# VARSITY FOOTBALL

Coach Matt Griffith's mighty Panthers had a vast improvement over last year's dismal 1-9 record. Although they only finished 3-7, the Panthers had two hard-fought 6A region 7 victories, including a huge 35-6 blowout of Brewer at Homecoming. Many of the Panthers received individual awards. Joseph Brascho, Jesse Isbell, Tristan Martin, Donte McCoy, Shane Moss, and Robby Skelton all received St. Clair County News-Aegis All-County honors. This season hopes to see a foundation to many future state playoffs for the Panthers.

# JUNIOR VARSITY FOOTBALL

Coach Tony Dowdy and Coach Tyler Marlow's Junior Varsity Panthers had a tough run this season. Although they did not come out on top on the scoreboard, they fought valiantly each week. Wins were not abundant for the Panthers but hopefully the lessons and discipline they received will help the varsity squad next season.

# 2001-2002 J.V. CHEERLEADERS

The junior varsity cheerleaders are to be congratulated for their hard work and dedication this year. With only three girls on the squad they gave it their all and completed the year with lots of compliments for a job well done.

# 2001-2002

The Varsity cheerleading squad for 2001-2002 consisted of 14 girls and "Emmitt", our panther. The cheerleaders attended summer camp at the University of Alabama. The squad entered competitions at camp and received all superior scores. The squad also received a "Spirit Stick" award. Suzanne Davis (co-head and senior) made the UCA All-Star team while at camp, and Christina Bishop (junior) also made the All-Star team for mascots. The cheerleaders had a great year cheering for football and basketball and our three seniors will be greatly missed!

# VOLLEYBALL TEAM STRUGGLES

The 2001 volleyball team began their season knowing that this would be their hardest year. The team started their summer with self-discipline, conducting their own practices and workouts, not knowing when or even if they were going to have a coach. This brought the team closer together and created excitement about their upcoming games. The biggest game of the year was against Homewood at the Saks Tournament. The players played their best and surprised the other team, especially, Melonie McBrayer, their old coach! With the scores 14-16 and 9-15, the Lady Panthers gave it everything they had until the last point was made. The Panthers finished their physically, not to mention mentally, tough season, with the Seniors wishing that it was not their last. Thank you girls for all the hard work and dedication!

# JV GIRLS BASKETBALL

The JV girls proved themselves this year to be hard workers and perseverant. The girls continued to improve throughout the season. After Christmas break, the girls had a 4 — 1 record. Thus gaining themselves a winning record of 6 — 5 for the season.

# LADY PANTHERS

The Lady Panthers had an exciting season. Throughout the year the girls have overcome many obstacles, and they pulled through to a winning season. They ended their regular season with a thirteen and twelve record after Christmas break. There were five seniors on the team this year: Mary Michelle Prine, Miranda Allen, Edwina Young, Candace Moore, and Alicia Bethell. The team was not very big this year in height and size, but these girls, especially the seniors, grew to be giants for the love of the game and each other.

# B-TEAM BOYS BASKETBALL

This year's B-Team has been a success. After starting the season with some injuries to a few players, the team struggled to find an identity. But as the year progressed, these players matured and learned how to play the game. This group of athletes worked hard on the court every day. They did everything Coach Yancey asked of them. They finished the season with a 10 — 10 record, but that is not why they were successful. This basketball team simply got better and better with each and every game. It showed in the last game as they blew out Chelsea by 25 points. Improvement this year was the key to success and all of these kids improved tremendously.

# VARSITY BOYS BASKETBALL

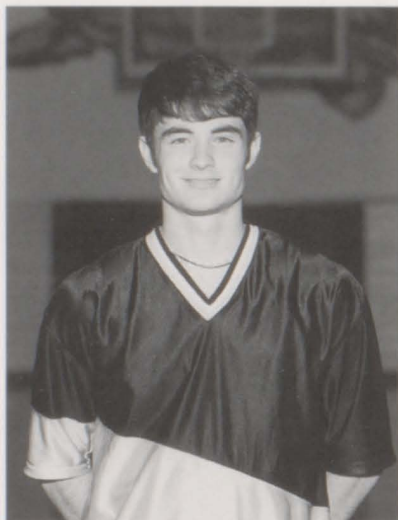

Coach Adam Gray said, "I enjoyed my first year of working with the guys. They were a good group." The top scorer this year was Tristan Martin, averaging 22 points per game. He also made about 12 rebounds each game. The team only had three seniors: Joel Bowman, Larry Mize, and Tristan Martin, but their leadership led to a successful season. The five starters were Sam Brown, Lesley Sanders, Kevin Sanders, Lavonté Young, and Tristan Martin.

Step back and take a good look at the Pell City High School's Varsity Wrestling team. This group of young men is full of stunning moves. The 2001-2002 Thousand Pound Club is a group of the top, heavy lifters in the weight room. In order to be a member, one must lift a minimum of 1000 pounds in three lifts, which consist of bench press, squat, and dead lift. These guys give it all they've got when max day comes just so they can be members of this club.

