Memories

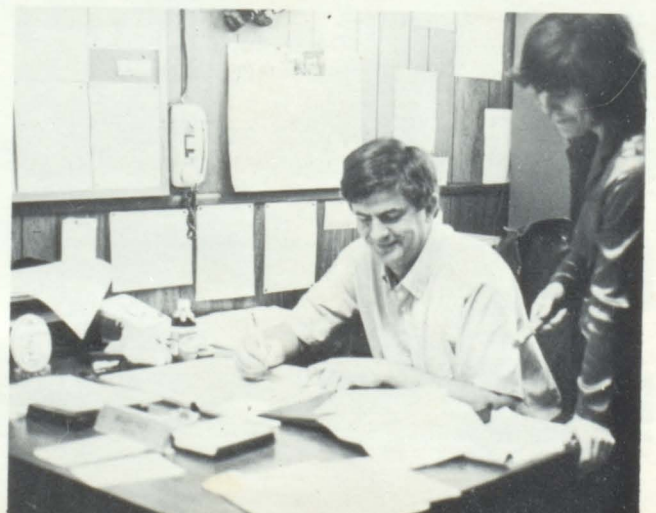

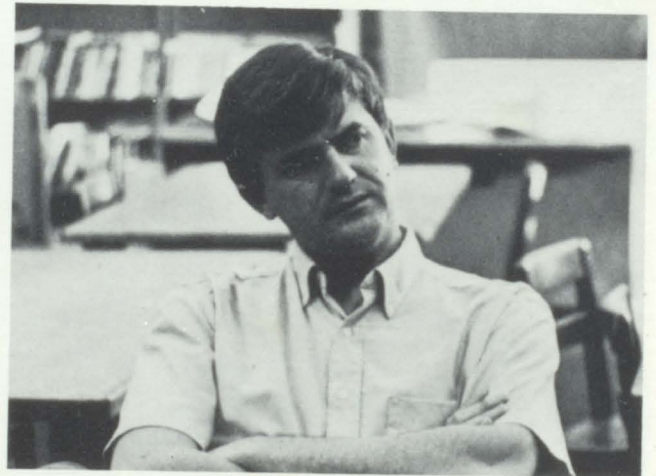

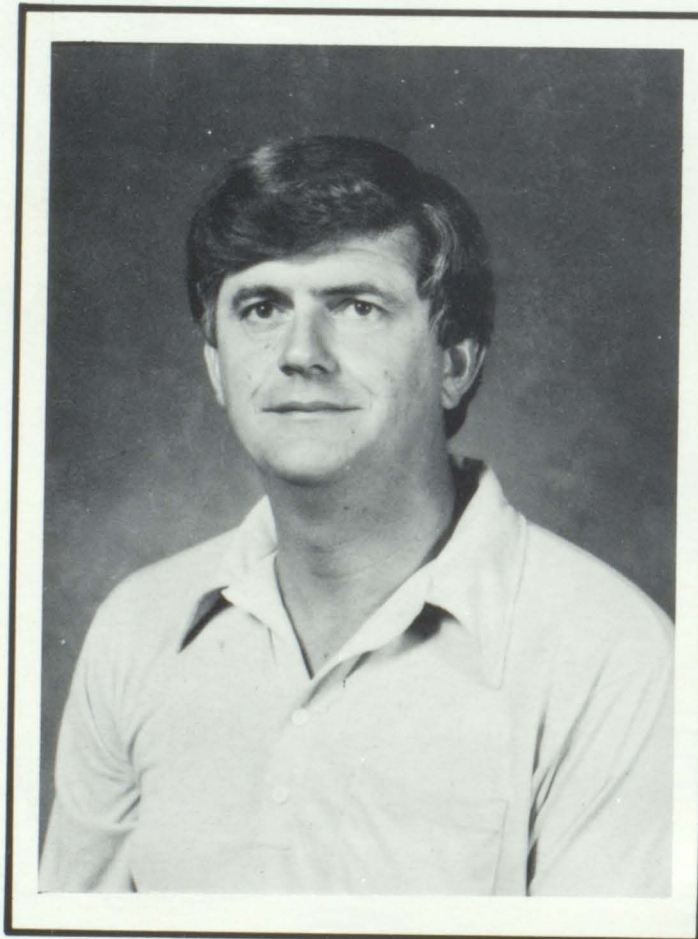

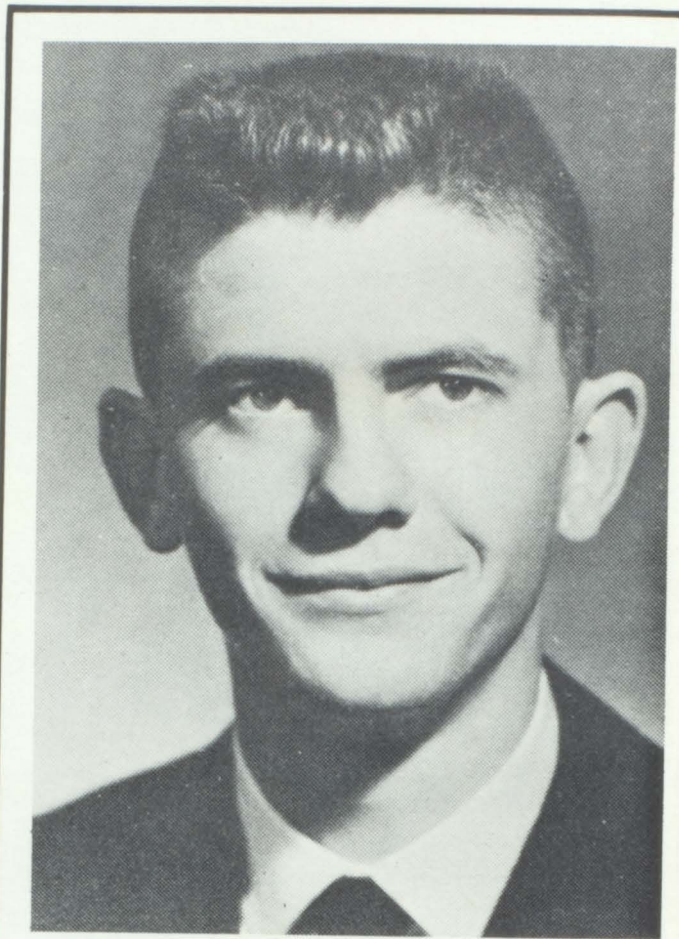

Administration

Principal Roger Pate

In 1961, Roger Pate remembers the Vietnam conflict and the Kennedy brothers' rise to power during his senior year. Jeans, tennis shoes, and men wearing long hair were "signs of the times." He fondly recalls his achievements as a member of the basketball and track teams.

Peggy Campbell

Pamela Foote

Counselors

Peggy Campbell remembers receiving the Danforth Award and the Outstanding Senior Award. She remembers being the yearbook editor and receiving St. Clair Co. Teacher Association Scholarship.

Now . . . 1981

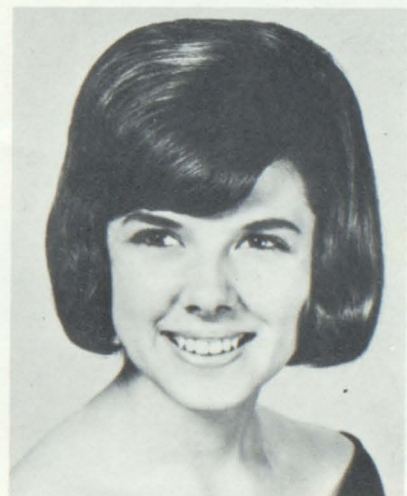

Now . . . 1981

Then . . . 1965

Looking back on her senior year, Pam Foote remembers the Banks Jets winning their first state football championship. Special memories are of her sorority leadout where the Drifters performed and the end of the year trip to Panama City with friends. She also remembers "cruising" through Monks and Shoneys when they had car hops to wait on you.

