

French Club

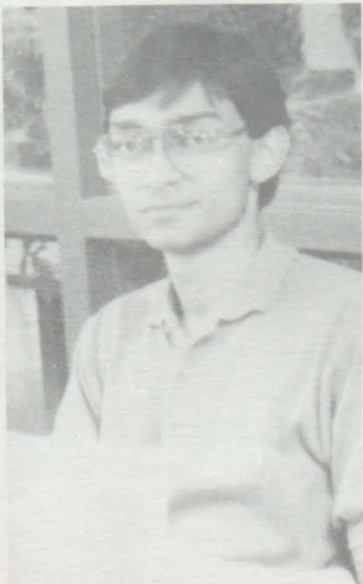

The French Club was organized in September, 1981. The French club is designed to encourage students to see the value of foreign language in their educational experiences. Club membership is open to any present or past French students. The activities of the club include field trips, such as a trip to New Orleans, tasting bees, based upon students' preparations and sampling of French cuisine, and they also sponsored a Beach Bash at the Pell City Civic Center. The French Club also helped Rhonda Graham raise money for her trip to Russia by selling food from other countries at the International Food Fair. Officers are as follows: Amy Hoagland, President; Holt Vinson, Vice-President; Amy Simmons, Secretary; Shea Prescott, Treasurer; Kim Gillison, Historian; and April Hughes, Sweetheart.

Awards Day: Headed in the Right Direction

"When I'm With You": Prom '89

The 1989 Junior-Senior Prom was held May 13, 1989, at the Birmingham Jefferson Civic Center.

This glamorous event was a giant step for the juniors, who decorated all day and then went home to get ready. The theme of the prom was "When I'm With You." It was played as the lead out song for King and Queen, Tommy Isbell and Gidget Dale. The Prince and Princess, Jay Doyle and Susan Hughes, along with the junior and senior class officers, also enjoyed the lead out dance. As the evening came to an end, and the success of the prom was evident, it truly was a step in the right direction.

Senior Day: In the Direction of the Future

Senior Day has been a tradition at PCHS for many years now. The seniors were issued their caps and gowns, invitations, and had their pictures taken. While they all sat in the gym they passed out name cards to their friends. At 1:00 everyone rushed to the lunchroom for their steak dinner which Coach Pate and the lunchroom ladies had prepared for them. It was a special day for the class of 1989, but yet it was just the first step in their future direction.

Senior Banquet: Class of '89

There are many exciting nights that a senior has to look back on and remember the fun and togetherness the class shared. One of those special evenings is the Senior Banquet. This year the banquet was held on May 18th at Alpine Bay. The class officers and sponsors worked hard to make this a memorable event. The Seniors began by eating dinner, then were introduced to Mr. Bradley Henderson, the guest speaker. He spoke to the seniors about changes they would go through after high school. After Mr. Henderson spoke, Marc Booker and Rory Foster took the stage and read the senior prophecy and entertained everyone with a rap. Mr. Gilbert closed the night with a few words of wisdom about drinking and driving.

Graduation: Beginning of a New Direction

ATHLETICS

Panther Spirit: Leads in All Directions

In Directions of Champions

The 1988 Varsity Volleyball team dedicated half of their summer to working on volleyball skills. The team attended camp at Woodlawn High School with instructors from UAB and Ramsay High School. The team was also invited to the very prestigious Donoho Invitational Tournament. Teams from all over the southeast and a team from Puerto Rico were invited. The competition was tough, but the Lady Panthers held their own. The highlights of the season came when the team won their second consecutive area championship. The Lady Panthers won the area from the five-time defending Erwin Eagles. This gave the team a berth in the sub-state. Unfortunately, the Lady Panthers lost to the reigning four-time State Champs, Ramsay High School. The team ended their season with a 17-9 record, which was the best in a long time. This was fantastic, considering that the competition this year was extended into *major* 5A and 6A teams that were well-known throughout the state.