# VARSAITY BOYS SOCCER

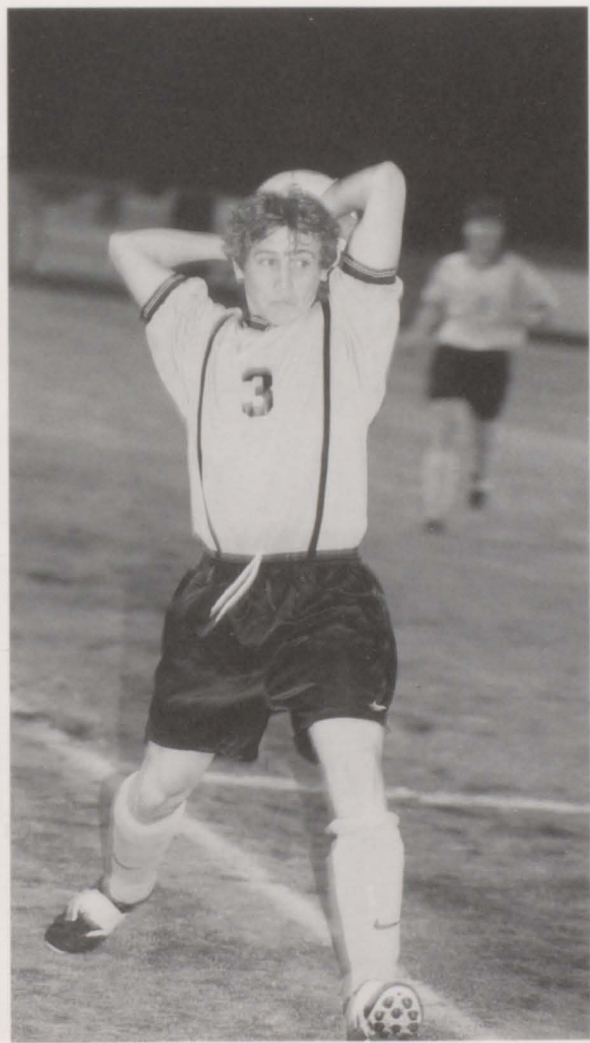

The 2002 soccer team is very young because there are no seniors. The soccer team had all of last year's players return this year. The team has four juniors, including Stephen Darby, Jeff Dargan, Cale Hughes, and Robby Skelton. This year proved to be a record-setting year in the brief soccer history of Pell City High School. Their key players are Jeff Dargan and Robby Skelton. Dargan has the most shutouts by a goalkeeper at Pell City, and Skelton is very important in offense and in set plays.

Row 1 (L to R): Peter Everett, Nick Darby, Stephen Darby, Parker Blankenship, Jeff Dargan, Eric Martin, Austin Ellard, Chris Painter, Austin Hardwick. Row 2(L to R): Coach Aaron Crawford, Robby Skelton, Chase Middleton, Cale Hughes, Joel Graham, Thomas Traweek, Johnathan Lovell, Corey Funderburg, Warren Bowman, Coach Tyler Marlow.

# 2002 VARSITY GIRLS SOCCER

A new coach and many new players led the Varsity Girls' Soccer Team in a hopeful season. With the first game as a win against Erwin, it pepped the girls up for many challenging games ahead. They grew as a team and later as a family. We will miss our only senior, Alicia Bethell. A special thanks to Heather Allen, Alicia Bethell, and Christan Brannon, the captains, for keeping the team together on the field.

# VARSITY GIRLS AND BOYS

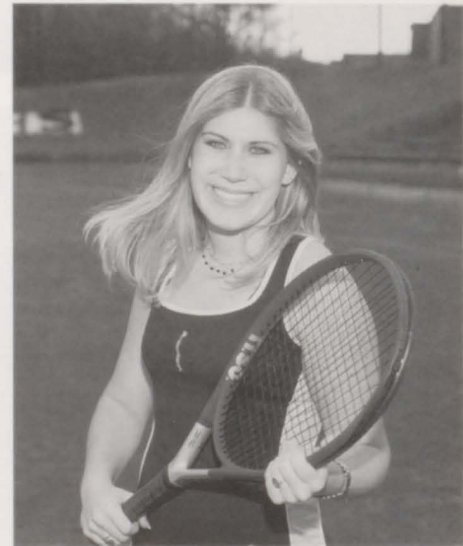

The Pell City Tennis Teams, coached by Diane Thomas, did exceptionally well this year. The girls team consisting of Senior Megan Coshatt, Sophomore Ashley Goodgame, Freshmen Maria Hestley, Kylie Realmuto, Hillary Philips and 8th grader Julie Jeffcoat, defeated many teams such as Talladega, Jacksonville, Moody, Hewitt Trussville, and Clay Chalkville. The girls went on to compete in the sectional tournament at Mountain Brook High school. Kylie Realmuto advanced to the semifinal round in singles and Ashley Goodgame advanced to the final round in singles. Megan Coshatt and Kylie Realmuto advanced to the semifinals in doubles. Coach Thomas and the girls had lots of fun and many wins this year. Good luck to the team next year and their new coach. Good luck to Mrs. Thomas in her first year of retirement.

Hard work, dedication, and determination exemplifies the character of the girls on the PCHS Jr. Varsity Softball team. With the squad of only two sophomores and tons of talent the future is looking good for these young ladies.

# FIGHTS TO THE END

# VARSITY SOFTBALL

Vince Lombardi once said, "Winning is not a sometime thing, it's an all the time thing. You don't win once in a while, you don't do things right once in a while, you do them right all the time. Winning is a habit."

If I could pass on anything to this bunch of girls, it is this quote. Not only should this apply to them on the field, but off as well. You need to do things right all the time: in the work place, in the classroom, and on the ball field. Then winning becomes a habit. We have experienced this habit this season by bringing home a first place trophy, defeating area teams for the first time, and having the best record in the school's fastpitch history. It didn't seem to take long to build the chemistry needed to form a winning team. Led by seven seniors, these girls have been mentally prepared for any milestone that approached them throughout the season.

*Goals were set and met. Strikes were thrown and plays were made. Home runs were hit, bases were stolen, and injuries battled. A SEASON FULFILLED!!*

I am very proud of this team. They began day one and worked until approximately forty games had been played. They held their heads high through defeat and were classy in victory. I am thankful for the opportunity to coach a team of WINNERS.