Then . . . 1966

Business Department

Fred DeRusso

As World War II was in progress, Fred DeRusso, along with many other seniors, entered military service prior to graduation. He remembers the "Big Band" era being in full swing. This included Glenn Miller, Tommy Dorsey, and Count Basie.

Then . . . 1945

A fond memory of her senior year was the time when a classmate had Annie Harris' clothes stolen as a joke during gym class. They searched until they found her clothes, but every girl in the gym class was tardy to the next class. No girl would tell the reason for their late arrival in class. Months later, when the truth came out, all the girls involved were punished.

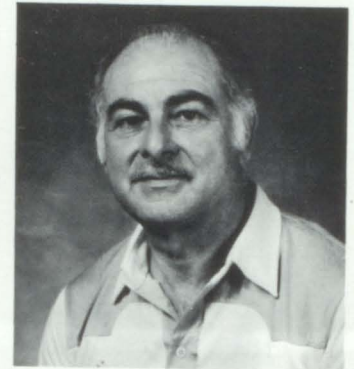

Annie Harris

Then . . . 1952

Now . . . 1981

Now . . . 1981

As the leading lady in her class play, Faye Whittle also remembers her senior trip, class picnic, and the state fair. But well above that, she recalls World War II and the rationing of shoes, hose, sugar, and coffee.

Faye Whittle

Then . . . 1943

Now . . . 1981

Creative Arts

John Lonergan

Then . . . 1960

Now . . . 1981

Cliff Morrison

Then . . . 1964

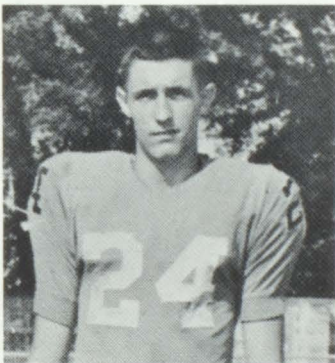

Now . . . 1981

When asked about his senior year in high school he said, "My strongest memories of school include playing softball during art class and always being in the halls with some sort of art equipment pretending to be doing something important but really goofing off."

Art class stands out most in Cliff Morrison's mind as he looks back on his senior year. Even then he was very much involved in drama, as he was the Honor Thespian, and took part in their spring musical.

Driver Education

W. T. Benefield

Then . . . 1965

Now . . . 1981

Pete Rich

Then . . . 1953

Now . . . 1981

Wynton Benefield, who lead in his conference in rushing his senior year, was also voted best-all-around. Being with friends and running around with football buddies were all important parts of his senior year.

As he was remembering his senior year, Pete Rich enjoyed being with all his friends and hated to see them leave. He also remembers the high school sports and being lucky enough to go to the University of Southern Mississippi and playing ball.

English Department

Judi Belter

Judi Belter remembers three hundred of her classmates packed in the hall in front of the office after graduation rehearsal singing the Alma Mater and crying and hugging.

Linda Raughton

Then . . . 1968

Now . . . 1981

Amelia Williamson

Then . . . 1950

Now . . . 1981

Many events were of importance to Amelia Williamson during her senior year. Some of the highlights were being cheerleader, the class trip to New Orleans, winning first place in State Talent Contest, the Prom, and working on the *Spotlight*.

Judith Coffey

Then . . . 1964

Some of Judith Coffey's best memories of her senior year include some extra-curricular activities. Concerts and productions of plays such as "Oklahoma," "The Music Man," and "Life with Father" were some of the highlights.

Foremost in Linda Raughton's mind as she looked back on her senior year in high school are mini skirts, hippies, cancellation of their senior trip, Vietnam War, and, best of all, her acceptance to Auburn University.

Now . . . 1981

Margaret Scott

Margaret Scott remembers being a cheerleader and having an appendectomy. As a show of concern, the football players carried her up and down the stairs to boost her morale.

Then . . . 1949

Now . . . 1981

History Department

Carole Birchfield

Now . . . 1981

Of the many memorable events during her year, Carole Birchfield remembers receiving her class ring on New Year's Eve.

Then . . . 1960

Mary Ann Dimick

Then . . . 1961

Now . . . 1981

As Mary Ann Dimick looks back on her senior year, she remembers the Honor Society trip to Nashville and awards received for "Miss Band" and "Betty Crocker Homemaker of Tomorrow." Also bobby sox, full skirts and petticoats, a winning football team, and friends are a part of her memories.

David Bryant remembers attending P.C.H.S. when it was a new school, carrying lunch from home wrapped in a newspaper, and school bus drivers being mostly students who were paid \$12.00 a month.

David Bryant

Then . . . 1939

Now . . . 1981

Leon Harris

Leon Harris recalls near disaster when he almost lost his gym shorts during a basketball game. Having left his own gym shorts at home, he borrowed a pair much too large and pinned them on. Unfortunately that didn't work, but luckily he caught them before they fell down.

Math Department

Martha Weeks

Memories of wartime are evident as Martha Weeks recalls "our senior class decreased as boys enlisted in the service." The highlight of her senior year was being chosen salutatorian.

Then . . . 1943

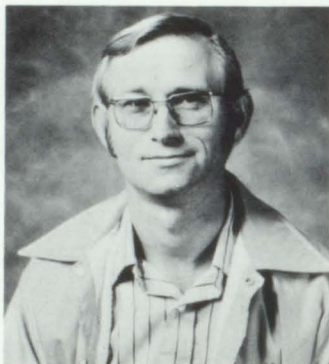

Now . . . 1981

Music Department

Dennis Diffee

Then . . . 1966

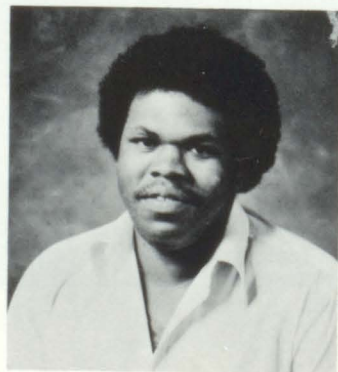

Now . . . 1981

Sports and music stand out most in Dennis Diffee's memories of his senior year. He recalls a 1-9 football season and also winning first place in the Greatest Band Contest in New Orleans.

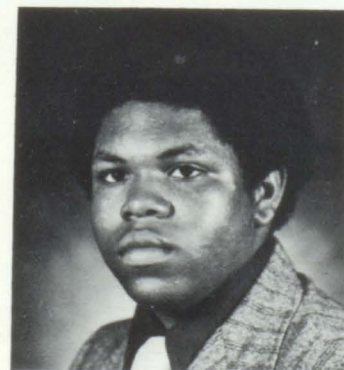

Ronny White

Being selected as a candidate for Mr. Pelmel is a memorable event for Ronny White. He also remembers when "half the band got blasted after the State Band Contest."

