**Will Mabry
Starting 24th Year**

An institution at St. Clair County high school at Odenville, Will 'Shirty' Mabry, will begin his 24th year as janitor and general handy man when school starts again August 31. Known as 'Shorty' to more than a generation of pupils at Odenville, Will has outlasted every member of the faculty and is working at the same place where parents of many of the present pupils attended in their school days.
