Senior Present

THE PELMEL of 1948

Foreword . . .

We, the Senior Class of Pell City High School, proudly present the 1948 Pelmel. If, in the years to come, you can pick up this book and derive some degree of pleasure from it, we shall be amply repaid for the work we have put into it.

ALMA MATER

On the city's western border
Straight against the sky
Proudly stands our Alma Mater
As the years go by.

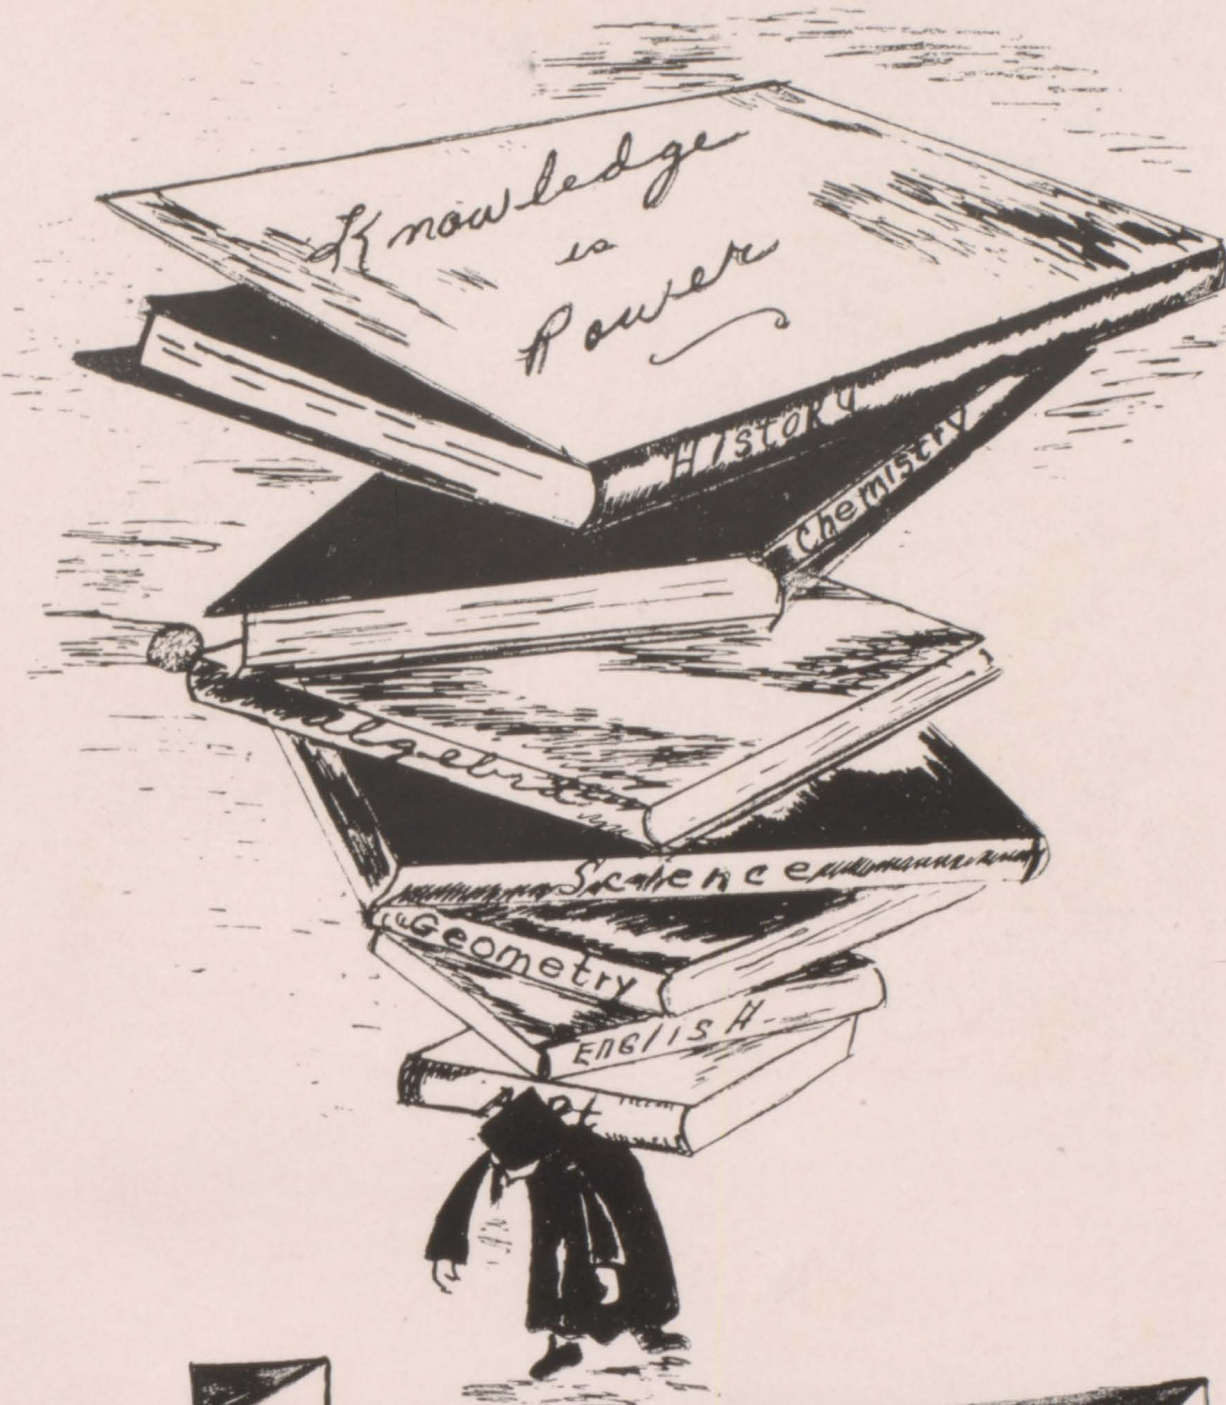

"Forward ever," be our watchword.
"Conquer and prevail."
Hail to thee our Alma Mater
P. C. H. all hail."

Dedication

We, the Senior Class of Pell City High School, take pride in dedicating this, the 1948 "PelmeL", to our principal, Mr. E. H. Childs. During the six years he has served as principal here, his unfailing interest in the students, and his constant efforts to maintain the high standards of the school have endeared him to the hearts of the members of the school and community. As teacher, counsellor, and coach, he has been an inspiration and has shown a never-ending patience in his willingness to lay aside his own troubles and take up ours. To one who is so deserving—who has fulfilled his responsibilities with enthusiasm and zest—we gladly make this dedication.