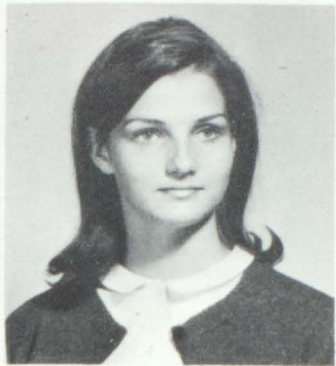

Then . . . 1973

Now . . . 1981

Physical Education Department

Martha Aldridge

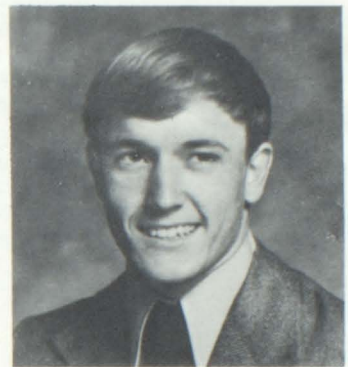

Then . . . 1969

Now . . . 1981

Not only was Martha Aldridge active in all aspects of sports, she was also a finalist in the yearbook beauty contest and elected to the Miss Bradshaw High School Court.

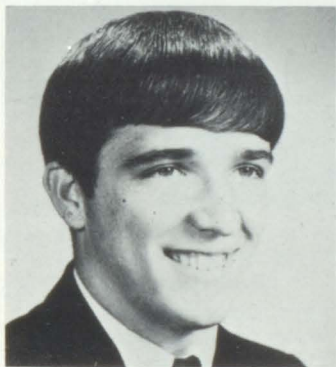

Brian Ellard

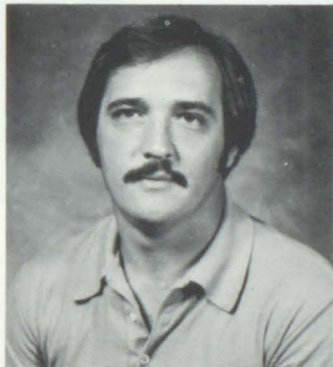

Then . . . 1973

When asked about his senior year, Brian Ellard recalls having grown up in a small town. Athletics captured most of his time. But reluctantly he recalled egging people's houses on Halloween night.

Freddie Hazelwood

Then . . . 1968

Now . . . 1981

Mark Green remembers working all of his senior year. He did not date many girls in his senior year because his philosophy was to date all of them or none.

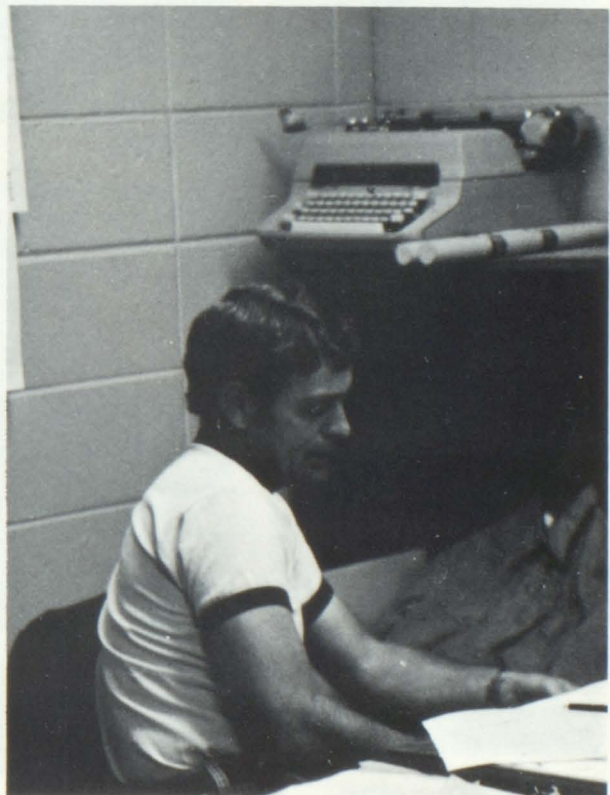

Then . . . 1961

Mark Green

Now . . . 1981

Now . . . 1981

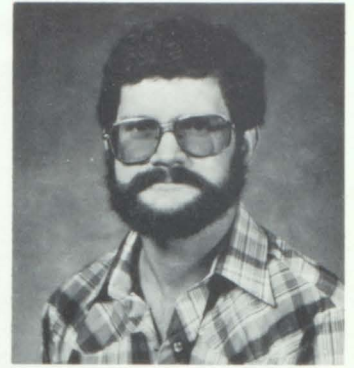

Science Department

Favorite memories of Emmett Gaskin's senior year include wearing Gant shirts and Wee-jun shoes, going to Duke Rumore's record hop, and the Big Snow on New Year's Eve. Other events included Kennedy's assassination.

Emmett Gaskin

Then . . . 1964

Now . . . 1981

Special Education Department

Merrilyn Cook

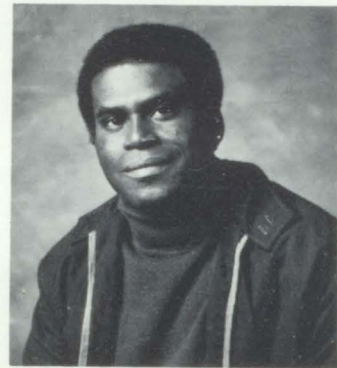

Then . . . 1967

Now . . . 1981

Merrilyn Cook recalls her sorority lead-out at Cascade Plunge, going to the Banks Senior Prom and the Woodlawn Senior Prom in two consecutive weeks, and having her wisdom teeth extracted and looking like Alfred Hitchcock for a week.

Jesse Culpepper

Jesse Culpepper remembers returning home from the senior prom sad because he went stag and found that all his girlfriends turned up with other dates.

Nancy Hartley

Then . . . 1971

Now . . . 1981

The Junior-Senior Prom stands out most in the memories of Nancy Hartley's senior year. She recalls being allowed to stay out until one o'clock that night and a song dedicated to her, "Heavy on My Mind."

Vocational Department

Kathy Erwin

Then . . . 1970

Now . . . 1981

Looking back to her senior year, Kathy Erwin embarrassingly remembers modeling the evening dress she had made and ripping it. Happier memories included being majorette, working on the senior float, the Christmas dance and graduation night.

Clyde Mitchell

Cedric Phillips

Football season was the "BIG" memory for Clyde Mitchell as he was a member of the football team. Attending his Jr. and Sr. proms also stands out in his mind.

When asked about his memories of his senior year, Cedric Phillips summed it up in one word — FUN! He went on to add his trip to Washington and the beginning of the Korean War.

Librarian

Joyce Stolle

Joyce Stolle proudly remembers her class being the first to graduate from a new high school. During her freshman year, the old school burned down. After several years of attending class all over the neighborhood, the new building was finally completed in time for the 1965 graduation.

The Beta ideals of character, leadership, and achievement should be exemplified by Beta Club members. The Pell City High School Chapter of the National Beta Club undertakes service projects of benefit to the school and community during the school year. These projects include a yearly blood drive, coordination of the Multiple Sclerosis Campaign in Pell City, and financial support of an annual scholarship awarded to a Pell City High School senior. Other activities of the club include attendance at the annual Alabama Beta Club Convention. This year the club hopes to send a delegation to the first National Beta Club Convention.

It's a good thing that neatness isn't necessary for Beta Club membership!

Tired but happy, the Beta Club receives the "Big Drop Award" for the second consecutive year.

The F.H.A. motto, "Towards New Horizons," is a challenge to members that reminds them that their contributions to home life today will influence the kinds of homes they have tomorrow. The motto also tells members that their family life will influence the community and the world.

F.T.A. Club

The letters F.T.A. stand for Future Teachers of America. The F.T.A. was formed as a service club for future teachers. The F.T.A. serves the community by visiting local nursing homes. The school is served by the F.T.A. through a teachers' tea held each spring to show the club's appreciation for the Pell City High School faculty. Also, the F.T.A. visits college campuses to acquaint members with college life.

