spirit and '88 was no exception. The student body showed their spirit by going all out on the dress-up days which were: Tacky-Opposite Day, Bad to the Bone Day, Jam Day, Military Day and Black and Gold Day. We all worked hard on class floats with the following winners: First Place, Juniors; Second Place, Seniors; Third Place, Freshmen; Fourth Place, Sophomores. The Cheerleaders were busy all week doing

their best to bring school spirit to a new high, which seemed to be achieved at the bonfire on Thursday night. We showed Pell City our stuff at the parade on Friday with a great display by our football team, cheerleaders, band, class beauties, floats and student body. We felt we had equaled and maybe surpassed displays of Panther Spirit in the past! Homecoming night was perfect for football and the stadium was packed early. The PCHS Band took the field with an outstanding perfor-

mance, as usual, followed by the introduction of the class beauties and finally the crowning of Christy Church as Homecoming Queen of 1988. We think that one of the greatest PCHS football teams took the field that night, but it was to be our destiny to meet a heart-breaking 21 to 17 defeat at the hands of Emma Sansom. Our mighty Panthers, led by Coach Tice, would use this defeat as an incentive to bring off a great comeback that would lead us to the State Playoffs and a great season ending.

Student Government Association

The SGA Officers are (L-R): Marc Booker, President; Christy Church, Treasurer; Sharron Gossett, Secretary; Rory Foster, Vice-President

The Student Government Association (SGA) at Pell City High School is a very active organization. It is comprised of the students at PCHS and is often times called the Student Council. This name is synonymous to its title in that it is the students' "council." The SGA has many purposes. Its main purpose is for the students to develop self government, so that they can see how to organize and discipline themselves in a political manner. Another purpose is to promote a better relationship between the faculty and students. The students need a "voice" and the SGA is there to serve this purpose. The SGA is also effective in promoting school spirit and enhances the opportunity for an extracurricular activity. The SGA also provides for the general welfare of the students. This past year the SGA promoted such activities as fund-raisers and dances. The SGA plays an important part in the Homecoming activities and raises money for this event. The future goals of the Student Government Association are to have more assemblies from community services. The student body has not had the opportunity to listen to community resources in a formal setting. These assemblies will show the students how they are to conduct themselves in a true assembly. The SGA would also like to see more students participate in this organization. We are going to also take more of a lead in setting up assemblies and introducing guests. We also would like to have a good fund-raiser so that we could have the best homecoming ever in the year 1989-1990. The Student Government Association is a great organization. It is growing and becoming more active. Come join us and help us grow. We would like to learn from you and listen to your opinions about things here at PCHS. After all, it is the STUDENT Government Association.

Spanish Club

The Spanish Club has grown in the past year from four people to approximately thirty. Their activities have also increased. This year was the first to have a car in the homecoming parade. The club sweetheart was Renee Baswell. On April 25, the Spanish Club joined with the French Club to put together a successful fund raiser. They called this day International Day. Booths were set up in the lobby representing many different countries. They had an abundance of food, arts and crafts representing each country's lifestyle and history. The funds raised came to a grand total of over \$1100, which went to aid Rhonda Graham for her trip to Russia. Overall, this was a very successful and fun event. Officers are as follows: Isabel Lagar, President; Nancy Vivas, Vice-President; Renee Baswell, Secretary; and Tonya Hullett, Treasurer.

Concert Choir

The 1988-89 school year was definitely an eventful one for the Concert Choir. During the Christmas Season the group toured numerous churches to perform a collection of Christmas music. The churches visited were: Pell City Church of God, New Hope Baptist, First United Methodist and Lister Memorial Baptist. The choir performed at the lighting of the Christmas Tree at St. Clair Regional Hospital and various civic Christmas functions such as the VFW American Legion's Christmas party and the Civitan's Christmas Dinner. The group also gave a Christmas Concert for the public.