The 1988-89 Lady Panthers continued their great success that was left over from the 1987-88 season. The team competed in the Alabama Sports Festival, in which they finished fourth place. The squad was the only high school team entered in the event, while the rest were all-star teams. The team also competed in the St. James Invitational and brought home the second place trophy. The Lady Panthers brought home the first place trophy in the Big Orange Classic and continued their reign as Area Champs for the second year in a row. The team won 27 games straight while finishing with a 29-2 record for the season. The Lady Panthers were rated number one by the Alabama Sports writers for the entire season. The team had three players to reach the 1,000 career point mark. The squad also holds the most wins ever by a girls team. They hold the record for largest winning margin which was 109-18. The Lady Panthers had a tremendous crowd support at all games, even the semi-final game with Williamson which ended in a three-point defeat. All in all, the Lady Panthers had a super season and finished 55-3 for the past two years.

The Direction
of Winners

The 1988-1989 Varsity Cheerleaders brought a new prospective and hopefully a future tradition to cheerleading at Pell City High School. This year, under the leadership of Mrs. Judy Jenkins, they showed everyone that cheerleading is a very competitive sport. They began their year with the Varsity Competition in Decatur. There they won 2nd place in their division and the overall spirit award. The next big event for them was cheerleading camp. That summer they attended the UCA camp at Florida State University where they worked hard all week and won superior ribbons at each evaluation. They won spirit sticks each day and one to bring home. At the end of the week, they were named Camp Champions which is the highest at the UCA summer camps. The cheerleaders were invited to compete at the South Alabama Regional Competition in Montgomery. They won 2nd in their division and competed in the finals where they were named Grand Champions. They won two trophies, \$100, and free tennis shoes for the squad. This also extended them an invitation to NCA Nationals held in Dallas, Texas. Next they attended Oxford Invitationals and won 1st place in their division, and awards for best cheer execution and best partner stunts. Their next competition was UCA regionals held at UAB. At this competition they won a bid to UCA Nationals held in Orlando, Florida. The cheerleaders began preparing for this competition. They practiced 40 hours a week for over two months. In Orlando they made it to the semi-finals. Pell City Varsity placed 21st in the nation. They were 21st out of the 67 squads from across the United States which qualified to compete. They missed making the finals by one tenth of a point. Although they did not make it to the finals, they made a name for Pell City Varsity. This was the first time Pell City Varsity had ever been invited to a national competition, and this year they were invited to attend two. This competition was the ending of an outstanding competitive season of cheerleading.

Freshman Cheerleaders

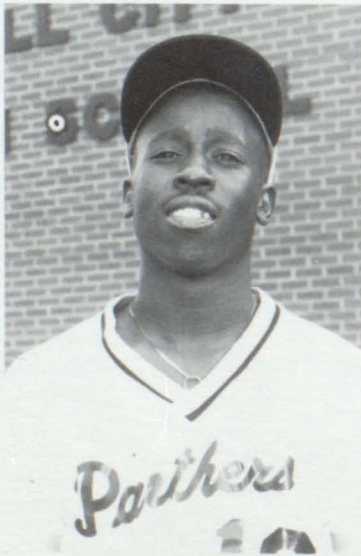

kneeling — Cayce Wright Left to Right — Amy Staples, Meredith Bowman, Jennifer Minor, Mandy Patterson, Michelle Allen, Brandy Brown, Jennifer Sides, Sheree Shepherd, and Laura Ponders.

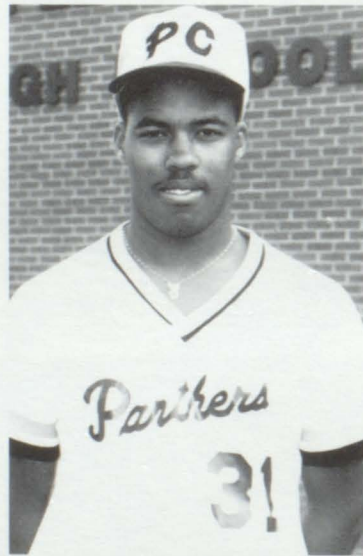

Baseball Team: Finds the Season Tough

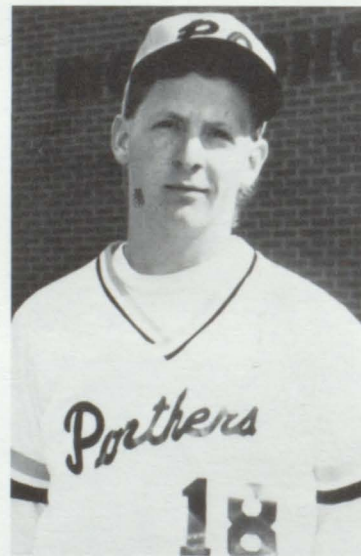

The 1989 Panther Baseball team ended the season with a disappointing 5-10 record. Still, the Panthers showed a lot of class in sticking together to the end. Emery Hoyle was named the MVP and Scotty Smith received the Leadership award. Stephen Kilgroe, Scotty Smith and Emery Hoyle were chosen to play in the East-West All-Star game.