Although the Lady Panthers experienced a disappointing season, it was highlighted by two games. After the Christmas break, the girls won their first game over Ashville. The Panthers were in control throughout the game and won by an impressive margin. The final game of the season was very close and exciting. The lead changed hands throughout the course of the game, but excessive fouls forced the team to finish with only four players. Thompson won by a small margin.

The Lady Panthers were led by Tamara Seales and Monica Martin in the scoring department. It seemed as if the two of them would never score high on the same night. However, both girls finished the season well by scoring the double figures in the Area Tournament. Monica Martin was selected to be on the All County Team. The seven member team will lose three of its starters at graduation. The Lady Panthers wish these seniors the best of luck in their future, while the returning and new members look forward to a new and better season.

A lack of membership slowed the track team this year by not allowing the panthers to enter every track and field event. Even though this problem caused low team scores, the season was successful in many ways for the individuals that participated. Distance runner Robert Perry qualified for the two-mile run in the State Track Meet by placing third in the District Meet and fourth in Sectionals. With only one team member graduating, the experience gained will be a solid foundation for next year's team.

Activities

Valedictorian

To be chosen valedictorian of the graduating class is the highest honor that can be bestowed on a senior. The valedictorian is the member of the senior class who has maintained the highest grade point average. The selection is based upon grades compiled during a student's freshman year, sophomore year, junior year, and the first term of the senior year. Vicki Campbell has been named Valedictorian of the 1981 graduating class of Pell City High School. She is a member of the Beta Club and was selected for membership in Who's Who Among American High School Students. She plans to enroll in Jefferson State Junior College and major in nursing.

The salutatorian of the graduating class is the student with the second highest grade point average of the grades acquired in high school through the first semester of the senior year. This honor was bestowed on the Student Council President, Sharon Docherty. During her junior year, Sharon represented Pell City High School at Girls' State. Being All-County first chair flute and being named to Who's Who Among American High School Students were some of her accomplishments. She was Vice-President of the Beta Club and a member of the Career Club and Math Club. Sharon has been awarded a scholarship to Transylvania University in Lexington, Kentucky where she plans to major in political science in order to pursue a career in law.

Salutatorian

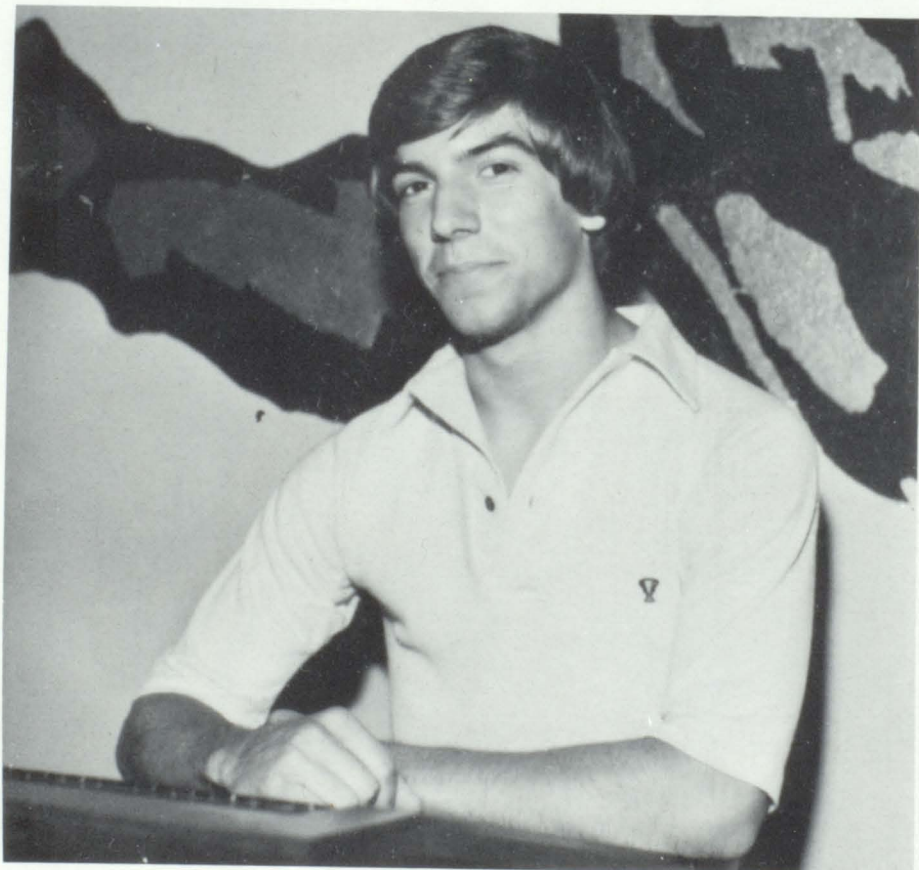

Each year two members of the senior class are selected by the faculty to be presented with Danforth Awards. These awards are made possible by the American Youth Foundation "I Dare You" Committee. Selection of the awards is based upon the highest scholastic average attained by a boy and girl in the class excluding the Valedictorian and Salutatorian.

Angie Smith Chandler was chosen to receive one of this year's Danforth Awards. In addition, Angie also has been awarded a one year scholarship to Gadsden State Junior College where she will study accounting. During her senior year at Pell City High School, Angie was a member of the Beta Club and Pep Club.

Danforth Awards

Danforth Award recipient, Joe Bob Evans, was active in the Beta Club, Key Club, Math Club, Science Club, and Career Club during his senior year. Joe Bob plans to attend Auburn University and major in pre-medicine.

Laurie Mathis was named St. Clair County's 1981 Junior Miss. To qualify for the competition that was held in Springville, she had to be a senior girl living in St. Clair County. For her talent, Laurie chose to sing "Ice Castles," and in addition to being judged in a talent division, the scoring was based on scholastic achievement, personal appearance, physical fitness, and a judge's interview. This title automatically carried a choice of scholarships: one year's tuition to Jacksonville State University, four year's tuition to Judson College, or four year's tuition to Livingston University. Laurie has plans to major in business administration in college.

Scholarships

Marcia Jones was presented with the Counselor's Scholarship for 1980-81. This entitles her to her first semester tuition at Jacksonville State University where she plans to study computer technology. During her senior year, Marcia was active on the volleyball team and as a member of the Student Council. She also served as treasurer of the Beta Club.

Debby Thomas plans to attend Transylvania University in Lexington, Kentucky to study chemistry. Her long range plans include entering the field of health sciences.

Debby has received dual scholarships consisting of a National Merit Scholarship and the Pell City Beta Club Scholarship. In the fall term of her junior year of high school she took the PSAT to become eligible for a National Merit Scholarship in her senior year. These scores and an evaluation of her high school career, comparable SAT scores, and a principal's recommendation determined her finalist standing. Transylvania University sponsors a four-year National Merit Scholarship covering half a student's tuition. The Beta Club Scholarship is based on scholarship, leadership, and need.

The recipient of the Freshman Honor Scholarship at the University of Montevallo is Cassie Golden. This scholarship is awarded on the basis of scholastic achievement. Cassie intends to study a field relating to medicine. Cassie was selected for Who's Who Among American High School Students. She was secretary of the Math Club, treasurer of the senior class and a member of the FTA, Beta Club, Science Club, and CIA.