Spring brought around the second annual talent show which was a tremendous success. Carla Williams won first place by singing and tapping to "Fabulous Feet." Other performances included: The Sacred Music Festival, Valentine's Pageant, the Pell City High School 50's Concert, the '89 Spring Concert, and singing at Spring Manor Retirement Home, First Baptist Youth Bible Study and First United Methodist Church. A third annual 50's and 60's Concert was held

Show Choir: A Musical Direction

There was a new addition to the Musical Department at P.C.H.S. this year. It was the "Show Choir" and this name proved to be very appropriate. This group performed at various events throughout the year including: Miss Pell High, the second annual Talent Show, Pell City High School Open House, the second annual Fifties Concert, the annual Spring Concert and the Alabama Reunion '89. The 1988-1989 school year was very engaging for the Show Choir, and extremely successful. The 1989-1990 Show Choir has already been chosen and hopefully next year will be just as rewarding as this one.

PCHS Band Of Gold

Both hard work and determination are essentials to achieve success in any organization. These two factors are always present in the minds of the 1988-1989 Pell City High School Band Members. Even though many long practices were required, they prepared a very successful field show consisting of: It's A Most Unusual Day, Drum Feature; Coconut Champagne, Johnny's Mambo, Big Girls Don't Cry, and the everlasting Shine Down. They received all superior ratings at both the Midsouth and the Shelby County Marching Festivals.

Taking the band in an upward direction, Mr. Diffie added to the Music department a symphonic band, and they performed at a District Contest and an annual Spring Concert. They marched in several parades: the Christmas, Homecoming, and at Epcot Center in Disney World. The Pell City High School Band being two-hundred and ten strong will always be known for their hard work and strong determination.

P.C.H.S. Drill Team

The dance team is composed of twelve outstanding dance students. The dance team was organized in 1985, and by hard work and determination have achieved superior ratings at all competitions they have participated in. They attended NCA dance clinic at Jacksonville State University in July 1988. At clinic they woke-up before dawn and practiced late into the night. Later receiving Most Improved Team award, Highest Group Rating trophy, many rewarding ribbons, and not to forget all those pulled muscles. In conclusion the dance team has added pizzazz to an already superb band.

P.C.H.S. Color Guard

The PCHS Colorguard is a well organized group of nine young ladies. This past summer several of these ladies attended a camp at Gadsden State Community College. They learned many new routines and techniques, and they brought them back to teach the others. Later they started band camp and all this hard work paid off; the girls were awarded superior ratings at the Mid-South and Shelby County marching festivals. Not only did these ladies gain experience, they also gained new close friends.

With
Pride

The 1988-89 school year proved to be a year of change for the Pell City High School Majorettes.

The year began by increasing the number of majorettes from six to eight. Seven of these eight were new additions to the line — only one remained from the 1987-88 year. Upcoming Freshmen were allowed to try-out for the first time, and two of them were chosen, making this year the first to include Freshmen.

After the excitement over the outcome of try-outs faded, the girls decided to take the initiative and begin preparing themselves for the following marching season. They met many times on their own throughout the summer and began choreographing their routines for the next school year. The new majorettes learned very quickly the "little things" all majorettes should know, and soon the line began to pull together.

Later into the summer, the girls attended a majorette camp at Gadsden State. They learned many new routines and combinations which would be used during the year to come. However, this summer wouldn't have been complete without the long, hot days of practice with the band that began in August. Of course, the practices were tedious and often accompanied by constructive criticism and arguments, but the reward for this was a fun-filled, successful year (with no less than superior ratings at competitions), many memories, and new friendships that will last forever.

Forever Young: Band Banquet

This year's Band Banquet was a tremendous success. After a few opening words by Mr. Roods everyone enjoyed Mrs. Spangenberg's dinner. After dinner Mr. White presented the Most Outstanding Bandsman awards to Rhonda Graham and Susan Smith, the Most Improved Bandsman award to Asa Beavers, and for the first time a Band King, Marc Booker, and Queen, Rhonda Graham were picked. All of the seniors were given a Wayne Spradley print of the old high school. Amy Simmons presented Mr. Diffie and Mr. White with an answering machine for the band hall office. Mr. McClurkin, on behalf of the band boosters, presented the entire band a video camera with all the accessories. Last, but certainly not least, we enjoyed watching the video tape of the band trip to Florida. This special evening was enjoyed by everyone.