Panthers Find a Silver Lining Pell City

After a disappointing start, the Pell City Panthers may have found their silver lining in the clouds. Injuries contributed to four initial losses. This rough beginning, followed by a Homecoming defeat, gave the Panthers a dim outlook on the season. But then their dark clouds rolled away and the Panthers began to shine in their next game against Talladega, a designated game, with a final score of 26-8. Unfortunately, the joy of victory was brief with the Panthers suffering yet another loss to Erwin. It was clear to all that to make their way into the state playoffs, victories in the next two area games against Leeds and Pinson Valley were necessary. The Panthers realized the ultimatum before them and kept in mind their goal (still attainable) of a berth in the State Playoffs. They won the next games 27-0 and 28-6. With the scores still shining in Pell City's favor, the Panthers won their first round state playoff game against Woodlawn 27-8. The Woodlawn game was one not to be forgotten soon, for it was an exciting game, especially for many Panther players. Not only did they capture a first round win, they also experienced the thrill of playing on the astroturf at Legion Field. But once again the clouds rolled in as the Oxford Yellow Jackets stung the Mighty Panthers 21-6 in the second round of the State Playoffs. All hopes for a State Championship this year were forever lost to the eventual State Champions, Oxford.

Tennis

Although tennis is a relatively new sport at PCHS, it is steadily growing in popularity.

Despite being plagued by bad weather, our teams practiced hard and represented our school well during their playing season.

The girls' tennis team, consisting of seven members, finished among the top six teams in their sectional tournament. The number one doubles team, Kimberly Brown and Lannie Nabors, advanced to the semi-finals round before being narrowly defeated.

Left to Right: Lynn Fulk, Lannie Nabors, Kimberly Brown, Wendi Brown, Shanon Herman, Julie Smith, Marie Diffee.

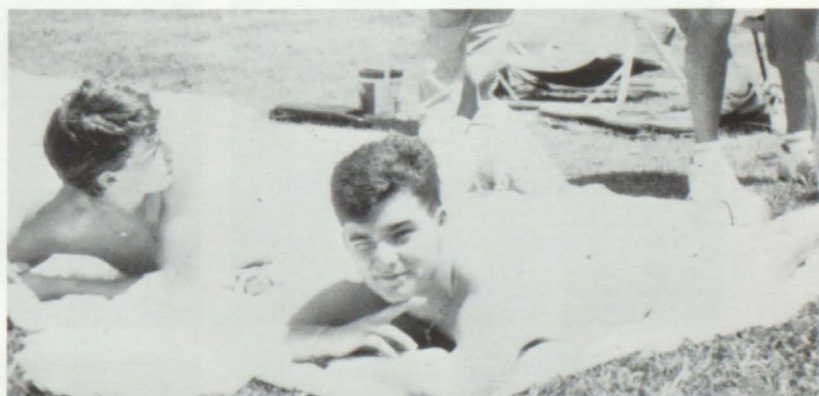

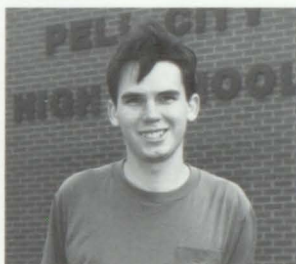

The boys tennis team, consisting of eight players, was among the top six teams of our section. They made a strong showing in the sectional tournament which was held in Gadsden.

The number 5 singles player, Jay Compton, advanced all the way to the finals. He was finally defeated in a tie-breaker in the third set.

This team was truly a credit to our school and an asset to our sports program this year.

Left to Right: Jay Compton, Carey Potter, Brian Smith, Brian Goodgame, Chad Coker, Not Pictured: Jody Lee, Holt Vinson, and Ed Eoff.