Darlene Robertson, received a Music Scholarship to the University of North Alabama. Darlene was chosen for this scholarship after she was recommended by her band director and after a personal interview at the college. She was also chosen for Who's Who Among American High School Students, and received an excellent rating in Solo and Ensemble. Darlene is a member of the math Club and Beta Club and has participated in the gifted program.

Jim Cormier was presented with a first semester scholarship to the Columbus College of Art and Design. To qualify, Jim had to submit a portfolio consisting of ten pieces of his art work. Jim plans to pursue a degree in Fine Arts in order to teach or work in art illustration. During his senior year, Jim was a member of the French Club, Art Club, and the Panther Paw Staff. In addition to the art scholarship, Jim has been awarded a hundred dollars from Southern University and has placed second in the 1977 Helm Art Award. He is currently competing for a Reader's Digest NAEA Art Scholarship.

A one year scholarship to Gadsden State Junior College was awarded to Angie Smith Chandler on the basis of scholastic achievement and character.

Sharon Docherty has been awarded a part academic and a part Faculty Staff Scholarship that will cover all tuition for four years at Transylvania University in Lexington, Kentucky. Sharon's award was given for scholastic achievement. A career in law is a long-term goal for Sharon.

Kelly Gurley, a member of the junior class, has been chosen to represent Pell City High School at Girls' State this year. Kelly hopes that this experience will help her to become familiar with the many responsibilities and duties of our government. To be eligible for this honor a girl must maintain a "C" average and is required to submit a short essay on why she would like to be chosen. The essays are reviewed and, along with the teacher's recommendation, the most eligible girl is chosen. This opportunity is made possible by the Pell City Chapter of the American Legion Auxiliary.

Girls' and Boys' State

Jeff Matchan, a member of the junior class, has been chosen to represent Pell City High School at Boys' State this year. Jeff feels that this learning experience will enable him to make wiser decisions concerning the election of public officials. The requirements are the same as those for Girls' State, and it is also sponsored by the Pell City Chapter of the American Legion Auxiliary. Boys' State will be held at the University of Alabama in Tuscaloosa from May 30 through June 4, 1981.

In the Market Hog Show the competitor's hogs were judged on different things according to what class his hog is entered. John placed first in the Senior Showmanship which is judged on the showman himself. He also received third place in the Lightweight Hogs Division which is judged on the condition of the smaller hogs.

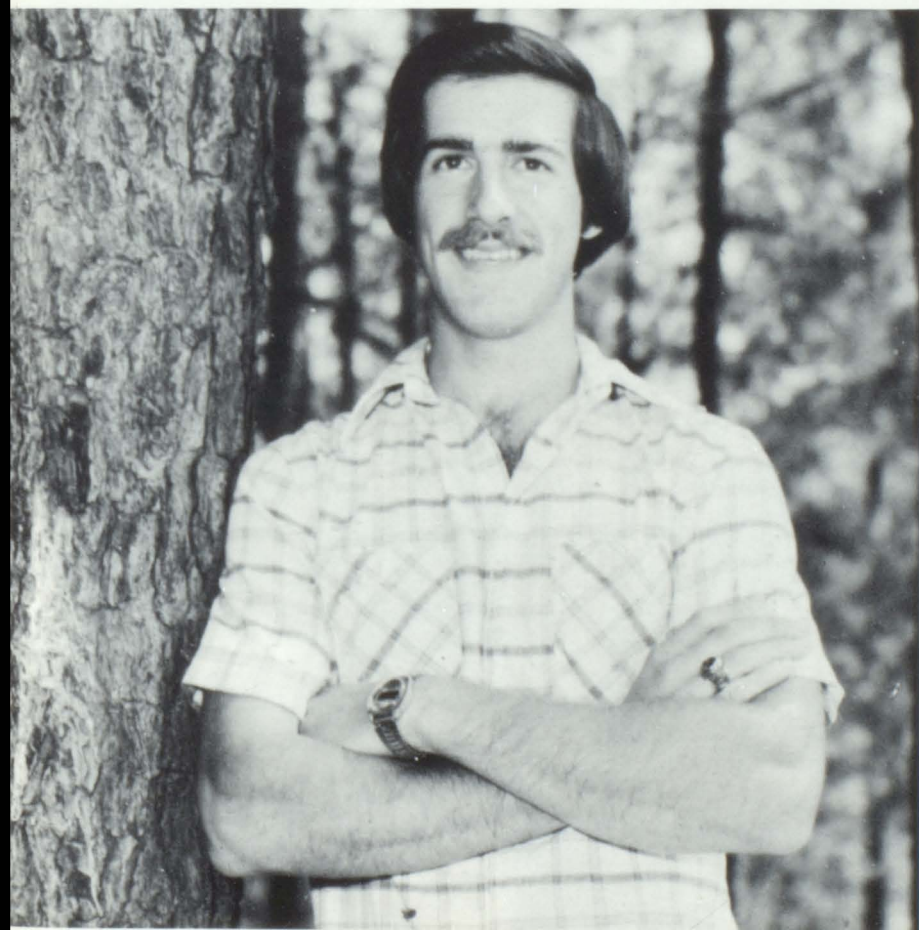

Donald Lang won first place in the Lightweight Market Hog Class, and Howard Alexander won the District Livestock Award. Harold Walker, Johnny McNutt and Melvin Gillison composed the Agricultural/Mechanics team that qualified for district competition. Also at district, John Pennington won the Steer Show. Kenny Federlick was awarded their place in the State Steer Show. Howard Alexander, Billy Rich, and Doug Isbell were awarded a Soil Award.

In the Market Hog Show, Bryan Disspain won fifth place Heavyweight, seventh place Lightweight, and second place Showmanship.

The Daughters of the American Revolution (D.A.R.) Good Citizenship Award is open to members of the senior class who are citizens of the United States of America and who attend schools which are in good standing with their state board of education. The person selected must have the qualities of leadership, dependability, service and patriotism. Three students are popularly elected by the senior class for the award. Then from these a school award winner is chosen by the high school faculty. A pin and certificate are presented to the school winner.

The Soroptomist International Club, a women's organization, has awarded Senior Class President, Tim Walker, their Youth Citizenship Award. He has been awarded \$100 and is in contention for a Regional and National Scholarship Award worth \$1500. Tim is also the president of the Key Club and a member of the Student Council, Math Club, and VICA Club. He plans to study petroleum engineering at the University of Alabama after completing two years of study at the University of Alabama in Birmingham.

For the second consecutive year, the Pell City High School Beta Club won the state talent competition. "We're All Alone" was the song that was performed by the talent group that included Sonja Castleberry, Debby Thomas, Darlene Robertson, Rick Sargent, Suzanne Etheredge, Angela Macon, and Laurie Mathis. The group was the winner in the "feature" division at the Alabama Beta Club Convention.

The Pell City High School Beta Club was awarded the first annual Alabama Beta Club of the Year Award. In order to qualify, the club submitted a written paper to the state officers. The paper presented an explanation of how the Pell City Club demonstrated the them, "Beta, Be A Part Of It." The Award was made at the Alabama Beta Club Convention.

Many hours of hard work were rewarded on the evening when the State Scrapbook Winner was announced at the Alabama Beta Club Convention. The president, Erskine Funderburg; the editor, Kathy Gettys; and sponsor, Ms. Marilyn Cook were especially pleased with this first time award.

For the second consecutive year, The Beta Club has been awarded the Blood Drive Big Drop Award for Outstanding Participation by the Alabama Red Cross. This award is given to those high schools that collect more than 100 pints of blood.

