## HARRIS HUNTERS

NEWSLETTER OF THE HARRIS FAMILY

VOLUME 1 NUMBER 3 ----- \$12.50/YEAR  
EDITOR: R.G. Boyd  
P.O. Box 539, Mt Morris, Michigan 48458-0539

----- JULY 1995  
SECRETARY: Jerri L. Boyd  
810-687-1033

Spring has come and gone. Summer is upon us. Time to get all those yard chores and projects finished. This year we're building a deck on our house. It seems like wooden decks are all the rage. I like ours because we can have a barbeque just out of the door. We have central air and I have a tendency to stay indoors when it gets really muggy and hot. Some of our Michigan members will know what I mean. You Californians and Arizonians don't know what *muggy* means. It means the temperature is 90 and the humidity is 98, yet it is not raining. That is when the air conditioning is best appreciated. I was in Tucson, Arizona in 1987 and one day the temperature was 102° by 10 o'clock in the morning. That day it got up to 112° but it wasn't nearly as bad as in Michigan with the temperature at 80 and the humidity at 90.

I would like to thank all the people who have written and wished me luck and congratulations on the newsletter. I'd like to thank all the people who have written and enclosed an SASE with their letter. I have been overwhelmed with letters from both the Boyd Society and Harris Hunters. The postage adds up in a hurry. Let me remind readers that when you write to people wanting information and expecting an answer to your letter you should enclose an SASE unless the exchange of data is mutual.

We are offering life memberships to our members. Life memberships are ten times the yearly dues or \$125.00 if anyone is interested. We will also offer a "Patron" membership. This would be an amount above regular dues per year. The extra money will be used to do research on the Harris family and purchase books and items to use for publication.

Thanks are due to #28 Berniece Miller for the donation of \$25.00 to be used for research on the Harris family. Berniece has sent lots of material for future editions of Harris Hunters.

### WRONG ZIP CODE

The Editor listed the wrong zip code on the cover of some issues of the #2 newsletter and the proofreader didn't catch it. The correct zip is 48458-0539. Please write the correct zip on your copy in order that other people don't mistakenly use it in the future. Thank you. -ed.