This year's Football Scholastic Award went to Joe Bob Evans. During his senior year, Joe Bob participated in both football and baseball.

The Permanent Team Captain for the Pell City High School Panthers of 1980-81 was David Sawyer. He was also a member of the Beta Club and Science Club. David plans to attend the University of Alabama after graduation.

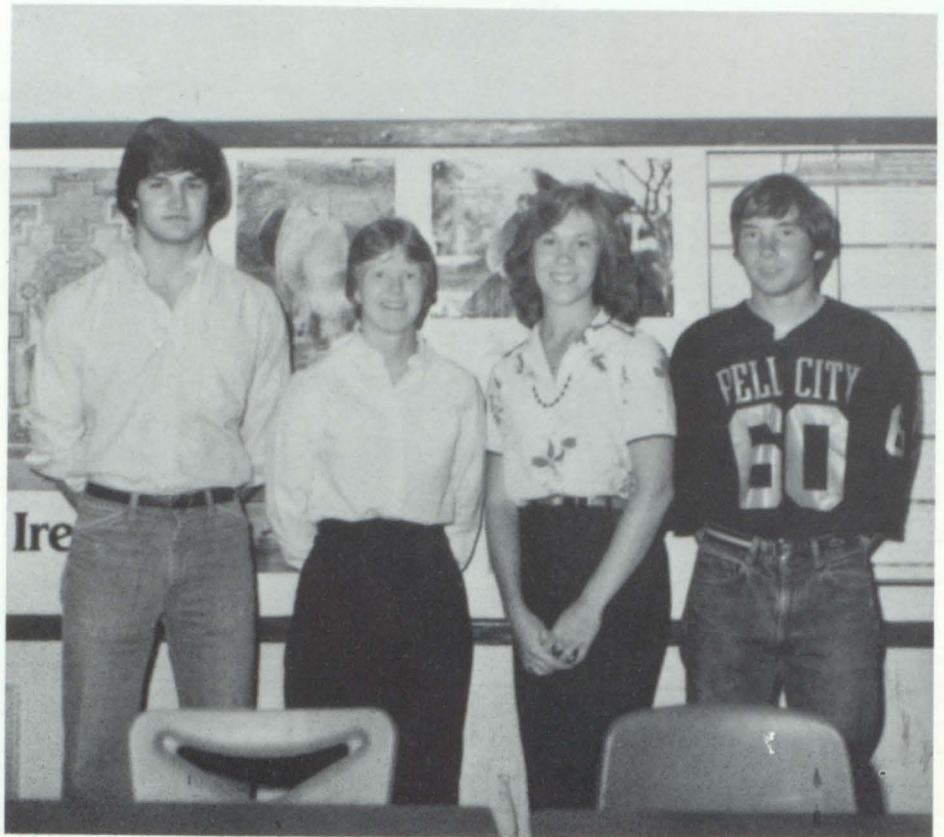

Erskine Funderburg was the recipient of the Gerald Gossett Sportsmanship Award at the Football Banquet. He also received the Sportsmanship and Hustler Awards for his achievements in basketball. During his senior year, Erskine was the president of the Beta Club, vice-president of the Key Club, treasurer of the Math Club, and a member of the Science Club. After graduation from Pell City High School, Erskine plans to attend Auburn University and study architecture.

During the 1980-81 Football Banquet, Sammy Smith received dual honors when he was named permanent team captain and Most Valuable Defensive Player. Sammy has been an active participant in the Pell City High School sports program. He has been a member of the football team for four years and has played on the baseball team for two years. He also has been a member of the F.F.A. Club and Chess Team.

Math Team

Four members of the Math Club are elected each year to serve as team members for the math tournaments. These members are usually from the fourth year math class.

Only six years old, the Pell City High School Thespian Troupe boasts over one hundred major awards including several state championships, and it has performed from Virginia to Mississippi. Members of the Troupe have also performed and taught workshops at the last three International Theatre Arts Conferences which are held in Indiana. Trope 2012 has won the Dorothy Walker Outstanding Troupe Award for the third consecutive time. A well-advised motto is "act well your part, there all the honor lies."

The Spirit of Black and Gold . . .

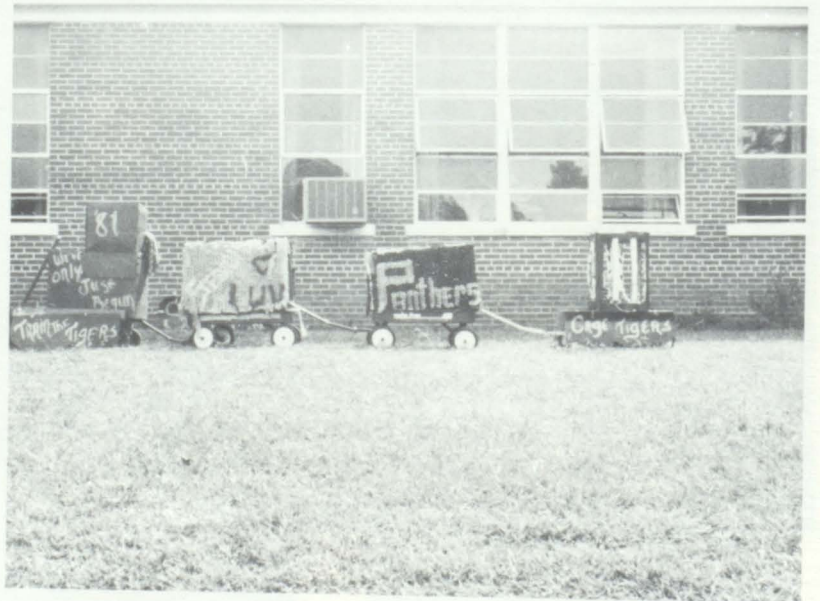

Throughout the years, Pell City High has been known for its spirited students and pep rallies. The events begin with the entrance of our football team and continue with cheers of support by the cheerleaders and enthusiastic songs by the band. A special tradition of these pep rallies is the P.C.H. Spirit Ball that is awarded to the class showing the most spirit.

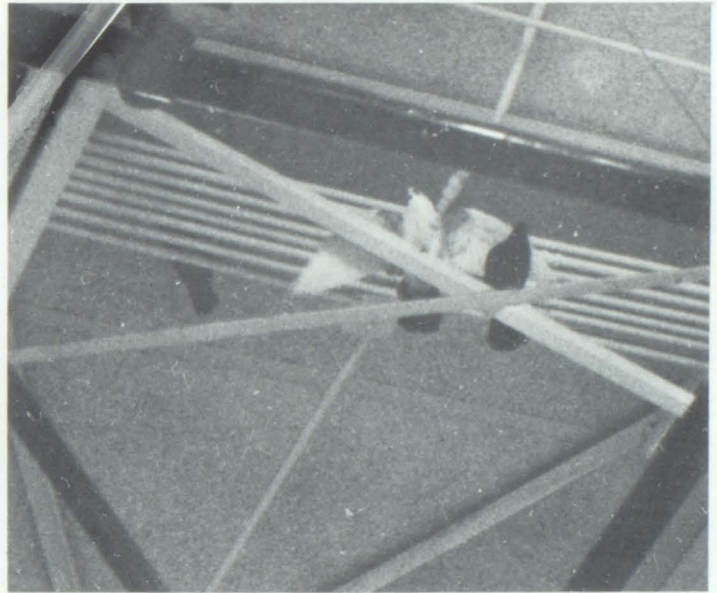

Makes P.C.H.S. Tops!

Homecoming was the most exciting week at Pell City High School, and mischievous acts seemed to crop up everywhere; like goats on the school, pigeons in the gym, and paintings on the city buildings. Other events during the week were days set aside for special dressed occasions such as pajama Top Day, Hat and Shades Day, Western Day and Fifties Day. On Friday an exciting pep rally was held before the big game. Everyone had been talking about who was going to be the Homecoming Queen and finally the ballots were counted. The queen was crowned during the football game.

With Nowhere to Go.

Homecoming Queen: Karen Miller

The Homecoming Queen is elected by the student body; but to qualify for the ballot, a girl must first submit a petition to the counselor. Each student then selects one candidate from each class.

Karen Miller is the Homecoming Queen for 1980. A member of the junior class, Karen is active in the Beta Club, Math Club, Science Club, Career Club, and Pep Club. In addition to these clubs, Karen has been a P.C.H.S. cheerleader for two years.

Senior Alternate: Cathy Gettys

Cathy Gettys is a member of the 1980 Homecoming Court. A member of the Senior Class, Cathy is also active in the Student Council Beta Club, Science Club, Math Club, Career Club, F.T.A., and Pep Club. Being named to the Who's Who Among American High School Students and being head cheerleader during her senior year are some of her accomplishments.

Another member of the 1980 Homecoming Court is Mary Cormier. A member of the junior class, Mary expresses her outgoing personality as a member of the Pep Club and panther Paw Staff. Her hobbies included square dancing, swimming, and writing poems and short stories.

Juniors Alternate: Mary Cormier

Sophomore Alternate: Toni Jacobik

Toni Jacobik as tenth grade alternate is a member of the 1980 Homecoming Court. Toni participates in the Beta Club, Science Club, Career Club, and is Vice-President of the Pep Club. She is also a member of the Pelmel Staff.

Anything Goes

Students and Community

Teachers' Appreciation Tea

The FTA Tea was given to show appreciation for the teachers' hard work and efforts. Cassie Golden organized the affair that was held in the Home Economics Building. This annual event is given by the club under the sponsorship of Mrs. Amelia Williamson.

Band Banquet Honors Seniors

The graduating members were the guests of honor at the "Sail Away" Band Banquet. Each senior received an engraved plaque, and they gave Mr. Diffie a personalized plaque. Also honored were Mr. White and the band section leaders. The seniors will be able to always recall the fond memories that were made as they "Sailed Away" from the experiences of the Band of Gold.

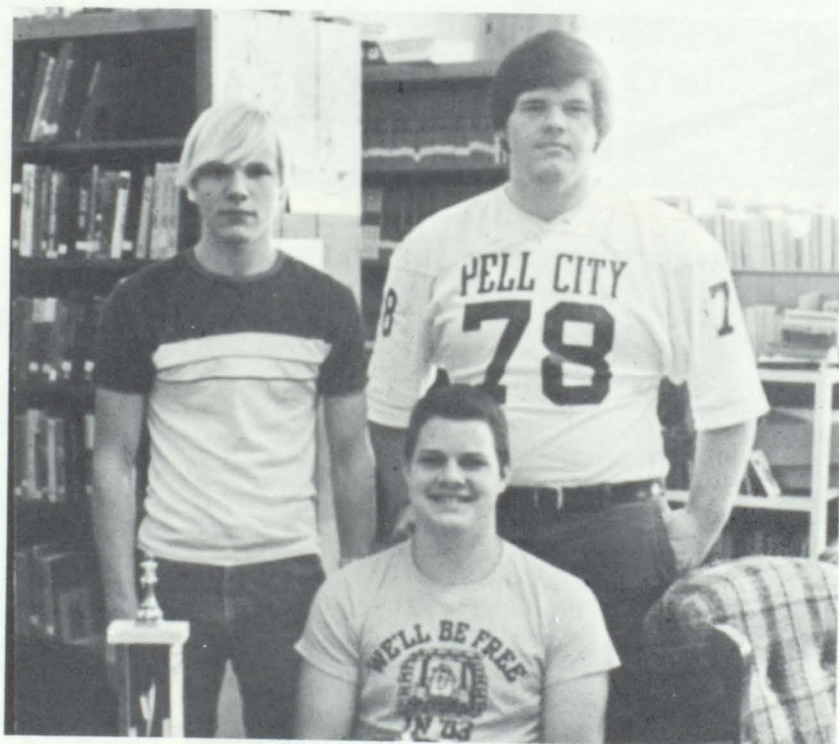

Chess Team

Seated: John Simmons, Debby Thomas, Bo Crump. *Standing:* Mike Leonard, Danny Smith, Mike Marcus, Joey Dykes, Daniel Bowlin, Sammy Smith, John Webb, Doug Mitchell.

The Pell City High School Chess Team won second place at the Midfield High School Invitational Tournament on February 28, 1981, in Birmingham. This placing was the highest ranking that the team has ever received. John Webb also won first place in the individual competition. The team members are selected each year by a school tournament. The members are then ranked, and two teams of four plus four alternates are formed. The team members may challenge a higher player for his ranking.

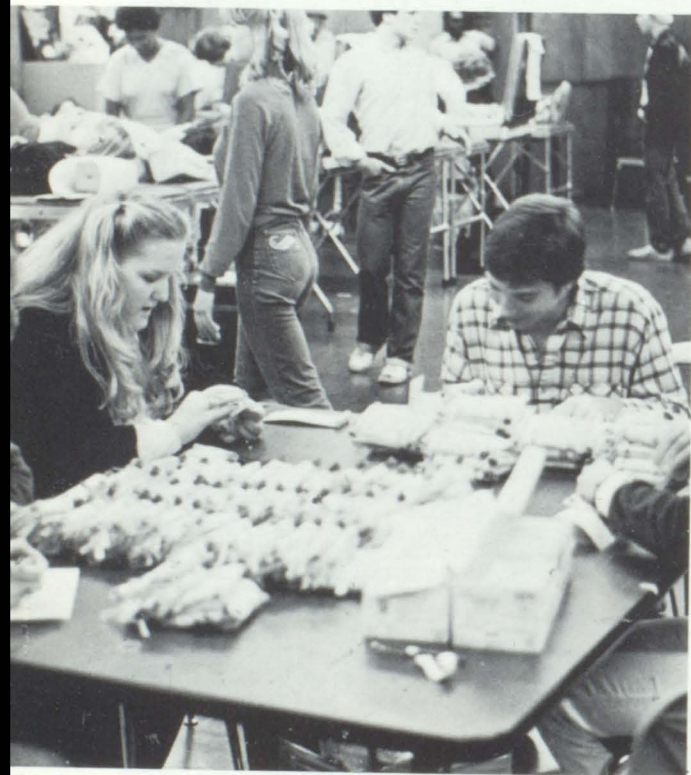

Voice of Democracy

The Veterans of Foreign Wars sponsored the thirty-fourth annual "Voice of Democracy" oratorical contest at Pell City High. The four finalists; Jeff Ramsey, Buddy Spradley, Debbie Triestram, and Dale Macon, were selected from their presentations to the senior history classes. These four then presented their speeches to other students, faculty and the judges. Delivery, originality, and content were the basis for the judging. Dale placed first; Jeff placed second; and Buddy placed third. This year's theme for the speeches was "My Commitment to My Country."

Another Successful Blood Drive for Betas.

Pell City High School's Beta Club Blood Drive was a tremendous success. The club collected 170 pints of blood on November 26, 1980. Although this collection was short of the goal, it was especially important because of the upcoming holiday. Each year the club organizes itself through a committee of members and performs as many of the duties of the drive as possible. The club was awarded a certificate of appreciation for its cooperation with the Alabama Red Cross.

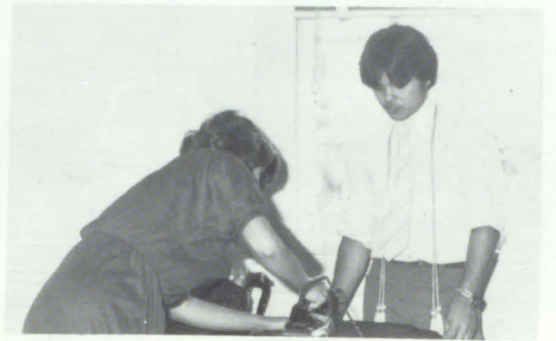

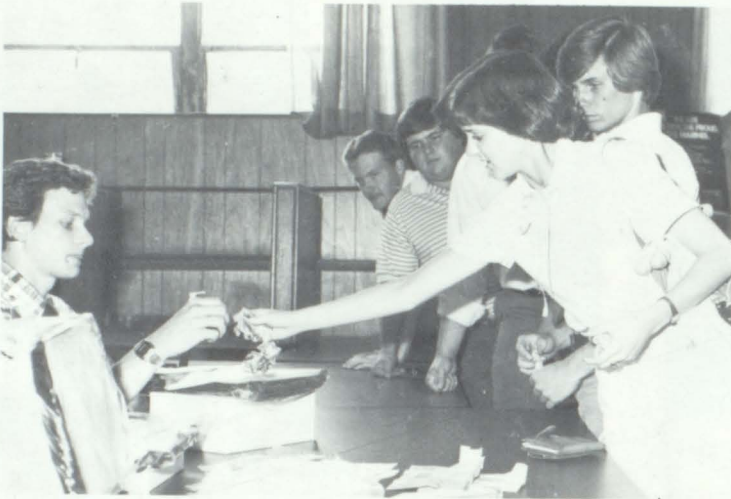

Beta Club Initiation

The Beta Club members let their hair down at their annual "Spring Fling" where new members of the club are informally initiated. Shaving water balloons, playing dress-up, and bobbing for raw eggs are just a few of the stunts to which the initiates are subjected. The formal initiation is held a few days later. The officers conduct the ceremony which expresses the founding ideals of the National Beta Club.

Senior Day . . .

Beginning at noon on Friday, the excitement bubbles as the seniors receive their graduation invitations and caps and gowns. This day is when the misty dreams of commencement become a focused reality. Emotions are high as the seniors' pride begins to peak.

a Day to Remember.

Junior-Senior Prom

A highlight of every Senior's year is the memorable Junior-Senior Prom. This year's theme was "Gone With the Wind." Most people attending the prom wore antebellum style dresses or tuxedos. An award was given to the couple chosen as king and queen of the prom. The dinner-dance was held at Alpine Bay Country Club. The Dr. Shoal's Band contributed to the evening fun. The money for the Prom was raised by the Junior Class. This is one way the Juniors say farewell to the Seniors.

Gold

One of the first signs of spring is the annual Intersquad Game that shows the accomplishments of spring training.

P.C.H.S. County Elections

The second annual county elections were open to juniors with an overall "B" average. The formal election was preceded by a week of campaigning. The elected students attended a County Commissioner's meeting at the beginning of the day that they spent at the courthouse. The remainder of the day was spent fulfilling the duties of their elected office. This event is sponsored by the American Legion in accordance with St. Clair County public officials.

The Pell City High School faculty wishes to congratulate the 1981 graduating class. This class of 163 has ninety-four members who have maintained a B average or higher.

*We've worked together for so long,
Since grade school and before.*

*We've shared our joyful song,
And on our happiness we've soared.*

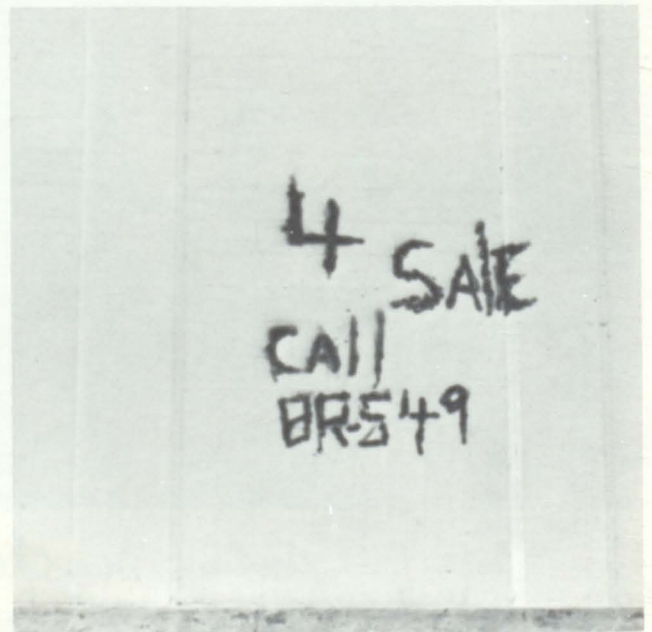

*We have endured the growing pains
During junior high school,*

*And we, our cheeks have stained
With tears in life's reflecting pool.*

*These days of not so
long ago, look
like pages of our past.*

*A chapter of
our book
has become
memories
at last.
Debby Thomas*

Pelmel Dedication

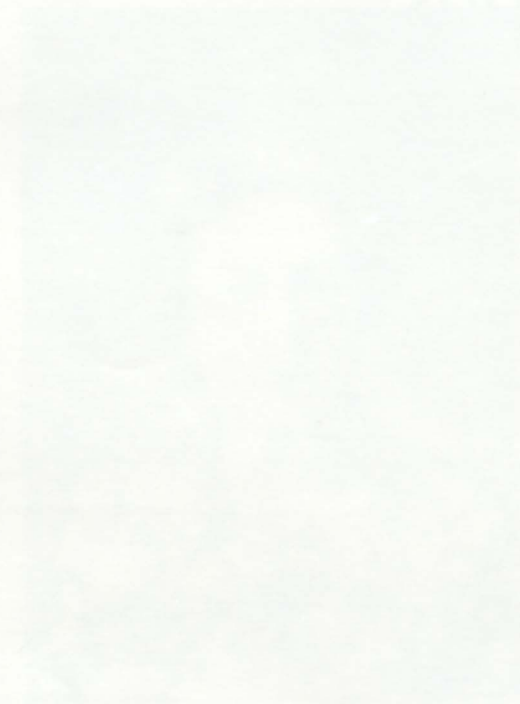

Our memories would not be complete without remembering a teacher whose dedication and hard work have contributed greatly to Pell City High School. Mrs. Faye Whittle has been much more than a teacher. Her untiring efforts with the administration in the stenographic area, her writing and editing of each evaluation of the high school for publication, her working as a senior sponsor in every phase of graduation and her editing student and faculty handbooks every year have been some of the many ways that Mrs. Whittle has assisted the high school. One of the most outstanding contributions she made was her sponsorship of the **Pelmel** for eighteen years. As a graduate of Vincent High School, Mrs. Whittle has had the opportunity to contribute to the schools of this area as a student and as a teacher. It is with immense gratitude that the yearbook staff dedicates the 1981 **Pelmel** to Mrs. Faye Whittle. "Your efforts have not gone unappreciated."

The yearbook staff would like to give special thanks to Pam Foote, Emmett Gaskin, and Debby Thomas. Without their help our yearbook would not have been possible.
